INTRODUCTION

This document represents a revision of the previous Utah State Board of Education Special Education Rules (SpEd Rules), adopted by the Board in June 2023. These SpEd Rules provide requirements to which local educational agencies (LEAs), the Utah Schools for the Deaf and Blind (USDB), state-operated programs (including local juvenile and adult correctional facilities), and other public and private agencies providing publicly funded education and related services to students with disabilities must adhere.

These SpEd Rules are in compliance with the requirement outlined in the Individuals with Disabilities Education Act (IDEA) 2004 Regulations contained in 34 CFR § 300 and § 303 and updated with the applicable changes in the Every Student Succeeds Act (ESSA). Under the IDEA, the Utah State Board of Education (USBE) is responsible for ensuring the following things:

1. That the requirements of the IDEA are carried out, and
2. That each education program for students with disabilities administered within the State is under the general supervision of and meets the education standards of the USBE, including IDEA requirements.

These SpEd Rules are authorized by Utah Code Annotated (UCA) 53E-3-401(4), which allows the USBE to make rules to execute the USBE's duties and responsibilities under the Utah Constitution and State law and UCA 53E-3-501, which requires the USBE to establish rules governing services to children and youth with disabilities are incorporated by reference into the USBE Administrative Rules (Board Rules) by R277-750.

In addition to these disability-specific SpEd Rules, all other [USBE-approved Rules](#) apply for students with disabilities

In September 2019, the USBE adopted a Strategic Direction which includes four goals:

1. Early Learning: Each student starts strong through early grades with a foundation in literacy and numeracy;
2. Personalized Teaching & Learning: Each student and educator has access to personalized teaching and learning experiences;

3. Safe and Healthy Schools: Each student learns in a safe and healthy school environment; and
4. Effective Educators and Leaders: Each student is taught by effective educators who are supported by effective school leaders.

These SpEd Rules address not only the requirements of the IDEA (including updates in the ESSA), but also State-specific requirements (in alignment with Board Rules and the Strategic Direction) to ensure that Utah students with a disability receive a free appropriate public education (FAPE) while also being held to high expectations and successful outcomes through the receipt of high quality instruction. These SpEd Rules have gone through a thorough review process that included multiple opportunities for stakeholder engagement, resulting in this comprehensive document.

These SpEd Rules refer to “parent or student who is an adult.” This is to demonstrate that the rights afforded to a parent under the procedural safeguards of the IDEA transfer to a student with disabilities upon reaching age 18.

I. GENERAL PROVISIONS

I.A. PURPOSES (34 CFR § 300.1)

1. The primary purposes of these SpEd Rules, consistent with Utah Code Annotated (UCA) Title 53E, Chapter 7, Part 2, Special Education Program; and the Individuals with Disabilities Education Improvement Act (IDEA), as amended; are:
 - a. To ensure that all students with disabilities ages 3–21 in Utah, including students with disabilities who have been suspended or expelled from school and students who have not graduated from high school with a regular high school diploma, have available to them a free appropriate public education;
 - b. (FAPE) that emphasizes special education and related services, as specified on an Individualized Education Program (IEP) designed to meet their unique needs and prepare them for further education, employment, and independent living;
 - c. To ensure that the rights of students with disabilities and their parent(s) are protected;
 - d. To ensure that State standards are established for the provision of a FAPE to students with disabilities, as defined in these SpEd Rules;
 - e. To assess and ensure the effectiveness of efforts to educate students with disabilities; and
 - f. To provide a system for State reimbursement for disabilities program costs authorized under Utah school finance laws.

I.B. AUTHORITY

1. These SpEd Rules as authorized under Part B of the IDEA as amended (20 USC §1401 et. seq.), and its implementing regulations, 34 CFR § 300.1 et. seq., and UCA 53E-7-204 have been adopted by the USBE.

I.C. APPLICABILITY (34 CFR § 300.2)

1. These SpEd Rules are applicable to all public agencies within the State of Utah that are involved in the education of students with disabilities, including:
 - a. The Utah State Board of Education (USBE);
 - b. Local education agencies (LEAs) that are school districts and charter schools;
 - c. Other State agencies, such as the Department of Human Services;
 - d. Other State schools, such as the Utah Schools for the Deaf and the Blind; and
 - e. State and local juvenile and adult correctional facilities.
2. These SpEd Rules are binding on each public agency in Utah that provides special education and related services for students with disabilities, regardless of whether that agency is receiving funds under Part B. This includes private agencies serving students with disabilities using public funds.
3. Each public agency in the State shall ensure that a FAPE is available to any individual student with a disability, ages 3–21, who needs special education and related services, including students with disabilities who have been suspended or expelled from school and students who are advancing from grade to grade (34 CFR § 300.101(c)).
4. Each public agency in the State is responsible for ensuring that the rights and protections under these SpEd Rules are given to students with disabilities referred to or placed in private schools and facilities by that public agency, or placed in private schools by their parent(s), when FAPE is at issue.

I.D. AMENDMENTS

1. Any proposed changes in these SpEd Rules shall be in accordance with the provisions of the Utah Administrative Rulemaking Act (Utah Administrative Code R15-4, Administrative Rule Making Procedures).

 - b. Other alternate or modified academic achievement standards are prohibited.

The policies and procedures shall include a practical method for determining which students are currently receiving needed special education and related services and provide a process to reevaluate those who are found eligible within the three-year timeframe.
2. The requirements of this section apply to:
 - a. Highly mobile students with disabilities (such as students who are migrant and experiencing homelessness) (34 CFR § 300.111(c)(2)).
 - b. Students who have been suspended or expelled from school (34 CFR § 300.101(a)).
 - c. Students who have not graduated from high school with a regular high school diploma (34 CFR § 300.102(a)(3)(iii)).
 - d. Students who are suspected of being a student with a disability under these SpEd Rules and who are in need of special education and related services, even though they are advancing from grade to grade (34 CFR § 300.111(c)(1)).
 - e. Students who are homeschooled and students enrolled in private schools within the school district's boundaries.
 - f. Students in State custody/care.
 - g. Students in nursing homes.
3. Public charter schools are responsible for child find for students enrolled in their own school and have no responsibility for child find for students in

II. Identification, Location, and Evaluation

private schools. Charter schools may not refer enrolled students to the local school district for child find.

4. The determination that a student is a “student with a disability” under these SpEd Rules must be made on an individual basis, by a group made up of the parent or student who is an adult and school personnel determined by the student’s LEA.
5. Major components of the child find system include:
 - a. LEA implementation, coordination, and tracking of child find activities and students identified, including students who are home schooled and students enrolled in private schools within the school district’s jurisdiction (34 CFR § 300.131).
 - b. USBE staff provision of ongoing technical assistance to LEAs, private schools, and other State agencies in implementing the child find system.
 - c. Implementation of the statewide data collection system for reporting student information, including Federal student count (34 CFR §§ 300.132, 300.640–641) and the data requirements found in these SpEd Rules VI.B.3., which includes that:
 - (1) Each school district must maintain in its records, and provide to the USBE staff annually, the following information related to parentally placed or student who is an adult nonprofit private school students:
 - (a) The number of students evaluated and reevaluated within three years;
 - (b) The number of students determined to be students with disabilities; and
 - (c) The number of students served.
 - d. School district collaboration and coordination with State and Local Department of Health, which has responsibility for providing early intervention services for infants and toddlers with disabilities, ages birth through two, under Part C of the IDEA (Interagency Agreement).

II. Identification, Location, and Evaluation

6. The collection and use of data to meet the requirements of this section are subject to the confidentiality of information provisions under these SpEd Rules and Board Rules R277-487.

II.B. REFERRAL (34 CFR § 300.301)

1. Consistent with the consent requirements in these SpEd Rules II.C., either a parent or the student who is an adult or an LEA may initiate a request for an initial evaluation to determine if a student is a student with a disability under Part B of the IDEA and these SpEd Rules. Upon receipt of a request for an evaluation, the LEA must respond within a reasonable timeframe. The response may not be delayed due to the LEA's Response to Intervention process.
2. Each LEA shall provide an initial special education assessment for children who enter the custody of the Division of Child and Family Services (DCFS), upon request by that division and the LEA obtains appropriate parental consent for the evaluation for children whose school records indicate that they may have disabilities requiring special education services.

II.C. PARENTAL CONSENT (34 CFR § 300.300)

1. Parental consent for initial evaluation.
 - a. The LEA proposing to conduct an initial evaluation to determine if a student qualifies as a student with a disability under these SpEd Rules must, after providing prior written notice to the parent or student who is an adult, obtain informed consent, consistent with these SpEd Rules I.E.9, from the parent of the student or the student who is an adult before conducting the evaluation.
 - (1) Consent from a parent or student who is an adult for initial evaluation must not be construed as consent for initial provision of special education and related services.
 - (2) The LEA must make reasonable efforts to obtain informed consent from the parent or student who is an adult for an initial evaluation to determine whether the student is a student with a disability.

II. Identification, Location, and Evaluation

- (3) When conducting psychological evaluations, the LEA must implement the parental or student who is an adult consent requirements of UCA 53E-9-203 (Student Privacy and Data Protection).
 - b. For initial evaluations only, if the student is a ward of the State and is not residing with the student's parent(s), the LEA is not required to obtain informed consent from the parent for an initial evaluation to determine whether the student is a student with a disability if:
 - (1) Despite reasonable efforts to do so, the LEA cannot discover the whereabouts of the parent(s) of the student;
 - (2) The rights of the parent(s) of the student have been terminated in accordance with State law; or
 - (3) The rights of the parent (s) to make educational decisions have been subrogated by a judge in accordance with State law and consent for an initial evaluation has been given by an individual appointed by the judge to represent the student.
 - c. If the parent(s) of a student or a student who is an adult enrolled in public school or seeking to be enrolled in public school does not provide consent for initial evaluation, or fails to respond to a request to provide consent, the LEA may, but is not required to, pursue the initial evaluation of the student by utilizing the procedural safeguards or the due process procedures in Section IV of these SpEd Rules.
 - (1) The LEA does not violate its obligation under the child find provisions of these SpEd Rules if it declines to pursue the evaluation by utilizing the procedural safeguards or the due process procedures.
2. Parental consent for services.
 - a. An LEA that is responsible for making a FAPE available to a student with a disability must obtain informed consent from the parent(s) of the student or student who is an adult before the initial provision of special education and related services to the student.
 - b. An LEA must make reasonable efforts to obtain informed consent from the parent(s) or student who is an adult for the initial provision of special education and related services to the eligible student with disabilities.

II. Identification, Location, and Evaluation

- c. If the parent(s) of a student or student who is an adult fails to respond to a request for, or refuses to consent to, the initial provision of special education and related services, the LEA:
 - (1) May not use the procedures in of these SpEd Rules IV., including the mediation procedures or the due process procedures, in order to obtain agreement or a ruling that the services may be provided to the student;
 - (2) Will not be considered to be in violation of the requirement to make available a FAPE to the student for the failure to provide the student with the special education and related services for which the LEA requests consent; and
 - (3) Is not required to convene an IEP Team meeting or develop an IEP for the student for the special education and related services for which the LEA requests such consent.

- d. If, at any time subsequent to the initial provision of special education and related services, the parent(s) of a student or student who is an adult revokes consent in writing for the continued provision of special education and related services, the LEA:
 - (1) May not continue to provide special education and related services to the student but must provide prior written notice in accordance with these SpEd Rules IV.D. before ceasing the provision of special education and related services;
 - (2) May not use the procedures in these SpEd Rules IV., including the mediation procedures or the due process procedures, in order to obtain agreement or a ruling that the services may be provided to the student;
 - (3) Will not be considered to be in violation of the requirement to make available a FAPE to the student for the failure to provide the student with the special education and related services for which the LEA requests consent; and

II. Identification, Location, and Evaluation

- (4) Is not required to convene an IEP Team meeting or develop an IEP for the student for the special education and related services for which the LEA requests such consent (34 CFR § 300.300).
3. Parental consent for reevaluations.
 - a. Each LEA must obtain informed parental or student who is an adult consent prior to conducting any reevaluation of a student with a disability.
 - b. If the parent or student who is an adult refuse to consent to the reevaluation, the LEA may, but is not required to, pursue the reevaluation by using the dispute resolution procedures provided in the procedural safeguards, and including mediation or due process procedures.
 - c. The LEA does not violate its obligation under child find if it declines to pursue the reevaluation.
 - d. The informed parental or student who is an adult consent need not be obtained if the LEA can demonstrate that:
 - (1) It made reasonable efforts to obtain such consent; and
 - (2) The student's parent or the student who is an adult has failed to respond.
4. Other consent requirements.
 - a. Parental or student who is an adult consent is not required before:
 - (1) Reviewing existing data as part of an evaluation or a reevaluation; or
 - (2) Administering a test or other evaluation that is administered to all students unless consent is required for all students before administration of that test or evaluation.
 - b. An LEA may not use a parent's or student who is an adult's refusal to consent to one service or activity under these SpEd Rules II.C.1., II.C.2., or II.C.3., to deny the parent or student any other service, benefit, or activity of the LEA, except as required by this part.
 - c. If a parent of a student or an student who is an adult who is home schooled or placed in a private school by the parent(s) or student who is an adult at their own expense does not provide consent for the initial

II. Identification, Location, and Evaluation

evaluation or the reevaluation, or the parent or student who is an adult fails to respond to a request to provide consent, the LEA may not use the consent override procedures (described in these SpEd Rules II.C.1.c., II.C.3.), and the LEA is not required to consider the student as eligible for special education and related services.

- d. To meet the reasonable efforts requirement in these SpEd Rules II.C.1.a.2., II.C.1.b.1., II.C.2.b., and II.C.3.d.1., the LEA must document its attempts to obtain parental or student who is an adult consent using the procedures in these SpEd Rules III.G.3.
- e. Unless parent(s) or the student who is an adult revoke consent for special education and related services or refuse consent for initial placement, disagreements regarding the provision of IEP services should be resolved by the IEP Team and result in a completed IEP which includes all components necessary for the provision of FAPE.

II.D. INITIAL EVALUATION (34 CFR § 300.301)

- 1. Each LEA must conduct a full and individual initial evaluation to determine whether a student is a “student with a disability” under Part B of the IDEA and these SpEd Rules, and to determine the educational needs of the student.
- 2. The initial evaluation:
 - a. Must be conducted within 45 school days of receiving parental or student who is an adult consent for the evaluation, unless:
 - (1) The initial evaluation is requested by the Division of Child and Family Services (DCFS) and the LEA obtains appropriate consent for the evaluation, in which case an LEA shall provide an initial special education evaluation to an individual who enters DCFS custody if DCFS suspects the individual may be an eligible student within 30 days after the day on which DCFS makes the request (UCA 53E-7-207).
 - (a) An LEA may refuse to conduct an evaluation described in these SpEd Rules II.D.2.a.(1) if the LEA reviews the relevant data regarding the individual and, within ten days after the day on which the LEA received the request described in these SpEd Rules

II. Identification, Location, and Evaluation

II.D.2.a.(1), gives the DCFS prior written notice of refusal to evaluate.

