It is important that anyone showing symptoms of COVID-19 not come to the school. This applies to students, parents, school employees, or any visitors.

- As the parent/guardian I agree that I will not send my student(s) to school if they exhibit any COVID-19 symptoms or if they have tested positive for COVID-19.

- School employees agree to not come to the school if they are exhibiting any COVID-19 symptoms or if they have tested positive for COVID-19..
- I understand that if my student is exhibiting contagious symptoms while at school they will be sent home for a Wellness Observation Period.

### Symptoms of COVID-19 include:

- other symptoms have improved (for example, when your cough or shortness of breath have improved), **AND**
- at least 10 days have passed since symptoms first appeared.
