

HIGH SCHOOL FIELD TRIP PERMISSION FORM

I agree to allow my student to participate in a variety of local and classroom field trips throughout the school year, primarily within Utah County, but occasionally further north or south. I understand that my student will be transported by a licensed and insured adult driver, unless I give specific permission for my student to drive himself/herself. This permission covers all class and school field trip activities between August and May.

These field trips may include, but are not limited to:

- Provo Rec Center
- Sundance
- The Quarry
- Possible other destinations.

This form is not intended to grant permission for Walkabout, Timp Lodge, Moab, Spring Expeditions, or any travel or expedition that is more extensive than a local field trip during school hours.