- b. Must consist of procedures to determine:
 - (1) If the student is a student with a disability; and
 - (2) The educational needs of the student.
- 3. The timeframe shall not apply to an LEA if:
 - a. The parent of a student repeatedly fails or refuses to produce the student for the evaluation; or
 - b. The student who is an adult repeatedly fails or refuses to participate in evaluation activities; or
 - c. A student enrolls in a school served by the LEA after the relevant timeframe has begun, and prior to a determination by the student's previous LEA as to whether the student is a student with a disability.
 - d. The exception in these SpEd Rules II.D.3.c. applies only if the subsequent LEA is making sufficient progress to ensure a prompt completion of the evaluation, and the parent or student who is an adult and subsequent LEA agree to a specific time when the evaluation will be completed.

II.E. SCREENING FOR INSTRUCTIONAL PURPOSES (34 CFR § 300.302)

- 1. The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. Results of screenings should be considered by the LEA for child find purposes.

II.F. EVALUATION PROCEDURES (34 CFR § 300.304)

- 1. Each LEA shall establish and implement procedures that meet the evaluation requirements of Part B of the IDEA and these SpEd Rules as follows:
 - a. In conducting the evaluation, the LEA must:
 - (1) Use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the

II. Identification, Location, and Evaluation

student, including information provided by a parent or student who is an adult, that may assist in determining:

- (a) Whether the student is a student with a disability; and
 - (b) The content of the student's IEP, including information related to enabling the student to be involved in and progress in the general education curriculum (or, for a student in preschool, to participate in appropriate activities);
- (2) Not use any single procedure as the sole criterion for determining whether a student is a student with a disability and for determining an appropriate educational program for the student; and
 - (3) Use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors. LEAs must consider the publication date and continued validity of assessments in use when new editions are published.
 - (4) Each LEA must ensure that assessments and other evaluation materials used to assess a student:
 - (a) Are selected and administered so as not to be discriminatory on a racial or cultural basis;
 - (b) Are provided and administered in the student's native language or other mode of communication, and in the form most likely to yield accurate information on what the student knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to so provide or administer;
 - (c) Are selected to assess the specific areas of concern identified by the assessment/evaluation group, including the parent(s) or student who is an adult;
 - (d) Are used for the purposes for which the assessments or measures are valid and reliable;

II. Identification, Location, and Evaluation

- (e) Are selected and administered by trained and knowledgeable personnel based upon the specific assessment's requirements; and
 - (f) Are administered and interpreted in accordance with any instructions and administrator requirements provided by the producer of the assessments and the Standards for Educational and Psychological Testing (AERA, APA, NCME, 2014).
 - (i) LEAs must ensure and document that all evaluators meet the assessment publishers' administrator/interpreter/user requirements (e.g., appropriate degree, higher education coursework in tests and measures, and supervised clinical experiences/practica).
 - (ii) LEAs shall provide documentation to USBE staff upon request.
- (5) The LEA must ensure that:
- (a) Assessments and other evaluation materials include those tailored to assess specific areas of educational need and not merely those that are designed to provide a single general intelligence quotient.
 - (b) Assessments are selected and administered so as best to ensure that if an assessment is administered to a student with impaired sensory, manual, or speaking skills, the assessment results accurately reflect the student's aptitude or achievement level or whatever other factors the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (unless those skills are the factors that the test purports to measure).
 - (c) The administration of psychological testing and the evaluation or assessment of personal characteristics, such as intelligence (e.g., cognitive, IQ), personality, abilities, interests, aptitudes, and neuropsychological functioning are only administered and interpreted by personnel who have been trained and fully meet the administrator/ interpreter/user qualifications of the test

II. Identification, Location, and Evaluation

publisher (e.g., appropriate degree, higher education coursework in tests and measures, and supervised clinical experiences/practica).

- (d) The student is assessed in all areas related to the suspected disability, including, if appropriate, health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status, and motor abilities.
 - (e) Assessments of students with disabilities who transfer from one LEA to another LEA in the same school year are coordinated with those students' prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of full evaluations.
 - (f) In evaluating each student with a disability, the evaluation is sufficiently comprehensive to identify all the student's special education and related services needs, whether or not commonly linked to the disability category in which the student has been classified.
 - (g) Assessment tools and strategies provide relevant information that directly assists persons in determining the educational needs of the student are provided.
- b. The USDB is available to LEAs for assessments of students with visual impairment and hearing loss, as well as professional learning on appropriate administration of assessments, and procedures to ensure appropriate interpretation of assessments (Board Rules R277-800-7).

II.G. REEVALUATION PROCEDURES (34 CFR § 300.303)

1. An LEA must ensure that a reevaluation of each student with a disability is conducted:
 - a. If the LEA determines that the educational or related services needs, including improved academic achievement and functional performance, of the student warrant a reevaluation; or

II. Identification, Location, and Evaluation

- b. If the student's parents or student who is an adult or teacher requests a reevaluation.
2. A reevaluation:
 - a. May occur not more than once a year, unless the parents or student who is an adult and the LEA agree otherwise; and
 - b. Must occur at least once every three years, unless the parents or the student who is an adult and the LEA agree that a reevaluation is unnecessary as there are data available to continue eligibility and determine the educational needs of the student. When the parents or student who is an adult and LEA agree that a reevaluation is unnecessary, the group must document data reviewed and used in an evaluation report and complete an eligibility determination.

II.H. ADDITIONAL REQUIREMENTS FOR INITIAL EVALUATIONS AND REEVALUATION PROCEDURES (34 CFR § 300.305)

1. As part of any initial evaluation (if appropriate) and as part of any reevaluation, the IEP Team and other qualified professionals, as appropriate, must:
 - a. Review existing evaluation data on the student, including:
 - (1) Evaluations and information provided by the parent(s) of the student or the student who is an adult;
 - (2) Current classroom-based, local, or State assessments, and classroom-based observations; and
 - (3) Observations by teachers and related services providers; and
 - b. On the basis of that review, and input from the student's parent(s) or the student who is an adult, identify what additional data, if any, are needed to determine:
 - (1) Whether the student is a student with a disability and the educational needs of the student; or, in the case of a reevaluation of a student, whether the student continues to have such a disability, and the educational needs of the student;

II. Identification, Location, and Evaluation

- (2) The present levels of academic achievement and related developmental needs of the student;
 - (3) Whether the student needs special education and related services; or, in the case of a reevaluation of a student, whether the student continues to need special education and related services; and
 - (4) Whether any additions or modifications to the special education and related services are needed to enable the student to meet the measurable annual goals set out in the IEP of the student and to participate, as appropriate, in the general education curriculum.
2. The IEP Team and other qualified professionals, as appropriate, may conduct its review of existing data without a meeting.
3. The LEA must administer such assessments and other evaluation measures as may be needed to produce the data needed to determine continuing eligibility.
4. If the IEP Team and other qualified professionals, as appropriate, determine that no additional data are needed to determine whether the student continues to be a student with a disability and to determine the student's educational needs, the LEA must notify the student's parent(s) or student who is an adult of:
 - a. That determination and the reasons for the determination; and
 - b. The right of the parent(s) or student who is an adult to request an assessment to determine whether the student continues to be a student with a disability, and to determine the student's educational needs.
5. The LEA is not required to conduct the assessment for reevaluation described in these SpEd Rules II.H.4.b unless requested to do so by the student's parent(s) or the student who is an adult.
6. Evaluations before change in eligibility.
 - a. An LEA must evaluate a student with a disability before determining that the student is no longer a student with a disability.
 - b. The evaluation is not required before the termination of a student's eligibility due to graduation from secondary school with a regular diploma,

II. Identification, Location, and Evaluation

or due to exceeding the age eligibility for FAPE under State law (i.e., age 22).

- c. For a student whose eligibility terminates due to graduation from secondary school with a regular high school diploma or due to exceeding the age eligibility for FAPE under State law, an LEA must provide the student with a summary of the student's academic achievement and functional performance, which shall include recommendations on how to assist the student in meeting the student's postsecondary goals.

II.I. DETERMINATION OF ELIGIBILITY (34 CFR § 300.306)

1. Upon completion of the administration of assessments and other evaluation measures, a group of qualified professionals and the parents of the student or the student who is an adult determine eligibility under Part B of the IDEA and these SpEd Rules, including:
 - a. Whether that student is a student with a disability, and
 - b. The educational needs of the student.
2. The LEA shall provide the parents or adult student with a copy of the evaluation report and the documentation of determination of eligibility.
3. A student must not be determined to be a student with a disability:
 - a. If the determinant factor for that determination is:
 - (1) Lack of appropriate instruction in the science of reading, including the essential components of reading instruction (explicit and systematic instruction in phonemic awareness, phonics, vocabulary development, reading fluency including oral reading skills, and reading comprehension strategies) (20 USC 6368(3));
 - (2) Lack of appropriate instruction in mathematics; or
 - (3) Limited English proficiency; and
 - b. If the student does not otherwise meet the eligibility criteria.
4. Procedures for determining eligibility and educational need.

II. Identification, Location, and Evaluation

- a. In interpreting evaluation data for the purpose of determining if a student is a student with a disability and the educational needs of the student, each LEA must:
 - (1) Draw upon information from a variety of sources, such as aptitude and achievement tests, parent or student who is an adult input, teacher recommendations, physical condition, social or cultural background, and adaptive behavior; and
 - (2) Ensure that information obtained from all of these sources is documented and carefully considered.
- b. If a determination is made that a student has a disability and needs special education and related services, an IEP must be developed for the student within 30 calendar days.

II.J. CATEGORICAL DEFINITIONS, CRITERIA, AND ASSESSMENTS (34 CFR § 300.8; 34 CFR § 300.304; 34 CFR § 300.306)

1. This section specifies the criteria and evaluation procedures, by category, for determining eligibility for a student with disabilities under Part B of the IDEA and these SpEd Rules.
2. Autism.
 - a. Definition.
 - (1) *Autism* is a developmental disability significantly affecting verbal and nonverbal communication and social interaction, generally evident before age three, that adversely affects a student's educational performance. Other characteristics often associated with autism are engagement in repetitive activities and stereotyped movements, resistance to environmental change or change in daily routines, and unusual responses to sensory experiences.
 - (a) Autism does not apply if a student's educational performance is adversely affected primarily because the student has an emotional-behavioral disability or an intellectual disability, as defined in these SpEd Rules.

II. Identification, Location, and Evaluation

(b) A student who manifests the characteristics of autism after age three could be identified as having autism if the group determines that the student meets the definition of autism under these SpEd Rules.

b. Eligibility Criteria.

- (1) A group of qualified professionals and the student's parent(s) or student who is an adult determine eligibility as defined above.
- (2) The autism must adversely affect the student's educational performance.
- (3) The student with autism must require special education and related services.
- (4) The group must determine that autism is the student's primary disability, although the student may exhibit characteristics of other disability conditions such as an emotional-behavioral disability or intellectual disability.
- (5) To be eligible under this category, the student must exhibit significant impairments in verbal and/or nonverbal communication and social interaction. The student may also exhibit engagement in repetitive activities and stereotyped movements, resistance to environmental change or change in daily routines, difficulty with emotional regulation, and unusual responses to sensory experiences.

 - (3) The requirements of these SpEd Rules II.D.-H. must be met.

3. Deafblindness.

a. Definition.

- (1) *Deafblindness* means associated hearing and visual impairments, the combination of which causes such severe communication and other developmental and educational needs that they cannot be accommodated in special education programs solely for students with deafness or students with blindness.

b. Eligibility Criteria.

II. Identification, Location, and Evaluation

- (1) While there must be prior documentation by qualified health professionals that a student has associated hearing and visual impairments the combination of which meet the definition above, only a group of qualified professionals and the student's parent(s) or student who is an adult determine eligibility as defined above.
- (2) The deafblindness must adversely affect the student's educational performance.
- (3) The student with deafblindness must require special education and related services.
- (4) The group must determine that deafblindness is the student's primary disability, although the student may have other disabling conditions in addition to the vision and hearing losses.
- (5) A combination of the following must exist:

 - (b) Hearing loss that must include one or both of the following:
 - (i) Hearing loss that, with or without amplification, adversely affects a student's ability to access auditory information and the development of language and communication for educational performance. This may include hard of hearing or deafness.
 - (ii) Functional hearing loss (abnormal auditory perception), where parts of the auditory system may be functioning, but

II. Identification, Location, and Evaluation

the student does not attend to, respond to, localize, utilize, or accurately process auditory information. This may include cortical deafness, auditory processing disorders, or auditory neuropathy/dyssynchrony (which is an impairment of the auditory nerve, where parts of the auditory system may be functioning, but there is a problem sending the sound from the ear to the brain).

(6) The requirements of these SpEd Rules II.I. must be met.

c. Evaluation.

(1) Multiple measures (formal and informal) must be used to assess vision and hearing and all areas of suspected deficits. The evaluation must include and take into consideration the impact of the combined vision and hearing losses. Evaluation must be both clinical and functional assessment.

(2) Areas of evaluation must include:

(a) Audiological evaluation.

(i) Clinical—Audiological testing may include:

(A) Audiological testing yielding threshold results; aided threshold evaluations yielding aided threshold results; speech audiometric tests yielding speech discrimination scores and speech reception thresholds; and proper functioning, fitting, and follow-up of hearing aids.

(B) Otoacoustic Emission Testing (OAE).

(C) Auditory Brainstem Response (ABR) testing.

(ii) Functional assessment of auditory abilities.

(b) Vision evaluation.

(i) Ophthalmological testing.

(d) Accommodations and modifications necessary for the student to be able to access the general curriculum and other activities.

(e) Assistive technology needs.

(2) The requirements of these SpEd Rules II.D.-H. must be met.

4. Developmental Delay.

a. Definition.

(1) In a student ages 3–8, *developmental delay* means a significant delay in one or more of the following areas: physical/motor development, cognitive development, communication development, social/emotional development, or adaptive development. The delay must adversely affect a student's educational performance.

(2) LEAs that choose to use the classification of developmental delay must conform to the State's definition of developmental delay, including the age range adopted by the State, and the requirement that the LEA conduct a full and individual initial evaluation.

b. Eligibility Criteria.

(1) A group of qualified professionals and the student's parent(s) determine eligibility as defined above.

II. Identification, Location, and Evaluation

- (2) The developmental delay must adversely affect the student's educational performance.
 - (3) The student with a developmental delay must require special education and related services.
 - (4) The group must determine that the student's primary disability is developmental delay, and not one of the other disability categories. If the student meets the criteria of any other disability category the student must be classified in that specific disability.

 - (d) A general pervasive mood of unhappiness, depression, or anxiety.
 - (e) A tendency to develop physical symptoms or fears associated with personal or school problems.
- (2) *Emotional-behavioral disability* includes schizophrenia. The term does not apply to students who are socially maladjusted, unless it is determined that they have an emotional-behavioral disability. A student may not be identified as having an emotional-behavioral disability if common disciplinary problem behaviors, such as truancy, smoking, or breaking school conduct rules, are the sole criteria for determining the existence of an emotional-behavioral disability.
- (3) *Emotional-behavioral disability* is a term that covers the following two types of behavioral difficulties, which are not mutually exclusive, and which may adversely affect a student's educational performance.

