

ELEMENTARY SCHOOL FIELD TRIP PERMISSION FORM

I agree to allow my student to participate in a variety of local classroom field trips throughout the school year, primarily within Utah County, but occasionally further north or south. I understand that my student will be transported by a licensed and insured adult driver. This permission covers all class and school field trips and activities between August and May. These field trips may include but are not limited to:

- Provo Rec Center
- The Quarry
- Brigham Young University
- Utah Valley University
- Thanksgiving Point
- Local outdoor destinations (Utah Lake, Provo Canyon, Y Mountain etc.)
- Other local destinations

This form is not intended to grant permission for end-of-year expeditions or any travel or expedition that is more extensive than a local field trip during school hours.

Information about any field trip will be provided by your student's classroom teacher via email at least 3 days prior to the event.
