

STUDENT CONTACT LIST

Here at Walden we are constantly trying to ensure the safety of our students. One of the ways we do this is by ensuring that students are not leaving with unauthorized adults. You can authorize an adult, over the age of 18, by adding them as a contact in SIS/Aspire. We will also use contact information to get a hold of you if there is an emergency pertaining to your student. Contacts on this list should include:

- Mother's contact information
- Father's contact information
- One or more emergency contacts
- Contact information for anyone who will pick up your student from school

Keeping this list up to date will help us keep your student as safe as possible while they are at school. Thank you for your help with this.