II. Identification, Location, and Evaluation

- (a) *Externalizing* refers to behavior problems that are directed outwardly by the student toward the social environment, and usually involve behavioral excesses.
- (b) *Internalizing* refers to a class of behavior problems that are directed inwardly, and often involve behavioral deficits.

b. Eligibility Criteria.

- (1) A group of qualified professionals and the student's parent(s) or student who is an adult determine eligibility as defined above.

 - (b) The observable emotional and/or behavioral responses of concern are significantly different from same-age peers in terms of frequency, intensity, and/or setting;
 - (c) The observable emotional and/or behavioral responses of concern are not primarily the result of:
 - (i) Intellectual disability;

- (1) Multiple measures (formal and informal) are required for a student suspected of having an intellectual disability, and must include:
 - (a) Intellectual evaluation.
 - (i) An individual test of intelligence must be administered by a qualified examiner as outlined in SpEd Rules II.F. Traditional approaches to assessing cognitive ability may be ineffective for some students who are suspected of having intellectual disabilities. Documentation must be provided which indicates significant subaverage intellectual functioning (generally two standard deviations) on the full-scale score.
 - (ii) If scores (e.g., domain, cluster, and index) are significantly discrepant from each other, further evaluation must be conducted to determine the reason for the discrepancy and to ensure that the student is actually manifesting an intellectual disability.
 - (b) Documentation of significant deficits in academic achievement as measured by achievement tests, classroom academic screenings and additional data (e.g., tests, report cards, cumulative records).

 - (b) A Combination method of:
 - (i) RtI, as described in paragraph 11.b.(1)(a), and

- (3) The student with the speech or language impairment must require special education and related services.
- (4) A student who qualifies in disability categories other than that of speech or language impairment may qualify for speech or language impairment services; however, in order for the student to be classified as having a speech or language impairment, the group must determine that the speech or language impairment is the student's primary disability.
- (5) In order for a student whose primary home language is other than English to be eligible for classification with a speech or language impairment, the group (including an SLP) must determine that the speech or language impairment exists in the student's primary language and is not the result of the student learning English.

- (1) Multiple measures (formal and informal) must be used to assess all areas of suspected deficits. Informal assessment and diagnostic teaching must be part of the full evaluation. Data gathered must include information on the student's developmental history and/or pre-injury learning and educational performance.
- (2) The student's prior medical history which may include a rehabilitative team evaluation, from a qualified health professional, must be on record regarding any specific syndromes, health concerns, medication, and information deemed necessary for planning the student's education program.
- (3) Although other evaluations could be considered, the following areas must be considered for evaluation:

14. Visual Impairment (Including Blindness).

a. Definition.

(1) *Visual impairment (including blindness)* means an impairment in vision that, even with correction, adversely affects a student's educational performance. The term includes both partial sight and blindness that adversely affects a student's educational performance.

b. Eligibility Criteria.

- (1) While the student's vision history, including a recent eye report (conducted within the previous three years) from a qualified eye care professional must be on record (unless the student has an unchanging vision condition), a group of qualified professionals and the student's parent(s) or student who is an adult determine eligibility as defined above.
- (2) The visual impairment must adversely affect the student's educational performance.
- (3) The student with a visual impairment must require special education and related services.
- (4) The group must determine that the visual impairment is the student's primary disability.
- (5) The requirements of these SpEd Rules II.I. must be met.

c. Evaluation.

(1) Multiple measures (formal and informal) must be used to assess all areas of suspected deficits (e.g., educational, adaptive, behavioral, physical).

II. Identification, Location, and Evaluation

- (2) A description of the student's visual impairment and visual capabilities must be on record from a qualified eye care professional.
- (3) A licensed, endorsed teacher of the visually impaired must assess:
 - (a) The kind and extent of instruction needed, based on the student's present level of performance, including the functioning level of the student in adjusting to visual problems and gaining educational and social success.
 - (b) The student's current and future need for instruction in braille or the use of braille.

- (5) The group must consider whether other impairments interfere with the comprehension of visual and/or auditory stimuli (e.g., processing difficulties, reading disabilities).
- (6) The requirements of these SpEd Rules II.D.-H. must be met.

III. IEP DEVELOPMENT AND SERVICE DELIVERY

III.A. INDIVIDUALIZED EDUCATION PROGRAM (IEP)

1. Each LEA and USDB shall develop policies and procedures for the implementation of these IEP requirements, including the Least Restrictive Environment (LRE) requirements, consistent with Part B of the IDEA and these SpEd Rules, as well as Board Rules R277-750, R277-800, and R277-801.

III.B. WHEN IEPs MUST BE IN EFFECT (34 CFR § 300.323)

1. At the beginning of each school year, each LEA must have an IEP in effect for each student with a disability within its jurisdiction.
2. Each LEA must ensure that:
 - a. A meeting to develop an IEP for a student is conducted within 30 calendar days of a determination that the student needs special education and related services; and
 - b. As soon as possible following development of the IEP, special education and related services are made available to the student in accordance with the student's IEP.
 - c. Each LEA must ensure that the student's IEP is:
 - (1) Accessible to each regular education teacher, special education teacher, related service provider, and any other service provider who is responsible for its implementation; and
 - (2) Each teacher and provider is informed of:
 - (a) The teacher's specific responsibilities related to implementing the student's IEP, and
 - (b) The specific accommodations, modifications, and supports that must be provided for the student in accordance with the IEP.
3. Documentation of IEP implementation shall be provided to USBE upon request.

III.C. STUDENTS WHO TRANSFER (34 CFR § 300.323)

1. Transfers within Utah.
 - a. In the case of a student with a disability with a current IEP who transfers from one LEA to another within the State within the same school year and enrolls in a new school, the LEA, in consultation with the parent(s) or student who is an adult, must provide a FAPE to the student, including services comparable to those described in the previously held IEP, until such time as the new LEA:
 - (1) Adopts the previously held IEP, or
 - (2) Develops, adopts, and implements a new IEP that is consistent with Federal regulations and these SpEd Rules.
 - b. The requirements of 34 CFR § 300.323 also apply for students transferring from an LEA placement to a local juvenile or adult correctional facility or temporary State placement for observation and assessment.
2. Transfers from out of State.
 - a. In the case of a student with a disability with a current IEP who transfers LEAs within the same school year, who enrolls in a new school, and who has an IEP that was in effect in another State, the LEA, in consultation with the parent(s) or student who is an adult, must provide the student with a FAPE, including services comparable to those described in the previously held IEP, until the new LEA:
 - (1) Conducts an evaluation, if determined to be necessary by the LEA;
and
 - (2) Develops a new IEP, if appropriate, that is consistent with Federal and State law.
 - b. The evaluation for eligibility that may be conducted by the receiving LEA is considered an initial evaluation, not a reevaluation (71 Federal Register 4668-82).
3. To facilitate the transition for a student described above:

III. IEP Development and Service Delivery

- a. The new LEA in which the student enrolls must take reasonable steps to promptly obtain the student's records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the student, from the previous LEA in which the student was enrolled; and
 - b. The previous LEA in which the student was enrolled must take reasonable steps to promptly respond to the request from the new LEA.
 - c. The LEA transferring the records must keep a copy of the records for at least three years after the transfer as outlined in Rule VIII.S.
4. Experiencing difficulty in obtaining the IEP from the previous LEA does not relieve the LEA where the student is currently enrolled of its obligation to have a current IEP in place for a student who is eligible.

III.D. LEA RESPONSIBILITY FOR IEP MEETINGS (34 CFR § 300.323(c)(1))

1. Each LEA is responsible for initiating and conducting meetings for the purpose of developing, reviewing, and revising the IEP of a student with a disability age 3–21, consistent with these SpEd Rules.

 - f. An individual who can interpret the instructional implications of evaluation results, who may be a member of the team described in this section of these SpEd Rules;
 - g. At the discretion of the parent or student who is an adult or the LEA, other individuals who have knowledge or special expertise regarding the student, including related services personnel as appropriate; and
 - h. Whenever appropriate, the student with a disability.
 - i. The determination of knowledge or special expertise of any individual described in these SpEd Rules III.E.6 above must be made by the party (parents or student who is an adult or LEA) who invited the individual to be a member of the IEP Team.
 - j. If a purpose of the IEP Team meeting is consideration of the postsecondary goals for the student and the postsecondary transition services needed to assist the student in reaching those goals, the LEA must invite the student with a disability to attend the student's IEP meeting. If the student does not attend the IEP meeting, the LEA must take other steps to ensure that the student's preferences and interests are considered.
 - k. To the extent appropriate, with the written consent of the parents or student who is an adult, the LEA must invite a representative of any

III. IEP Development and Service Delivery

participating agency that is likely to be responsible for providing or paying for postsecondary transition services.

- I. Signatures on an IEP denote participation of IEP Team members in the development of the IEP.

III.F. IEP TEAM ATTENDANCE (34 CFR § 300.321)

1. A required member of the IEP Team is not required to attend a particular IEP Team meeting, in whole or in part, if the parents of a student with a disability or student who is an adult and the LEA agree, in writing, that the attendance of the member is not necessary because the member's area of the curriculum or related services is not being modified or discussed in the meeting.
2. A required member of the IEP Team may be excused from attending an IEP meeting, in whole or in part, when the meeting involves a modification to or discussion of the member's area of the curriculum or related services, if:
 - a. The parents or student who is an adult, in writing, and the LEA consent to the excusal; and
 - b. The member submits, in writing, to the parents or student who is an adult and the IEP Team, input into the development of the IEP prior to the meeting.

III.G. PARENT PARTICIPATION (34 CFR § 300.322)

1. Each LEA must take steps to ensure that one or both of the parents of a student with a disability or the student who is an adult are present at each IEP meeting or are afforded the opportunity to participate, including:
 - a. Notifying parents or student who is an adult of the meeting early enough to ensure that they will have an opportunity to attend; and
 - b. Scheduling the meeting at a mutually agreed-on time and place.
2. If the parents or student who is an adult cannot attend, the LEA must use other methods to ensure participation of the parents or the student who is an adult, including individual or conference telephone calls. The parents of a student with a disability or the student who is an adult and an LEA may agree to use

III. IEP Development and Service Delivery

alternative means of meeting participation, such as video conferences and conference calls (34 CFR § 300.328).

3. A meeting may be conducted without a parent or the student who is an adult in attendance if the LEA is unable to convince the parent(s) or the student who is an adult that they should attend. In this case, the LEA must keep a record of its attempts to arrange a mutually agreed-on time and place, such as:
 - a. Detailed records of telephone calls made or attempted and the results of those calls;
 - b. Copies of correspondence sent to the parents or student who is an adult and any responses received; and
 - c. Detailed records of visits made to the parents' or student who is an adult home or place of employment and the results of those visits.
4. The LEA must take whatever action is necessary to ensure that the parent(s) or student who is an adult understands the proceedings of the IEP Team meeting, including arranging for an interpreter for parent(s) or student who is an adult with deafness or whose native language is other than English.
 - a. Under UCA 35A-13-604, an individual is required to be certified as an interpreter if that individual provides interpreter services for deaf and hard of hearing individuals.
 - b. An individual providing interpreting services other than those for deaf and hard of hearing individuals shall be trained.
5. The parent(s) of a student with a disability or student who is an adult are participants along with school personnel in developing, reviewing, and revising the IEP for their student. This is an active role in which the parent(s) or student who is an adult:
 - a. Provide critical information regarding the strengths of the student and express their concerns for enhancing the education of the student;
 - b. Participate in the discussion of the student's need for special education and related services, and supplementary aids and services; and
 - c. Join with other participants in deciding how the student will be involved and progress in the general curriculum, how the student will participate in

III. IEP Development and Service Delivery

State- and LEA-wide assessments, and what services the LEA will provide to the student and in what setting.

6. The LEA must give the parent(s) or adult student a copy of the student's IEP at no cost to the parent(s) or student who is an adult.

III.H. NOTICE OF MEETING (34 CFR § 300.322)

1. The notice of meeting required to be provided to the parent(s) or student who is an adult must:
 - a. Indicate the purpose, time, and location of the meeting and who will be in attendance; and
 - b. Inform the parent(s) or student who is an adult of the provision for participation of other individuals who have knowledge or special expertise about the student on the IEP Team.
 - c. Inform the parent(s) that at their request the Part C service coordinator or other representatives of the Part C system may be invited to participate at the initial IEP Team meeting for a student previously served under Part C of the IDEA.
2. For a student with a disability, ages 14 and older, or younger if determined appropriate by the IEP Team, the IEP notice of meeting also must:
 - a. Indicate that a purpose of the meeting will be the consideration of the postsecondary goals and postsecondary transition services for the student; and
 - b. Indicate that the LEA will invite the student; and
 - c. Identify any other agency that will be invited, with parental or student who is an adult consent, to send a representative.
3. When conducting IEP Team meetings and placement meetings and carrying out administrative matters, the parent(s) of a student with a disability or student who is an adult and an LEA may agree to use alternative means of meeting participation such as video conferences and conference calls (34 CFR § 300.328).

III.I. DEVELOPMENT, REVIEW, AND REVISION OF THE IEP (34 CFR § 300.324)

1. Development, review, and revision of the IEP.
 - a. In developing each student's IEP, the IEP Team must consider:
 - (1) The strengths of the student;
 - (2) The concerns of the parent(s) or adult student for enhancing the education of the student;
 - (3) The results of the initial or most recent evaluation of the student, and
 - (4) The academic, developmental, and functional needs of the student.
 - b. The IEP Team, in conducting a meeting to develop, review and, if appropriate, revise a student's IEP, must consider the following special factors:
 - (1) In the case of a student with limited English proficiency (LEP), consider the language needs of the student as those needs relate to the student's IEP;
 - (2) In the case of a student who is blind or visually impaired, provide for instruction in braille and the use of braille unless the IEP Team determines, after an evaluation of the student's reading and writing skills, needs, and appropriate reading and writing media (including an evaluation of the student's future needs for instruction in braille or the use of braille), that instruction in braille or the use of braille is not appropriate for the student;
 - (a) Prior to determining whether a student who is blind should use braille as the primary reading mode, the student's IEP Team must be provided (through pertinent literature or discussions with competent braille users and educators, or both) with detailed information about the use and efficiency of braille as a reading medium, in order to make an informed choice as to the student's primary reading.
 - (3) Consider the communication needs of the student and, in the case of a student who is deaf or hard of hearing, consider the student's language and communication needs, opportunities for direct

III. IEP Development and Service Delivery

communication with peers and professional personnel in the student's language and communication mode, academic level, and full range of needs, including opportunities for direct instruction in the student's language and communication mode;

- (4) Consider whether the student needs assistive technology devices and services in school and on a case-by-case basis, in a student's home or other setting; and
- (5) In the case of a student whose behavior impedes the student's learning or that of others, consider the use of positive behavior interventions and supports, and other strategies (e.g., conduct a functional behavior assessment, develop a behavior intervention plan), to address that behavior.
 - (a) When making decisions on behavior interventions, the IEP Team must refer to the USBE Technical Assistance (TA) manual that outlines the Least Restrictive Behavior Interventions (LRBI) for information on research-based intervention procedures.
 - (i) Emergency safety interventions may only be included in an IEP as a planned intervention when the IEP Team agrees that less restrictive means which meet circumstances in Board Rules R277-608 have been attempted, an FBA has been conducted, and a BIP based on data analysis has been developed and implemented (Board Rules R277-609).
 - (b) The purpose of the LRBI related to the use of positive behavior supports and behavior interventions in schools is to:
 - (i) Protect the safety and well-being of all students;
 - (ii) Provide protection for students, teachers, other school personnel, and LEAs; and
 - (iii) Ensure that parent(s) or students who is an adult are involved in the consideration and selection of behavior interventions to be used.
 - (c) When an emergency situation occurs that requires the immediate use of an emergency safety intervention to protect the student or

III. IEP Development and Service Delivery

others from harm, the staff shall comply with requirements in Board Rules R277-609 with regards to time limitations and parental or student who is an adult notification.

- (d) As appropriate, the student should receive an FBA and behavior intervention services and modifications that are designed to address the behavior (34 CFR § 300.530(d)(1)(ii)).
 - c. If, in considering the special factors described above, the IEP Team determines that a student needs a particular device or services for educational purposes (including an intervention, accommodation, or other program modification) in order for the student to receive a FAPE, the IEP Team must include a statement to that effect in the student's IEP.
 - d. A regular education teacher of a student with a disability, as a member of the IEP Team, must, to the extent appropriate, participate in the development of the IEP of the student, including the determination of:
 - (1) Appropriate positive behavior interventions and supports and other strategies for the student; and
 - (2) Supplementary aids and services, program modifications, and support for school personnel consistent with the IEP.
2. Changes to the IEP.
- a. In making changes to a student's IEP after the annual IEP Team meeting for a school year, the parent(s) of a student with a disability or student who is an adult and the LEA may agree not to convene an IEP meeting for the purposes of making those changes, and instead may develop a written document to amend or modify the student's current IEP.
 - (1) The LEA shall convene a meeting with the IEP Team regarding material or substantial changes to the IEP (e.g., the amount of service time, change in placement, termination of services).
 - b. Upon request, the parent(s) or student who is an adult must be provided with a revised copy of the IEP with the amendments incorporated.

III. IEP Development and Service Delivery

- c. If changes are made to the student's IEP through the amendment process, the LEA must ensure that the student's IEP Team is informed of those changes.
3. To the extent possible, the LEA must encourage the consolidation of reevaluation meetings and other IEP Team meetings for the student (34 CFR § 300.324(a)(5)).
4. Review and revision of the IEP.
 - a. Each LEA must ensure that the IEP Team:
 - (1) Reviews the student's IEP periodically, but not less than annually, to determine whether the annual goals for the student are being achieved; and
 - (2) Revises the IEP, as appropriate, to address:
 - (a) Any lack of expected progress toward the annual goals in the IEP and in the general education curriculum, if appropriate;
 - (b) The results of any reevaluation;
 - (c) Information about the student provided to, or by, the parent(s) or adult student;
 - (d) The student's anticipated needs; or
 - (e) Other matters.
 - (3) In conducting a review of the student's IEP, the IEP Team must consider the special factors in these SpEd Rules III.I.1.b.
 - (4) A regular education teacher of the student, as a member of the IEP Team, must participate in the review and revision of the IEP of the student, if the student is or may be participating in the general education classroom.
 - (5) If a participating agency, other than the LEA, fails to provide the postsecondary transition services described in the IEP, the LEA must reconvene the IEP Team to identify alternative strategies to meet the postsecondary transition objectives for the student set out in the IEP.

- (6) Nothing in this part relieves any participating agency, including a State vocational rehabilitation agency, of the responsibility to provide or pay for any postsecondary transition service that the agency would otherwise provide to students with disabilities who meet the eligibility criteria of that agency.

III.J. DEFINITION OF THE INDIVIDUALIZED EDUCATION PROGRAM (IEP) (34 CFR § 300.320)

1. The term *individualized education program* (IEP) means a written statement for each student with a disability that is developed, reviewed, and revised in a meeting. The IEP is designed to meet the student's unique needs based on their disability, and prepare them for further education, employment, and independent living.
2. The IEP must include:
 - a. A statement of the student's present levels of academic achievement and functional performance (PLAAFP), including:
 - (1) How the student's disability affects the student's involvement and progress in the general education curriculum (i.e., the same grade-level curriculum as for students who are non-disabled); or
 - (2) For students in preschool, as appropriate, how the disability affects the student's participation in appropriate activities; and
 - (3) For students who are blind, the results obtained from a braille-related or braille skills assessment;
 - b. A statement of measurable annual goals , that describes what the student is reasonably expected to accomplish in a year and the conditions in which the goals will be performed, including academic and functional goals designed to:

 - (2) A description of benchmarks or short-term objectives for each annual goal;
- e. A description of:
 - (1) How the student's progress toward meeting the annual IEP goals will be measured; and

- f. A statement of the special education and related services and supplementary aids and services (including assistive technology), based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student:
 - (1) To advance appropriately toward attaining the annual goals;
 - (2) To be involved in and make progress in the grade-level general education curriculum, and to participate in extracurricular and other nonacademic activities; and

III. IEP Development and Service Delivery

- (3) To be educated and participate with other similar-aged students with disabilities and non-disabled students in the activities described in this section;
- g. An explanation of the extent, if any, to which the student will not participate with similar-aged non-disabled students in the regular education environment and in the activities described in this section;
- h. A statement of:
 - (1) Any individual appropriate accommodations that are necessary to measure the academic achievement and functional performance of the student on all grade-level State- and LEA-wide assessments; and
 - (2) If the IEP Team determines that the student must take an alternate assessment instead of a particular regular State- or LEA-wide assessment of student achievement, a statement of why:
 - (a) The student cannot participate in the regular assessment; and
 - (b) The particular alternate assessment selected is appropriate for the student; and
- i. The projected date for the beginning of the services and modifications, and the anticipated frequency, location, and duration of those services and modifications.
- j. A statement of school to post-school transition services.
 - (1) For a student with a disability, ages 14 and older, or younger if determined appropriate by the IEP Team, and updated annually thereafter, the IEP must include:

- k. Transfer of rights at age of majority.

III. IEP Development and Service Delivery

- (1) Beginning not later than one year before the student reaches the age of majority (age 18 in Utah), the IEP must include a statement that the student has been informed of the student's rights under Part B of the IDEA that will transfer to the student on reaching the age of majority. The transfer of rights also occurs upon notification to the LEA that a student has married or become emancipated before age 18.
- l. Nothing in this section shall be construed to require that additional information be included in a student's IEP beyond what is explicitly required in Section 614 of Part B of the IDEA, or require the IEP Team to include information under one component of a student's IEP that is already contained under another component of the student's IEP.
- m. IEP Teams should discuss and address, if appropriate, student participation in not only the grade-level Utah Core Standards, but other general education activities and courses (e.g., health and maturation, suicide prevention), as well as the Statewide Online Education Program (SOEP) or other online, distance, blended, or competency-based courses, as well as courses taken through Career and Technical Education (CTE) programs and concurrent enrollment. Students with disabilities may require special education and related services and accommodations for equitable participation, in conjunction with Part B of the IDEA, these Rules, and Board Rules R277-418, R277-713, and R277-726.

III.K. IEP AND SERVICES FOR PRESCHOOL STUDENTS AGES THREE THROUGH FIVE

1. IEP Development and Contents (34 CFR § 300.323):
 - a. In developing the IEP for a student with a disability age 3–5 or, at the discretion of the LEA, a two-year-old student with a disability who will turn age three during the school year, the IEP Team must consider the contents of an IFSP that contains the natural environments statement and an educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills.
 - b. The IFSP may not serve as the IEP of the student.
 - c. The LEA must develop an IEP for the student in accordance with the procedures in these SpEd Rules.

III. IEP Development and Service Delivery

2. Services for students with disabilities ages 3–5, served in preschool programs of the LEA, are to be provided consistent with these SpEd Rules including consideration of the continuum of alternative placement options (34 CFR § 300.124).
3. Preschool transition planning for students referred from Part C providers must be conducted consistent with the State’s current interagency preschool transition agreement with Part C. This planning shall be implemented at least 90 calendar days, as required by Part C regulations 637(a)(9), before the student is eligible for the preschool program under Part B of the IDEA in accordance with these SpEd Rules. Each LEA will participate in the preschool transition planning meeting arranged by the lead agency for the Part C program (34 CFR § 300.124).
4. Services for students age three.
 - a. By the eligible student’s third birthday, the LEA must ensure that an IEP has been developed and is being implemented for the student (34 CFR § 300.124(b)).
 - b. If a student’s third birthday occurs after the end of the school year, the LEA must ensure that an IEP has been developed, and the student’s IEP Team shall determine the date in the next school year when services under the IEP will begin, except that the IEP Team may determine that extended school year services are needed outside the school year.
5. Students counted under the preschool program who are being served by Head Start must meet all of the requirements in these SpEd Rules, including the eligibility criteria and provision of a FAPE.

III.L. PHYSICAL EDUCATION (34 CFR § 300.108)

1. Physical education services, specially designed if necessary, must be made available to every student with a disability receiving a FAPE, unless the LEA enrolls students without disabilities and does not provide physical education to students without disabilities in the same grades.
2. Each student with a disability must be afforded the opportunity to participate in the regular physical education program available to students who are nondisabled unless:

III. IEP Development and Service Delivery

- a. The student is enrolled full time in a separate facility; or
 - b. The student needs specially designed physical education, as prescribed in the student's IEP.
3. If specially designed physical education (e.g., adapted physical education) is prescribed in a student's IEP, the LEA responsible for the education of that student must provide the services directly or make arrangements for those services to be provided through other public or private programs.
 4. The LEA responsible for the education of a student with a disability who is enrolled in a separate facility must ensure that the student receives appropriate physical education services.

and
 - b. Meet the standards of the USBE in Board Rules R277-751.
2. Each LEA shall ensure that:
 - a. Extended school year services are available as necessary to provide FAPE, consistent with these SpEd Rules and considered for each individual student with a disability during an IEP, based upon a review of multiple data sources and factors.
 - b. ESY student programs are provided in the least restrictive environment.
 - c. ESY teachers and paraeducators meet USBE's and IDEA requirements.
3. Extended school year services must be provided only if a student's IEP Team determines, on an individual basis, that the services are necessary for the provision of a FAPE to the student. The annual IEP shall reflect the IEP Team's decision regarding the need for ESY services.
 - a. Parent(s) or the student who is an adult shall be provided with prior written notice of proposal or refusal to provide ESY services.
 - b. If determined as eligible for ESY services, the IEP Team shall determine the appropriate ESY program, based on the student's individual needs.
 - c. ESY eligibility decisions and prior written notice of ESY programs shall be provided to parent(s) or student who is an adult in sufficient time to permit accessing dispute resolution options of the procedural safeguards, in the event of a dispute.
4. In implementing the requirements of this section, an LEA may not:
 - a. Limit extended school year services to particular categories of disability, age, or grade level;
 - b. Unilaterally limit the type, amount, or duration of those services; or
 - c. Limit data consideration by IEP Teams to only an analysis of regression and recoupment.

III.O. LEAST RESTRICTIVE ENVIRONMENT (LRE) (34 CFR § 300.114)

1. Each LEA must ensure that:
 - a. To the maximum extent appropriate, students with disabilities, including students in public or private institutions or other care facilities (e.g., nursing homes), are educated with similar-aged students who are nondisabled; and
 - b. Special classes, separate schooling, or other removal of students with disabilities from the regular educational environment occurs only if the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. In the case of a student who is deaf or hard of hearing, consideration of a special class or school may be the least restrictive environment in that it provides opportunities for direct communication and instruction in the student's language and communication mode with professional personnel and peers.
 - c. LRE provisions apply to transition programs (i.e., preschool and postsecondary) and placement.
2. A state funding mechanism must not result in placements that violate the LRE requirements of these SpEd Rules III.P.–S.
3. A state must not use a funding mechanism by which the state distributes funds on the basis of the type of setting in which a student is served that will result in the failure to provide a student with a disability a FAPE according to the unique needs of the student, as described in the student's IEP.

III.P. INCLUSIONARY PRACTICES TO PROVIDE A FULL EDUCATIONAL OPPORTUNITY (34 CFR § 300.109)

1. The LEA must develop inclusionary practices that include the components in the definition using evidence-based practices. LEA's may benefit from USBE Technical Assistance, and other resources.

III.Q. CONTINUUM OF ALTERNATIVE PLACEMENTS (34 CFR § 300.115)

1. Each LEA must ensure that a continuum of alternative placements is available to meet the needs of students with disabilities for special education and related services.
2. The continuum required must:
 - a. Include the following alternative placements for instruction:
 - (1) Regular classes,
 - (2) Special classes,
 - (3) Special schools,
 - (4) Home instruction, and
 - (5) Instruction in hospitals and institutions; and
 - b. Make provision for supplementary services (such as resource room or itinerant instruction) to be provided in conjunction with regular class placement.

III.R. PLACEMENTS (34 CFR § 300.116)

1. In determining the educational placement of a student with a disability, including a preschool or postsecondary transition-aged student with a disability, each LEA must ensure that:
 - a. The placement decision:
 - (1) Is made by a group of persons, including the parent(s) or student who is an adult and other persons knowledgeable about the student, the meaning of the evaluation data, and the placement options; and
 - (2) Is made in conformity with the LRE provisions above.
 - b. The student's placement:
 - (1) Is determined at least annually;
 - (2) Is based on the student 's IEP; and
 - (3) Is as close as possible to the student 's home;

III. IEP Development and Service Delivery

- c. Unless the IEP of a student with a disability requires some other arrangement, the student is educated in the school that the student would attend if nondisabled;
- d. In selecting the LRE, consideration is given to any potential harmful effect on the student or on the quality of services that the student needs; and
- e. A student with a disability is not removed from education in age-appropriate regular classrooms solely because of needed modifications in the general education curriculum.

III.S. PARENTAL INVOLVEMENT IN PLACEMENT DECISIONS (34 CFR §§ 300.327, 300.501)

1. Each LEA shall ensure that the parent(s) of each student with a disability or adult student are members of any group that makes decisions on the educational placement of the parent's student or the student who is an adult (SpEd Rules IV.B).
2. In implementing this requirement, each LEA shall use procedures for parent or student who is an adult involvement in placement decisions consistent with those used for parent participation in IEP meetings.
3. If neither parent or the student who is an adult can participate in a meeting in which a decision is to be made relating to the educational placement of the student, the LEA shall use other methods to ensure their participation, including individual or conference telephone calls or video conferencing.
4. A group may make a placement decision without the involvement of the parent(s) or student who is an adult if the LEA is unable to obtain either parent's or student who is an adult participation in the decision. In this case, the LEA must have a record of its attempts to ensure their involvement.

III.T. NONACADEMIC SETTINGS AND EXTRACURRICULAR ACTIVITIES (34 CFR § 300.117 AND UCA 53G-6-709)

1. In providing or arranging for the provision of nonacademic and extracurricular services and activities, including meals, recess periods, and the services and activities in these SpEd Rules III.V, each LEA must ensure that each student with a disability participates with students who are nondisabled in the

III. IEP Development and Service Delivery

extracurricular services and activities to the maximum extent appropriate to the needs of that student.

2. The LEA must ensure that each student with a disability has the supplementary aids and services determined by the student's IEP Team to be appropriate and necessary for the student to participate in nonacademic settings.
3. A student with a disability (under the age of 22 who has not graduated from high school with a regular high school diploma, whose IEP Team recommends participation) may not be denied the opportunity of participating in public school programs or extracurricular activities solely because of the student's age, unless the participation threatens the health or safety of the student. The school district or charter school, in cooperation with the Utah Department of Health, shall establish criteria used to determine the health and safety factor (UCA 53G-6-709).

III.U. NONACADEMIC SERVICES (34 CFR § 300.107)

1. Each LEA must take steps, including the provision of supplementary aids and services determined appropriate and necessary by the student's IEP Team, to provide nonacademic and extracurricular services and activities in the manner necessary to afford students with disabilities an equal opportunity for participation in those services and activities.
2. Nonacademic and extracurricular services and activities may include counseling services, athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the LEA, referrals to agencies that provide assistance to individuals with disabilities, and employment of students, including both employment by the LEA and assistance in making outside employment available.

**IV. PROCEDURAL SAFEGUARDS & DUE PROCESS
PROCEDURES FOR PARENT(S) AND STUDENTS (IDEA
SUBPART E)**

1. Consistent with the requirements of Part B of the IDEA and these SpEd Rules, each LEA shall establish, maintain, and implement procedural safeguards for students with disabilities and their parent(s) or student who is an adult. (34 CFR § 300.500).

**IV.A. PARENTAL OPPORTUNITY TO EXAMINE RECORDS AND PARTICIPATE IN MEETINGS (34
CFR § 300.501)**

1. Opportunity to examine records.
 - a. The parent(s) of a student with a disability or student who is an adult must be afforded, in accordance with these SpEd Rules, an opportunity to inspect and review all education records with respect to the identification, evaluation, and educational placement of the student and the provision of a FAPE to the student.
2. Parent participation in meetings.
 - a. The parent(s) of a student with a disability or student who is an adult must be afforded an opportunity to participate in meetings with respect to the identification, evaluation, and educational placement of the student and the provision of a FAPE to the student.
 - b. Each LEA must provide notice, consistent with these SpEd Rules, to ensure that parents of students with disabilities or students who are adults have the opportunity to participate in meetings.
 - c. A meeting does not include informal or unscheduled conversations involving LEA personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provision. A meeting also does not include preparatory activities that LEA personnel engage in to develop a proposal or a response to a parent or student who is an adult proposal that will be discussed at a later meeting.
3. Parent involvement in placement decisions.

IV. Procedural Safeguards and Due Process Procedures

- a. Each LEA must ensure that a parent of each student with a disability or student who is an adult is a member of any group that makes decisions on the educational placement of the parent's student (34 CFR § 300.327), including notifying the parent(s) or student who is an adult of the meeting early enough to ensure that they will have an opportunity to attend and scheduling the meeting at a mutually agreed-on time and place (34 CFR § 300.322(a)).
- b. The notice of meeting must indicate the purpose(s), time, and location of the meeting, who will be in attendance, and inform the parents or student who is an adult of their right to bring other individuals who have knowledge or special expertise about the student (34 CFR § 300.322(b)).
- c. If neither parent or the student who is an adult can participate in a meeting in which a decision is to be made relating to the educational placement of the student, the LEA must use other methods to ensure their participation, including individual or conference telephone calls or video conferencing.
- d. A placement decision may be made by a group without the involvement of a parent or student who is an adult if the LEA is unable to obtain the parents or student who is an adult participation in the decision. In this case, the LEA must have a record of its attempt to ensure their involvement.

IV.B. INDEPENDENT EDUCATIONAL EVALUATION (34 CFR § 300.502)

1. Definitions.
 - a. *Independent educational evaluation* (IEE) means an evaluation conducted by a qualified examiner who is not employed by the LEA responsible for the education of the student in question.
 - b. *Public expense* means that the LEA either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent or student who is an adult.
2. Each LEA shall establish and implement policies and procedures related to independent educational evaluation that meet the requirements of Part B of the IDEA and these SpEd Rules.

IV. Procedural Safeguards and Due Process Procedures

3. The following requirements must be addressed:
 - a. The parents of a student with a disability or student who is an adult have the right to obtain an IEE of the student at public expense if they disagree with an evaluation obtained by the LEA.
 - b. The LEA must provide to the parents or student who is an adult, upon request for an IEE, information about where an IEE may be obtained and the LEA criteria applicable for IEEs.
 - c. If a parent or student who is an adult requests an IEE at public expense, the LEA must, without unnecessary delay, either:
 - (1) File a request for a due process complaint and hearing to show that its evaluation is appropriate; or
 - (2) Ensure that an IEE is provided at public expense, unless the LEA demonstrates in a due process hearing that the evaluation obtained by the parent or student who is an adult did not meet LEA criteria.
 - d. If the LEA files a due process complaint and request for hearing, and the final decision is that the LEA's evaluation is appropriate, the parent or student who is an adult still has the right to an IEE, but not at public expense.
 - e. If a parent or student who is an adult requests an IEE, the LEA may ask for the parents' or student who is an adult's reason why there is an objection to the public evaluation. However, the explanation by the parent or student who is an adult may not be required and the LEA may not unreasonably delay either providing the IEE at public expense or requesting a due process hearing to defend the public evaluation.
 - f. A parent or student who is an adult is entitled to only one IEE at public expense each time the LEA conducts an evaluation with which the parent or student who is an adult disagrees.
 - g. If the parent or student who is an adult either obtains an IEE at public expense or shares an evaluation obtained at private expense with the LEA, the results of the evaluation:

IV. Procedural Safeguards and Due Process Procedures

- (1) Must be considered by the LEA, in any decision made with respect to the provision of a FAPE to the student provided that the IEE meets LEA criteria; and
 - (2) May be presented by any party as evidence at a hearing on a due process complaint regarding that student.
- h. If a hearing officer requests an IEE as part of a due process hearing, the cost of the evaluation must be at public expense.
 - i. If an IEE is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the LEA uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's or student who is an adult right to an IEE.
 - j. Except for the criteria described above, an LEA may not impose additional conditions or timelines related to obtaining an IEE at public expense.
4. An IEE conducted at the LEA's expense becomes the property of the LEA, in its entirety.

IV.C. PRIOR WRITTEN NOTICE (34 CFR § 300.503)

1. Prior written notice must be given to the parents of a student with a disability or student who is an adult a reasonable time before the LEA:
 - a. Proposes to initiate or change the identification, evaluation, or educational placement of the student or the provision of a FAPE to the student; or
 - b. Refuses to initiate or change the identification, evaluation, or educational placement of the student or the provision of a FAPE to the student.
2. The notice required must include:
 - a. A description of the action proposed or refused by the LEA;
 - b. An explanation of why the LEA proposes or refuses to take the action;
 - c. A description of each evaluation procedure, assessment, record, or report the LEA used as a basis for the proposed or refused action;

IV. Procedural Safeguards and Due Process Procedures

- d. A statement that the parent(s) of a student with a disability or student who is an adult have protection under the procedural safeguards of Part B of the IDEA and, if this notice is not an initial referral for evaluation, the means by which a copy of a description of the procedural safeguards can be obtained;
 - e. Sources for the parent(s) or student who is an adult to contact to obtain assistance in understanding the provisions of Part B of the IDEA;
 - f. A description of other options that the IEP Team considered and the reasons why those options were rejected; and
 - g. A description of other factors that are relevant to the LEA's proposal or refusal.
3. The notice must be:
- a. Written in language understandable to the general public; and
 - b. Provided in the native language of the parent or student who is an adult or other mode of communication used by the parent or student who is an adult, unless it is clearly not feasible to do so.
 - (1) If the native language or other mode of communication of the parent or student who is an adult is not a written language, the LEA must take steps to ensure that:
 - (a) The notice is translated orally or by other means to the parent or student who is an adult in the parent's or student who is an adult native language or other mode of communication;
 - (b) The parent or student who is an adult understands the content of the notice; and
 - (c) There is written evidence that the requirements above have been met.

IV.D. PROCEDURAL SAFEGUARDS NOTICE (34 CFR § 300.504)

1. A copy of the procedural safeguards available to the parent(s) of a student with a disability or student who is an adult must be given to the parent(s) or student

IV. Procedural Safeguards and Due Process Procedures

who is an adult only one time a year, except that a copy also must be given to the parent(s) or student who is an adult:

- a. Upon initial referral or parent or student who is an adult request for evaluation;
 - b. Upon receipt of the first State complaint or a due process complaint in that school year;
 - c. In accordance with the discipline procedures in 34 CFR § 300.530(h) and these SpEd Rules V.F.; and
 - d. Upon request by a parent or student who is an adult.
2. An LEA may place a current copy of the procedural safeguards notice on its website if a website exists.
3. The procedural safeguards notice must include a full explanation of all the procedural safeguards relating to:
- a. Independent educational evaluations;
 - b. Prior written notice;
 - c. Parental or student who is an adult consent;
 - d. Access to educational records;
 - e. The opportunity to present and resolve complaints through the due process complaint and State complaint procedures, including:
 - (1) The time period in which to file a due process complaint or State complaint;
 - (2) The opportunity for the agency to resolve the due process hearing complaint or State complaint; and
 - (3) The difference between the due process complaint and the State complaint procedures, including the jurisdiction of each procedure, what issues may be raised, filing and decisional timelines, and relevant procedures;
 - f. The availability of mediation;

IV. Procedural Safeguards and Due Process Procedures

- g. The student's placement during pendency of hearings on due process complaints;
 - h. Procedures for students who are subject to placement in an interim alternative educational setting (IAES);
 - i. Requirements for unilateral placement by parent(s) of students or by a student who is an adult in private schools at public expense;
 - j. Hearings on due process complaints, including requirements for disclosure of evaluation results and recommendations;
 - k. State-level appeals;
 - l. Civil actions, including the time period in which to file those actions; and
 - m. Attorneys' fees.
4. The notice required must be in language understandable to the parent(s) or student who is an adult as set forth in 34 CFR § 300.503(c) and these SpEd Rules IV.C.3.
 5. A parent of a student with a disability or student who is an adult may elect to receive prior written notice, procedural safeguards notice, and prior written notice following a due process complaint pursuant to SpEd Rules IV.H.6 by an electronic mail communication, if the LEA makes that option available (34 CFR § 300.505).

IV.E. STATE COMPLAINT PROCEDURES (34 CFR §§ 300.151–153)

1. The USBE has adopted procedures for resolving any State complaint under Part B of the IDEA and these SpEd Rules, including a State complaint filed by an organization or individual from another state. The State complaint must be filed with the USBE's State Director of Special Education in person, by U.S. Mail, or by fax, and include the name of the school district, charter, or other public agency in the State that provides special education and related services to students with disabilities ("LEA or other public agency") in which the alleged violation occurred. The party filing the complaint must also forward a copy to the LEA or other public agency. If the complainant(s) are unable to file in writing, they may contact the LEA or other public agency or State Director of Special Education for assistance.

IV. Procedural Safeguards and Due Process Procedures

- a. Upon receipt of a State complaint by either the LEA (or other public agency) or the State Director of Special Education, the receiving party will notify the other agency within one business day, to ensure coordination of the process and copies received by both. The State complaint timeline begins when both parties have received copies.
 - (1) Any State complaint submitted on a weekend, holiday, or other non-business day will be processed and considered received the following business day.
 - (2) Any State complaint received after 5:00 pm mountain time on a business day will be processed and considered received on the following business day.
- b. If a State complaint is filed by an organization or individual other than a parent or adult student on their own behalf, consent from a parent or adult student must be obtained before USBE may provide personally identifiable information about a student to a non-parent or non-adult student complainant as part of the State complaint decision. Consent must be written, dated, and signed by a parent or student who is an adult. 34 CFR §§ 99.30 and 300.622.
 - (1) If possible, personally identifiable information and other information relating to specific student(s) shall be redacted prior to issuing a decision to complainants who are not parents or student who is an adult unless USBE has received written consent to share such information in accordance with SpEd Rules.
 - (2) Because the State complaint resolution may likely involve a student's personally identifiable information, it may not be possible for the USBE's State complaint decision to be issued to a non-parent complainant if USBE does not receive parental consent to share such information. USBE will make this determination on a case-by-case basis but will not withhold relevant non-personally identifiable information from a complainant regarding the results of the USBE's State complaint resolution.
 - (3) Even if USBE is not able to issue a written decision to a complainant because of its personally identifiable nature, USBE still must ensure

IV. Procedural Safeguards and Due Process Procedures

that it resolves the State complaint, issues a written decision to the parent of the student in question or the student who is an adult that addresses each allegation in the State complaint, and ensures timely implementation of its written decision, including, if appropriate, corrective actions to achieve compliance and remedies for the denial of appropriate services. 34 CFR §§ 300.152(b)(2) and 300.151(b).

2. The State complaint must include the following:
 - a. A statement that the LEA or other public agency has violated a requirement of Part B of the IDEA or these SpEd Rules.
 - b. The facts on which the statement is based.
 - c. The signature and contact information for the complainant.
 - d. If alleging violations with respect to a specific student:
 - (1) The name and address of the residence of the student;
 - (2) The name of the school the student is attending;
 - (3) In the case of a student experiencing homelessness, available contact information for the student and the name of the school the student is attending;
 - (4) A description of the nature of the problem of the student, including facts relating to the problem; and
 - (5) A proposed resolution of the problem to the extent known and available to the party at the time the complaint is received as described in these SpEd Rules IV.E.2.
 - e. The USBE may dismiss a submission purporting to be a State complaint that does not include all of the required content above in SpEd Rules IV.3.a.–d. In the event that the USBE dismisses a submission purporting to be a State complaint, the USBE will notify the complainant, LEA or other public agency, and parent(s) or student who is an adult (if not the complainant and contact information is available) in a notification within five business days of receipt of the submission. Notification will be in writing and sent via U.S. Mail, if possible. The written notification will specifically identify the missing required content and contain a statement

IV. Procedural Safeguards and Due Process Procedures

that the written notification does not preclude the complainant from submitting a State complaint in the future that meets the requirements of Part B of the IDEA or these SpEd Rules.

- (1) A lack of proposed resolution will not be grounds for USBE to dismiss a State complaint that meets the requirements as described in these SpEd Rules.
3. The State complaint must allege a violation that occurred not more than one year prior to the date that the complaint is received.
4. Nothing in the State complaint process limits the ability of the LEA or other public agency to attempt to resolve the alleged violation directly with the complainant; however, the State will continue to act on the submitted State complaint until a report is issued or the State complaint is withdrawn.
5. The State Director of Special Education shall resolve the State complaint within 60 calendar days from the date when both the USBE and LEA or other public agency have received copies unless exceptional circumstances exist. If an extension is necessary, the complainant and the LEA or other public agency shall be notified, in writing, by the USBE Special Education Services section. Within this time limit, the State Director of Special Education shall:
 - a. Carry out an independent on-site investigation, if the State Director of Special Education determines that such an investigation is necessary.
 - b. Give the complainant the opportunity to submit additional information, either orally or in writing, about the allegations in the State complaint.
 - c. Provide the LEA or other public agency with the opportunity to respond to the State complaint, including, at a minimum:
 - (1) At the discretion of the LEA or other public agency, a proposal to resolve the State complaint; and
 - (2) An opportunity for a parent or student who is an adult who has filed a State complaint and the LEA or other public agency to voluntarily engage in mediation (SpEd Rules IV.F.).

IV. Procedural Safeguards and Due Process Procedures

- d. Review all relevant information and make a determination as to whether the LEA or other public agency is violating a requirement of Part B of the IDEA or of these SpEd Rules.
- e. Issue a written decision to the complainant and, parent(s) or student who is an adult (if not the complainant and contact information is available) with a copy sent to the LEA or other public agency director, that addresses each allegation in the State complaint and contains:
 - (1) Findings of fact and conclusions; and
 - (2) The reasons for the USBE's final decisions.
- f. Permit an extension of the time limit under these SpEd Rules IV.E.5. only if:
 - (1) Exceptional circumstances exist with respect to a particular State complaint as determined on a case-by-case basis; or
 - (2) The complainant (if not the parent(s)), parent(s) or student who is an adult, and the LEA or public agency involved agree to extend the time to engage in mediation, or to engage in other alternative means of dispute resolution available in the State.
 - (a) Complainants who are not parents or student who is an adult may not request mediation.
 - (3) USBE will permit an extension of time in writing to the complainant (if not the parent(s)), parent(s) or student who is an adult, and the LEA or other public agency involved. The extension will be set for a date certain and will be documented in the State complaint decision (if any).
- g. Determine procedures for the effective implementation of the USBE's final decision, if needed, including technical assistance activities, negotiations, and corrective actions to achieve compliance.
- h. The State complaint decision issued by the USBE is the final action and is not subject to an appeal. If either party disagrees with the State complaint decision, their remedy is to file a due process hearing request provided that the aggrieved party has the right to file a due process complaint on the issue with which the party disagrees.

IV. Procedural Safeguards and Due Process Procedures

6. In resolving a State complaint in which it has found a failure to provide appropriate services, the USBE must address:
 - a. How to remediate the denial of those services, including, as appropriate, the awarding of monetary reimbursement or other corrective action appropriate to the individual needs of the student.
 - b. Appropriate future provision of services for all students with disabilities.
7. If a State complaint is received that is also the subject of a due process hearing in accordance with these SpEd Rules, or contains multiple issues of which one or more are part of that due process hearing, the USBE must set aside any part of the State complaint that is being addressed in the due process hearing until its conclusion. Any issue in the State complaint that is not a part of the due process hearing must be resolved using the time limit and State complaint procedures described in this section.
 - a. In the event that a State complaint or any part of a State complaint is set aside pending the outcome of a due process hearing as described above, the 60 calendar day timeline described in Rule IV.E.5. will pause on the date that USBE and LEA or other public agency both receive a copy of the due process complaint and request for hearing.
 - b. In the event that a related due process hearing request is withdrawn or otherwise dismissed without prejudice, the 60 calendar day timeline will recommence on the following business day, and the State complaint or issues previously set aside thereunder will be investigated and resolved within this adjusted 60 calendar day timeline.
8. If an issue is raised in a State complaint filed under this section that has previously been decided in a due process hearing involving the same parties, then the hearing decision is binding on that issue. The USBE must inform both parties of this fact. A State complaint alleging an LEA's failure to implement a due process decision; however, must be submitted directly to the State Director of Special Education and resolved by the USBE.
9. Parent(s) or student who is an adult and other interested individuals and organizations, including parent training and information centers, independent living centers, protection and advocacy agencies, professional organizations,

IV. Procedural Safeguards and Due Process Procedures

and other appropriate entities, shall be informed about these procedures through:

- a. The procedural safeguards notice provided by LEAs.
- b. Presentations and other training events by USBE staff conducted throughout the State.
- c. Technical assistance provided to the public in-person, over email, or remotely to parent(s), student who are adults, and other interested individuals and organizations.

IV.F. MEDIATION (34 CFR § 300.506)

1. Each LEA, USBE, or other public agency that has the responsibility for the education of students with disabilities must ensure that procedures are established and implemented to allow parties to resolve disputes involving any matter under Part B of the IDEA and these SpEd Rules, including matters arising prior to the filing of a due process complaint, through a mediation process.
2. Parties to a mediation may include the LEA or other public agency and a parent or a student who is an adult to resolve disputes involving any matter under Part B of the IDEA or these SpEd Rules including matters arising prior to or in conjunction with the filing of a State complaint or due process hearing request.
3. Upon receipt of a request for mediation by the USBE, USBE will begin outreach efforts to notify the non-submitting party of the request within three business days.
 - a. Any request for mediation submitted on a weekend, holiday, or other non-business day will be processed and considered received the following business day.
 - b. Any request for mediation received after 5:00 pm mountain time on a business day will be processed and considered received on the following business day.
 - c. In the event that both parties agree to mediate, USBE will assign a mediator within five business days of the agreement to mediate.

IV. Procedural Safeguards and Due Process Procedures

4. The procedures must ensure that the mediation process:
 - a. Is voluntary on the part of the parties;
 - b. Is not used to deny or delay a parent's or student who is an adult's right to a hearing on the parent's or student who is an adult's due process complaint, or to deny any other rights afforded under Part B of the IDEA; and
 - c. Is conducted by a qualified and impartial mediator who is trained in effective mediation techniques.
5. An LEA or other public agency may establish procedures to offer to parent(s) or student who is an adult and schools that choose not to use the mediation process an opportunity to meet, at a time and location convenient to the parent(s) or student who is an adult, with a disinterested party who is under contract with an appropriate alternative dispute resolution entity, or a parent training and information center or community parent resource center in the State; and who would explain the benefits of, and encourage the use of, the mediation process to the parent or student who is an adult.
6. A mediator is a qualified and impartial individual who facilitates confidential discussions to achieve a resolution of the dispute that is mutually agreeable to the parties. The State Director of Special Education or designee maintains a list of individuals who are qualified mediators and knowledgeable in laws and regulations relating to the provision of special education and related services.
7. An individual who serves as a mediator:
 - a. May not be an employee of the USBE or the LEA or other public agency that is involved in the education or care of the student; and
 - b. Must not have a personal or professional interest that conflicts with the person's objectivity.
 - c. A person who otherwise qualifies as a mediator is not an employee of the USBE or the LEA or other public agency solely because the person is paid by the agency to serve as a mediator.
8. The State Director of Special Education or designee selects mediators on a random, rotational, or other impartial basis.

IV. Procedural Safeguards and Due Process Procedures

9. The USBE bears the cost of the mediation process, including the costs of meetings described in this section.
10. Each session in the mediation process must be scheduled in a timely manner and must be held in a location that is convenient to the parties to the dispute.
11. Discussions that occur during the mediation process must be confidential and may not be used as evidence in any subsequent due process hearing, State complaint, or civil proceeding of any federal court or State court.
 - a. Confidentiality is automatic and may not be altered or modified by parties to mediation conducted under Part B of the IDEA or these SpEd Rules.
 - b. This confidentiality requirement applies regardless of whether the parties resolve a dispute through the mediation process.
12. If the parties resolve a dispute through the mediation process, the parties must execute a legally binding agreement that:
 - a. Sets forth that resolution and that states that all discussions that occurred during the mediation process will remain confidential and may not be used as evidence in any subsequent due process hearing or civil proceeding arising from that dispute; and
 - b. Is signed by both the parent or student who is an adult and a representative of the LEA who has the authority to bind such agency.
13. A written, signed mediation agreement under this paragraph is enforceable in any State court of competent jurisdiction or in a district court of the United States.

IV.G. FILING A DUE PROCESS COMPLAINT (34 CFR § 300.507 AND UCA 53E-7-208)

1. The Utah Legislature finds that it is in the best interest of students with disabilities to provide for a prompt and fair final resolution of disputes which may arise over educational programs and rights and responsibilities of students with disabilities, their parent(s), and public schools (UCA 53E-7-208(1)).
2. Advocates and legal representation.

IV. Procedural Safeguards and Due Process Procedures

- a. Persons with special expertise, including advocates, may assist or accompany either party to a due process hearing.
- b. The parties may:
 - (1) Be represented by an attorney authorized to practice law in the State of Utah; or
 - (2) Represent themselves, also referred to as pro se representation (Utah Bar Rules 14-102-111, 14-802(c)(8)).
3. A due process complaint (also referred to in these SpEd Rules and Part B of the IDEA as a “due process hearing request”) may be filed for matters related to the identification, evaluation, or educational placement of a student with a disability or the provision of FAPE to the student.
4. The due process complaint must allege a violation that occurred not more than two years before the date the parent or student who is an adult or LEA knew or should have known about the alleged action that forms the basis of the due process complaint, except:
 - a. If the parent or student who is an adult was prevented from filing a due process complaint due to specific misrepresentations by the LEA that it had resolved the problem forming the basis of the due process complaint; or
 - b. The LEA withheld information from the parent(s) or student who is an adult that was required under Part B of the IDEA to be provided to the parent(s).
5. The LEA must inform the parent or student who is an adult of any free or low-cost legal and other relevant services available in the area if:
 - a. The parent(s) or student who is an adult requests the information; or
 - b. The parent(s) or student who is an adult or the LEA requests a hearing under this section.

IV.H. DUE PROCESS COMPLAINT (34 CFR § 300.508)

1. The LEA must have procedures that require either party, or the attorney representing a party, to provide to the other party a due process complaint (which must remain confidential).
2. The party filing a due process complaint must also forward a copy of the due process complaint to the USBE State Director of Special Education in person, by U.S. Mail, or by fax.
3. The due process complaint must include:
 - a. The name of the student;
 - b. The address of the residence of the student;
 - c. The name of the school the student is attending;
 - d. In the case of a student or youth experiencing homelessness, available contact information for the student and the name of the school the student is attending;
 - e. A description of the nature of the problem of the student relating to the proposed or refused initiation or change, including facts relating to the problem; and
 - f. A proposed resolution of the problem to the extent known and available to the party at the time.
4. A party may not have a hearing on a due process complaint until the party, or the attorney representing the party, files a due process complaint that meets the requirements listed above.
5. The due process complaint required by this section must be deemed sufficient unless the party receiving the due process complaint notifies the hearing officer and the other party in writing, within 15 calendar days of receipt of the due process complaint, that the receiving party believes the due process complaint does not meet the requirements.
 - a. Within five calendar days of receipt of notification that the due process complaint does not meet the requirements, the hearing officer must make a determination on the face of the due process complaint of whether the

IV. Procedural Safeguards and Due Process Procedures

due process complaint meets the requirements and must immediately notify the parties in writing of that determination.

- b. A party may amend its due process complaint only if:
 - (1) The other party consents in writing to the amendment and is given the opportunity to resolve the due process complaint through a resolution meeting; or
 - (2) The hearing officer grants permission, except that the hearing officer may only grant permission to amend at any time not later than five calendar days before the due process hearing begins.
 - c. If a party files an amended due process complaint, the timelines for the resolution meeting and the time period to resolve the complaint begin again with the filing of the amended due process complaint.
6. If the LEA has not sent a prior written notice to the parent or student who is an adult regarding the subject matter contained in the parent's or student who is an adult's due process complaint, the LEA must, within ten calendar days of receiving the due process complaint, send to the parent or student who is an adult a response that includes:
- a. An explanation of why the LEA proposed or refused to take the action raised in the due process complaint;
 - b. A description of other options that the IEP Team considered and the reasons why those options were rejected;
 - c. A description of each evaluation procedure, assessment, record, or report the LEA used as the basis for the proposed or refused action; and
 - d. A description of the other factors that are relevant to the LEA's proposed or refused action.
7. If an LEA has not sent prior written notice to the parent or student who is an adult regarding the subject matter of the parent's or student who is an adult's due process complaint until after the due process complaint is received, the LEA may still assert that the parent's or student who is an adult's due process complaint was insufficient, where appropriate.

IV. Procedural Safeguards and Due Process Procedures

8. The party receiving a due process complaint must, within ten days of receiving the due process complaint, send to the other party a response that specifically addresses the issues raised in the due process complaint.

IV.I. MODEL FORMS (34 CFR § 300.509)

1. The USBE staff has developed model forms to assist parent(s) or student who is an adult in filing a State complaint, a due process hearing complaint, and requesting mediation. These forms are available on the [USBE website](#). Parties are not required to use the State's model forms. Parent(s) or student who is an adult, public agencies, and other parties may use the appropriate State model form or another form or other document, so long as the form or document that is used meets, as appropriate, the content requirements for filing a due process complaint or the requirements for filing a State complaint.

IV.J. RESOLUTION PROCESS (34 CFR § 300.510)

1. Within 15 calendar days of receiving notice of the parent(s)' or students' who is an adult due process complaint, and prior to the initiation of a due process hearing, the LEA must convene a meeting with the parent(s) or student who is an adult and the relevant member or members of the IEP Team who have specific knowledge of the facts identified in the due process complaint that:
 - a. Includes a representative of the LEA who has decision-making authority on behalf of that agency; and
 - b. May not include an attorney of the LEA unless the parent or student who is an adult is accompanied by an attorney.
2. The purpose of the meeting is for the parent(s) of the student or student who is an adult to discuss the due process complaint and the facts that form the basis of the due process complaint, so that the LEA has the opportunity to resolve the dispute that is the basis for the due process complaint.
3. The resolution meeting need not be held if the parent(s) or student who is an adult and the LEA agree in writing to waive the meeting, or the parent(s) or student who is an adult and the LEA agree to use the mediation process.
4. The parent(s) or student who is an adult and the LEA determine the relevant members of the IEP Team to attend the meeting.

IV. Procedural Safeguards and Due Process Procedures

5. If the LEA has not resolved the due process complaint to the satisfaction of the parent(s) or student who is an adult within 30 calendar days of the receipt of the due process complaint, the due process hearing may occur. The timeline for issuing a final decision begins at the expiration of this 30-day period.
6. The LEA shall inform the hearing officer and State Director of Special Education (or designee) of all scheduled and completed resolution meetings to ensure compliance with the resolution timeline.
7. Except where the parties have jointly agreed to waive the resolution process or to use mediation, the failure of a parent or student who is an adult filing a due process complaint to participate in the resolution meeting will delay the timelines for the resolution process and due process hearing until the meeting is held.
8. If the LEA is unable to obtain the participation of the parent or student who is an adult in the resolution meeting after reasonable efforts have been made (and documented), the LEA may, at the conclusion of the 30-day period, request that a hearing officer dismiss the parent(s)' or student who is an adult's due process complaint.
9. If the LEA fails to hold the resolution meeting within 15 days of receiving notice of a parent's or student who is an adult's due process complaint or fails to participate in the resolution meeting, the parent(s) or student who is an adult may seek the intervention of a hearing officer to begin the due process hearing timeline.
10. The 45-day timeline for the due process hearing starts the day after one of the following events:
 - a. Both parties agree in writing to waive the resolution meeting;
 - b. After either the mediation or resolution meeting starts, but before the end of the 30-day period, the parties agree in writing that no agreement is possible;
 - c. If both parties agree in writing to continue the mediation at the end of the 30-day resolution period, but later the parent or student who is an adult or LEA withdraws from the mediation process.

IV. Procedural Safeguards and Due Process Procedures

11. If a resolution to the dispute is reached at the meeting, the parties must execute a legally binding agreement that is signed by both the parent or student who is an adult and a representative of the LEA who has the authority to bind the LEA and that is enforceable in any State court of competent jurisdiction or in a district court of the United States.
12. If the parties execute an agreement, a party may void the agreement within three business days of the agreement's execution.

IV.K. IMPARTIAL DUE PROCESS HEARING (34 CFR § 300.511)

1. Whenever a due process complaint is filed, the parent(s) or student who is an adult or the LEA involved in the dispute must have an opportunity for an impartial due process hearing.
2. The impartial due process hearing shall be conducted by the USBE. The State Director of Special Education or designee shall assign an impartial hearing officer on a random (rotational) basis, and in accordance with USBE procedures.
3. At a minimum, a hearing officer must:
 - a. Not be an employee of the USBE or the LEA that is involved in the education or care of the student; or
 - b. Not be a person having a personal or professional interest that conflicts with the person's objectivity in the hearing; and
 - c. Possess knowledge of, and the ability to understand, the provisions of Part B of the IDEA and these SpEd Rules, Federal and State regulations pertaining to Part B of the IDEA, and legal interpretations of Part B of the IDEA by Federal and State courts;
 - d. Possess the knowledge and ability to conduct hearings in accordance with appropriate, standard legal practice; and
 - e. Possess the knowledge and ability to render and write decisions in accordance with appropriate, standard legal practice.

IV. Procedural Safeguards and Due Process Procedures

4. A person who otherwise qualifies to conduct a hearing is not an employee of the agency solely because the person is paid by the agency to serve as a hearing officer.
5. The party requesting the due process hearing may not raise issues at the due process hearing that were not raised in the due process complaint, unless the other party agrees otherwise.
6. A parent or student who is an adult or LEA must request an impartial hearing on their due process complaint within two years of the date the parent or student who is an adult or LEA knew or should have known about the alleged action that forms the basis of the due process complaint.
7. Exceptions to the timeline.
 - a. The timeline described in these SpEd Rules IV.G.4. does not apply to a parent or student who is an adult if the parent or student who is an adult was prevented from filing a due process complaint due to:
 - (1) Specific misrepresentations by the LEA that it had resolved the problem forming the basis of the due process complaint; or
 - (2) The LEA's withholding of information from the parent or student who is an adult that was required to be provided to the parent or student who is an adult.
8. The State Director of Special Education shall monitor all due process hearings to ensure adherence to required procedures.

IV.L. HEARING RIGHTS (34 CFR § 300.512)

1. Any party to a hearing or an appeal of a due process hearing decision conducted pursuant to 34 CFR § 300.516 and these SpEd Rules IV.Q. has the right to:
 - a. Be accompanied and advised by counsel and by individuals with special knowledge or training with respect to the problems of students with disabilities except that;

 - e. Obtain written or, at the option of the parent(s) or student who is an adult, electronic findings of facts and decisions.
2. At least five business days prior to a hearing, each party must disclose to all other parties all evaluations completed by that date and recommendations based on the offering party's evaluations that the party intends to use at the hearing.
3. A hearing officer may bar any party from introducing the relevant evaluation or recommendation not disclosed at least five business days prior to the hearing at the hearing without the consent of the other party.
4. Parent(s) or student who is an adult involved in hearings must be given the right to:
 - a. Have the student who is the subject of the hearing present;
 - b. Open the hearing to the public; and
 - c. Have the record of the hearing and the findings of fact and decisions provided at no cost to parent(s) or student who is an adult.

IV.M. HEARING DECISIONS (34 CFR § 300.513)

1. A hearing officer's determination of whether the student received a FAPE must be based on substantive grounds.
2. In matters alleging a procedural violation, a hearing officer may find that a student did not receive a FAPE only if the procedural inadequacies:
 - a. Impeded the student's right to a FAPE;

IV. Procedural Safeguards and Due Process Procedures

- b. Significantly impeded the parent's or student who is an adult's opportunity to participate in the decision-making process regarding the provision of a FAPE to the student; or
 - c. Caused a deprivation of educational benefit.
3. Nothing in these SpEd Rules IV.M.2. shall be construed to preclude a hearing officer from ordering an LEA to comply with procedural requirements.
4. A parent or student who is an adult has the right to file a separate due process complaint on an issue separate from a due process complaint already filed.
5. The State Director of Special Education or designee, after deleting any personally identifiable information, must:
 - a. Share the findings and decisions on the due process complaint with the Utah Special Education Advisory Panel (USEAP); and
 - b. Make those findings and decisions available to the public online.

IV.N. FINALITY OF DECISION (34 CFR § 300.514)

1. A decision made in a due process hearing conducted pursuant to these SpEd Rules is final, unless a party to the hearing appeals the decision to a civil action under 34 CFR § 300.516 and these SpEd Rules IV.Q.

IV.O. STATE ENFORCEMENT MECHANISMS (34 CFR § 300.537)

1. Notwithstanding the provisions for judicial enforcement of a written agreement reached as a result of mediation or a resolution meeting, there is nothing that would prevent the USBE from using other mechanisms to seek enforcement of that agreement, provided that use of those mechanisms is not mandatory and does not delay or deny a party the right to seek enforcement of the written agreement in a State court of competent jurisdiction or in a district court of the United States.

IV.P. TIMELINES AND CONVENIENCE OF HEARINGS (34 CFR § 300.515)

1. The State Director of Special Education or designee must ensure that not later than 45 calendar days after the expiration of the 30-calendar-day resolution period, or the adjusted time periods resulting from the resolution process:

IV. Procedural Safeguards and Due Process Procedures

- a. A final decision is reached in the hearing, and
- b. A copy of the decision is mailed to each of the parties.
2. A hearing officer may grant specific extensions of time at the request of either party.
3. Each hearing involving oral arguments must be conducted at a time and place that is reasonably convenient to the parent(s) and student involved.
4. Expedited due process hearings may be requested by either a parent or student who is an adult or an LEA in the following instances (34 CFR § 300.532):
 - a. The parent or student who is an adult disagrees with any disciplinary decision resulting in a placement (including the interim alternative educational setting [IAES]) decision, or the manifestation determination; or
 - b. The LEA believes that maintaining the current placement of a student following a disciplinary procedure in 34 CFR §§ 300.530 and 300.531 is substantially likely to result in injury to the student or others.
5. Expedited due process hearings must occur within 20 days of the date the due process complaint is filed (in compliance with the due process complaint requirements of these SpEd Rules IV.J.). The hearing officer must make a determination within ten school days after the hearing.
 - a. Unless the parent(s) or student who is an adult and LEA agree in writing to waive the resolution meeting or agree to use the mediation process described in CFR § 300.506, a resolution meeting must occur within seven days of receiving notice of the expedited due process complaint; and the expedited due process hearing may proceed unless the matter has been resolved to the satisfaction of both parties within 15 days of the receipt of the expedited due process complaint.

IV.Q. CIVIL ACTION (34 CFR § 300.516)

1. Any party aggrieved by the findings and decision who does not have the right to an appeal, and any party aggrieved by the findings and decision, has the right to bring a civil action with respect to the complaint notice requesting a due process hearing. The action may be brought in any State court of

IV. Procedural Safeguards and Due Process Procedures

competent jurisdiction or in a district court of the United States without regard to the amount in controversy.

2. A civil action may be filed in either State or Federal court; if appealed to State court, the appeal must be filed within 30 days of the date of the due process hearing decision. A Federal court may apply a similar time limit (UCA 53E-7-208(4)(a)).
3. In any civil action, the court receives the records of the administrative proceedings; hears additional evidence at the request of a party; and, basing its decision on the preponderance of the evidence, grants the relief that the court determines to be appropriate.
4. The district courts of the United States have jurisdiction of actions brought under the procedural safeguards of Part B of the IDEA without regard to the amount in controversy.
5. Nothing in this part restricts or limits the rights, procedures, and remedies available under the Constitution, the Americans with Disabilities Act of 1990, Title V of the Rehabilitation Act of 1973, or other Federal laws protecting the rights of students with disabilities, except that before the filing of a civil action under these laws seeking relief that is also available under the procedural safeguards of Part B of the IDEA, the procedures must be exhausted to the same extent as would be required had the action been brought under Section 615 of the IDEA, subject to the United States Supreme Court's decision in *Perez v. Sturgis Public Schools, et. al.*, 598 US__ (2023).

IV.R. ATTORNEYS' FEES (34 CFR § 300.517; UCA 53E-7-208(4)(B))

1. In any action or proceeding brought under procedural safeguards of Part B of the IDEA, the court, in its discretion, may award reasonable attorneys' fees as part of the costs:
 - a. To the prevailing party who is the parent of a student with a disability or the student who is an adult;
 - b. To a prevailing party who is the USBE or LEA against the attorney of a parent or student who is an adult who files a complaint or subsequent cause of action that is frivolous, unreasonable, or without foundation, or against the attorney of a parent or student who is an adult who continued

IV. Procedural Safeguards and Due Process Procedures

to litigate after the litigation clearly became frivolous, unreasonable, or without foundation; or

- c. To a prevailing USBE or LEA against the attorney of a parent or student who is an adult, or against the parent or student who is an adult, if the parent's or student's request for a due process hearing or subsequent cause of action was presented for any improper purpose, such as to harass, to cause unnecessary delay, or to needlessly increase the cost of litigation.
2. Funds under Part B of the IDEA may not be used to pay attorneys' fees or costs of a party related to any action or proceeding. An LEA may use funds under Part B of the IDEA for conducting an action or proceeding under the procedural safeguards of Part B of the IDEA.
 3. A court awards reasonable attorneys' fees consistent with the following:
 - a. Fees awarded must be based on rates prevailing in the community in which the action or proceeding arose for the kind and quality of services furnished.
 - b. No bonus or multiplier may be used in calculating the fees awarded.
 - c. Attorneys' fees may not be awarded, and related costs may not be reimbursed, in any action or proceeding for services performed subsequent to the time of a written offer of settlement to a parent or student who is an adult if:
 - (1) The offer is made within the time prescribed by Rule 68 of the Federal Rules of Civil Procedure or, in the case of an administrative proceeding, at any time more than ten calendar days before the proceeding begins;
 - (2) The offer is not accepted within ten calendar days; and
 - (3) The court or administrative hearing officer finds that the relief finally obtained by the parent(s) or student who is an adult is not more favorable to the parent(s) or student who is an adult than the offer of settlement.

IV. Procedural Safeguards and Due Process Procedures

4. Attorneys' fees may not be awarded relating to any meeting of the IEP Team unless the meeting is convened as a result of an administrative proceeding or judicial action, or at the discretion of the State, for a mediation under CFR § 300.506.
5. A resolution meeting shall not be considered a meeting convened as a result of an administrative hearing or judicial action or an administrative hearing or judicial action for purposes of attorneys' fees in this section.
6. An award of attorneys' fees and related costs may be made to a parent or student who is an adult who is the prevailing party and who was substantially justified in rejecting the settlement offer.
7. The court reduces, accordingly, the amount of the attorneys' fees awarded, if the court finds that:
 - a. The parent(s) or student who is an adult, or the parent's or student who is an adult's attorney, during the course of the action or proceeding, unreasonably protracted the final resolution of the controversy;
 - b. The amount of the attorneys' fees otherwise authorized to be awarded unreasonably exceeds the hourly rate prevailing in the community for similar services by attorneys of reasonably comparable skill, reputation, and experience;
 - c. The time spent and legal services furnished were excessive considering the nature of the action or proceeding; or
 - d. The attorney representing the parent or student who is an adult did not provide to the LEA the appropriate information in the due process request notice.
8. If the parties fail to reach agreement on payment of attorneys' fees, then a party seeking recovery of attorneys' fees for a special education administrative action under 20 USC § 1415(i) may seek to file a court action within 30 days after issuance of due process decision (UCA 53E-7-208(4)(b)).
9. The above regulations regarding attorneys' fees do not apply in any action or proceeding if the court finds that the LEA unreasonably protracted the final resolution of the action or proceeding or there was a violation of the procedural safeguards of Part B of the IDEA.

IV.S. STUDENT'S STATUS DURING PROCEEDINGS (34 CFR § 300.518)

1. During the pendency of any administrative or judicial proceeding regarding a request for a due process hearing, unless the LEA and the parent(s) of the student or student who is an adult agree otherwise, the student involved in the complaint must remain in the student's current educational placement.
2. If the complaint involves an application for initial admission to public school, the student, with the consent of the parent(s) or student who is an adult, must be placed in the public school until the completion of all the proceedings.
3. If the decision of a hearing officer in a due process hearing conducted by the USBE agrees with the student's parent(s) or adult student that a change of placement is appropriate, that placement must be treated as an agreement between the LEA and the parent(s) or student who is an adult.

IV.T. SURROGATE PARENTS (34 CFR § 300.519)

1. Each LEA must ensure that the rights of a student are protected when:
 - a. No parent (as defined under 34 CFR § 300.30 and these SpEd Rules I.E.34.) can be identified for a student under the age of majority;
 - b. The LEA, after reasonable efforts, cannot locate a parent for a student under the age of majority;
 - c. The student is a ward of the State under the laws of Utah; or
 - d. The student is an unaccompanied youth experiencing homelessness under the age of majority.
2. The duties of an LEA include the assignment of an individual to act as a surrogate for the parent(s) for a student under the age of majority. This must include a method for determining whether a student under the age of majority needs a surrogate parent and for assigning a surrogate parent to the student.
3. In the case of a student who is a ward of the State, the surrogate parent alternatively may be appointed by the judge overseeing the student's case, provided that the surrogate meets the requirements.
4. The LEA may select a surrogate parent in any way permitted under State law.

IV. Procedural Safeguards and Due Process Procedures

5. LEAs must ensure that a person selected as a surrogate parent:
 - a. Is not an employee of the USBE, the LEA, or any other agency that is involved in the education or care of the student;
 - b. Has no personal or professional interest that conflicts with the interest of the student that the surrogate parent represents; and
 - c. Has knowledge and skills that ensure adequate representation of the student.
6. A person otherwise qualified to be a surrogate parent is not an employee of the LEA solely because the person is paid by the LEA to serve as a surrogate parent.
7. In the case of a student who is an unaccompanied youth experiencing homelessness, appropriate staff of emergency shelters, transitional shelters, independent living programs, and street outreach programs may be appointed as temporary surrogates until a surrogate can be appointed that meets all of the requirements.
8. The surrogate parent may represent the student in all matters relating to the identification, evaluation, and educational placement of the student, and the provision of a FAPE to the student.
9. The USBE and LEA staff must make reasonable efforts to ensure the assignment of a surrogate parent not more than 30 calendar days after an LEA determines that the student needs a surrogate.

IV.U. TRANSFER OF PARENTAL RIGHTS AT AGE OF MAJORITY (34 CFR § 300.520)

1. When a student with a disability reaches the age of majority under State law (i.e., age 18) that applies to all students, except for a student with a disability who has been determined to be incompetent under State law, or the student with a disability marries or becomes emancipated:
 - a. The LEA must provide any notice required by Part B of the IDEA to both the individual and the parent(s); and
 - b. All other rights accorded to parents under Part B of the IDEA transfer to the student.

IV. Procedural Safeguards and Due Process Procedures

2. All rights accorded to parents under Part B of the IDEA transfer to students who are incarcerated in an adult or juvenile State or local correctional institution; and
3. Whenever a state transfers rights, the LEA must notify the individual and the parent(s) of the transfer of rights within a reasonable time frame.

IV.V. CONFIDENTIALITY OF INFORMATION (34 CFR §§ 300.610–300.626 AND BOARD RULES R277-487)

1. The USBE staff and LEAs take appropriate steps to ensure the protection of the confidentiality of any personally identifiable data, information, and records collected or maintained by the USBE staff and LEAs pursuant to Part B of the IDEA and Board Rules R277-487.
2. Definitions as used in these SpEd Rules (34 CFR § 300.611).
 - a. *Destruction* means physical destruction or removal of personal identifiers from information so that the information is no longer personally identifiable.
 - b. *Education records* means the type of records covered under the definition of “education records” in 34 CFR § 99, implementing regulations for the Family Educational Rights and Privacy Act of 1974, 20 USC § 1232g (FERPA).
 - c. *Participating agency* means any agency or institution that collects, maintains, or uses personally identifiable information, or from which information is obtained, under Part B of the IDEA.
3. Notice to parent(s) or student who is an adult (34 CFR § 300.612).
 - a. The USBE and LEA must give notice that is adequate to fully inform parent(s) or student who is an adult, including:
 - (1) A description of the extent that the notice is given in the native languages of the various population groups in the State;
 - (2) A description of the students on whom PII is maintained, the types of information sought, the methods the USBE intends to use in gathering the information (including the sources from whom information is gathered), and the uses to be made of the information;

IV. Procedural Safeguards and Due Process Procedures

- (3) A summary of the policies and procedures that LEAs must follow regarding storage, disclosure to third parties, retention, and destruction of personally identifiable information; and
 - (4) A description of all of the rights of parents and students regarding this information, including the rights under FERPA.
4. Before any major identification, location, or evaluation activity, the notice must be published or announced in newspapers or other media, or both, with circulation adequate to notify parents or student who is an adult throughout the State and LEAs of the activity.
5. Access rights (34 CFR § 300.613).
 - a. Each LEA must permit parents or student who is an adult to inspect and review any education records relating to their student or themselves that are collected, maintained, or used by the LEA. The LEA must comply with a request without unnecessary delay and before any meeting regarding an IEP, or any hearing or resolution session, and in no case more than 45 calendar days after the request has been made.
 - b. The right to inspect and review education records under this section includes:
 - (1) The right to a response from the LEA to reasonable requests for explanations and interpretations of the records;
 - (2) The right to request that the LEA provide copies of the records containing the information if failure to provide those copies would effectively prevent the parent or student who is an adult from exercising the right to inspect and review the records; and
 - (3) The right to have a representative of the parent or student who is an adult inspect and review the records.
 - c. An LEA may presume that the parent(s) or student who is an adult has authority to inspect and review records relating to the student unless the LEA has been advised that the parent(s) does not have the authority under applicable State law governing such matters as guardianship, separation, and divorce.

IV. Procedural Safeguards and Due Process Procedures

6. Record of access (34 CFR § 300.614).
 - a. Each LEA must keep a record of parties obtaining access to education records collected, maintained, or used under Part B of the IDEA and these SpEd Rules (except access by parents or student who is an adult and authorized employees of the LEA), including the name of the party, the date access was given, and the purpose for which the party is authorized to use the records.
7. Records on more than one student (34 CFR § 300.615).
 - a. If any education record includes information on more than one student, the parent(s) of those students or the student who is an adult have the right to inspect and review only the information relating to their student or themselves or to be informed of that specific information.
8. List of types and locations of information (34 CFR § 300.616).
 - a. On request, the LEA must provide parents or student who is an adult with a list of the types and locations of education records collected, maintained, or used by the LEA.
9. Fees (34 CFR § 300.617).
 - a. The USBE staff and each LEA may charge a fee for copies of records that are made for parent(s) or student who is an adult under Part B of the IDEA if the fee does not effectively prevent the parent(s) or student who is an adult from exercising their right to inspect and review those records.
 - b. The USBE staff and an LEA may not charge a fee to search for or to retrieve information under Part B of the IDEA.
10. Amendment of records at parent(s)' request (34 CFR § 300.618).
 - a. A parent or student who is an adult who believes that information in the education records collected, maintained, or used under Part B of the IDEA or these SpEd Rules is inaccurate or misleading or violates the privacy or other rights of the student may request the LEA that maintains the information to amend the information.

IV. Procedural Safeguards and Due Process Procedures

- b. The LEA must decide whether to amend the information in accordance with the request within a reasonable period of time of receipt of the request.
 - c. If the LEA decides to refuse to amend the information in accordance with the request, it must inform the parent or student who is an adult of the refusal and advise the parent(s) or student who is an adult of the right to a hearing on the matter.
11. Opportunity for a hearing (34 CFR § 300.619).
- a. The LEA must, on request, provide an opportunity for a hearing to challenge information in education records to ensure that it is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student. This hearing is not an IDEA hearing for a due process complaint.
12. Result of hearing (34 CFR § 300.620).
- a. If, as a result of the hearing, the LEA decides that the information is inaccurate, misleading or otherwise in violation of the privacy or other rights of the student, it must amend the information accordingly and so inform the parent(s) or student who is an adult in writing.
 - b. If, as a result of the hearing, the LEA decides that the information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, it must inform the parent(s) or student who is an adult of the right to place in the records it maintains on the student a statement commenting on the information or setting forth any reasons for disagreeing with the decision of the LEA.
 - c. Any explanation placed in the records of the student under this section must:
 - (1) Be maintained by the LEA as part of the records of the student as long as the record or contested portion is maintained by the LEA; and
 - (2) If the records of the student or the contested portion are disclosed by the LEA to any party, the explanation must also be disclosed to the party.

IV. Procedural Safeguards and Due Process Procedures

13. Hearing procedures (34 CFR § 300.621).

- a. A hearing that challenges education records must be conducted according to the procedures under 34 CFR § 99.22 as described below. At a minimum, the LEA's hearing procedures must adhere to the following requirements:
 - (1) The LEA shall hold a within a reasonable period of time after the LEA receives the request. The parent(s) of the student or student who is an adult shall be given notice of the date, place, and time reasonably in advance of the hearing.
 - (2) The hearing may be conducted by any individual, including an official of the LEA, who does not have a direct interest in the outcome of the hearing.
 - (3) The parent(s) of the student or student who is an adult shall be afforded a full and fair opportunity to present evidence relevant to the issues raised and may be assisted or be represented by individuals of the parent's or adult student's choice, including an attorney at the parent's or student who is an adult's own expense.
 - (4) The LEA shall make its decision in writing within a reasonable period of time after the conclusion of the hearing.
 - (5) The decision of the LEA shall be based solely upon the evidence presented at the hearing and shall include a summary of the evidence and the reasons for the decision.

14. Consent for disclosure of PII (34 CFR § 300.622).

- a. Except as to disclosures addressed in referral to and action by law enforcement and judicial authorities, for which parental consent is not required by 34 CFR § 99, parental or adult student consent must be obtained before PII is:
 - (1) Disclosed to anyone other than officials of participating agencies collecting or using the information under Part B of the IDEA or these SpEd Rules: or

IV. Procedural Safeguards and Due Process Procedures

- (2) Used for any purpose other than meeting a requirement of Part B of the IDEA or these SpEd Rules.
- b. An LEA may not release information from education records to participating agencies without parental or adult student consent unless authorized to do so by 34 CFR §§ 99.31 and 99.34 (FERPA):
- (1) 34 CFR § 99.31 allows an LEA to disclose PII from the education records of a student without the written consent of the parent(s) of the student or student who is an adult, if the disclosure is:
 - (a) To other school officials, including teachers, within the LEA who have been determined by the LEA to have legitimate educational interests.
 - (b) To officials of another school or school site in which the student seeks or intends to enroll, subject to the requirements set forth in 34 CFR § 99.34 below.
 - (2) 34 CFR § 99.34 requires that an LEA transferring the education records of a student pursuant to 34 CFR § 99.34 above shall make a reasonable attempt to notify the parent of the student or student who is an adult of the transfer of records at the last known address of the parent or student who is an adult, except that the LEA does not have to provide any further notice of the transfer of records when:
 - (a) The transfer is initiated by the parent(s) or student who is an adult at the sending LEA.
 - (b) The LEA includes in its annual notice of procedural safeguards, that it is the policy of the LEA to forward education records on request to a school in which a student seeks or intends to enroll.
 - (c) The LEA transferring the records must keep a copy of the records for three years after the transfer.
- c. An LEA receiving PII from another educational agency or institution may make further disclosure of the information on behalf of the LEA without the prior written consent of the parent(s) or student who is an adult if the conditions of 34 CFR §§ 99.31 and 99.34 noted above are met, and if the

IV. Procedural Safeguards and Due Process Procedures

educational agency informs the party to whom disclosure is made of these requirements.

- d. If the parent(s) or student who is an adult refuses consent for the release of PII to a third party, then that party may proceed with statutory procedures in an effort to obtain the desired information.
- e. Note: As authorized in 34 CFR § 99.31 (FERPA), Utah LEAs include in the annual procedural safeguards notice that it is their policy to forward educational records of a student with disabilities without parental or student who is an adult consent or notice to officials of another school or school district in which a student seeks or intends to enroll.

15. Safeguards (34 CFR § 300.623).

- a. Each LEA must protect the confidentiality of PII at collection, storage, disclosure, and destruction stages.
- b. One official at each LEA must assume responsibility for ensuring the confidentiality of any PII.
- c. All persons collecting or using PII must receive training or instruction regarding the State's policies and procedures in this section and 34 CFR § 99.
- d. Each LEA must maintain, for public inspection, a current listing of the names and positions of those employees within the LEA who may have access to PII on students with disabilities.

16. Destruction of information (34 CFR § 300.624).

- a. The LEA must inform parents or student who is an adult when PII collected, maintained, or used under Part B of the IDEA and these SpEd Rules is no longer needed to provide educational services to the student.
- b. The information no longer needed must be destroyed at the request of the parent(s) or student who is an adult. However, a permanent record of a student's name, address, phone number, the student's grades, attendance record, classes attended, grade level completed, and year completed may be maintained without time limitation.

IV. Procedural Safeguards and Due Process Procedures

- c. Each student's records may be considered "no longer needed to provide educational services" and may be destroyed three years after the student graduates or three years after the student turns 22 under IDEA. Medicaid requires that records be maintained for at least five years after the provision of services.

17. Students' rights (34 CFR § 300.625).

- a. The rights of privacy afforded to parent(s) are transferred to the student who reaches the age of 18, providing the student has not been declared incompetent by a court order or the student has married or become emancipated.
- b. Under the regulations for FERPA at 34 CFR § 99.5(a), the rights of parent(s) regarding education records are transferred to the student at age 18, providing the student has not been declared incompetent by a court order or the student has married or become emancipated.
- c. Because the rights accorded to parents under Part B of the IDEA are transferred to a student who reaches the age of 18, providing the student has not been declared incompetent by a court order or the student has married or become emancipated, the rights regarding educational records must also be transferred to the student. However, the LEA must provide any notice required under Section 615 of Part B of the IDEA to the student and the parent(s).

18. Enforcement (34 CFR § 300.626).

- a. The confidentiality requirements of Part B of the IDEA are reviewed and approved as part of the LEA eligibility process.

19. U.S. Department of Education Use of PII (34 CFR § 300.627).

- a. If the U.S. Department of Education or its authorized representatives collect any PII regarding students with disabilities that is not subject to the Privacy Act of 1974, 5 USC § 552a, the Secretary of Education (Secretary hereafter) applies the applicable Federal statute, and the regulations implementing those provisions in 34 CFR § 5b.

V. DISCIPLINE PROCEDURES (34 CFR § 300.530)

V.A. DISCIPLINE PROCEDURES FOR STUDENTS WITH DISABILITIES

1. Consistent with the requirements of Part B of the IDEA and these SpEd Rules, each LEA shall establish, maintain, and implement policies and procedures for disciplining students with disabilities.

V.B. AUTHORITY OF SCHOOL PERSONNEL (34 CFR § 300.530(A-C))

1. School personnel may consider any unique circumstances on a case-by-case basis when determining whether a change in placement, consistent with the other requirements of this section, is appropriate for a student with a disability who violates a code of student conduct.
2. School personnel may remove a student with a disability who violates a code of student conduct from the student's current placement to an appropriate interim alternative educational setting (IAES), another setting, or suspension, for not more than ten consecutive school days (to the same extent those alternatives are applied to students without disabilities), and for additional removals of not more than ten consecutive school days in that same school year for separate incidents of misconduct, (as long as those removals do not constitute a change of placement because of disciplinary removal as set forth in 34 CFR § 300.536 and these SpEd Rules V.D.).
3. After a student with a disability has been removed from the student's current placement for ten school days in the same school year, during any subsequent days of removal the LEA must provide services to the extent required under 34 CFR § 300.530(d) and these SpEd Rules V.C.
4. For disciplinary changes in placement that would exceed ten consecutive school days, if the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the student's disability, school personnel may apply the relevant disciplinary procedures to students with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities, except after the tenth day of removal that constitutes a change in placement, the LEA must provide services

to the student and provided under 34 CFR § 300.530(d) and these SpEd Rules V.C.

V.C. SERVICES (34 CFR § 300.530(d))

1. A student with a disability who is removed from the student's current placement must:
 - a. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's IEP; and
 - b. Receive, as appropriate, an FBA, and behavior intervention services and modifications that are designed to address the behavior violation so that it does not recur.
2. The services may be provided in an IAES.
3. An LEA is only required to provide services during periods of removal to a student with a disability who has been removed from the student's current placement for ten school days or less in that school year if it also provides services to a student without disabilities who is similarly removed.
4. After a student with a disability has been removed from the student's current placement for ten school days in the same school year, if the current removal is for not more than ten consecutive school days and is not a change of placement under 34 CFR § 300.536 and these SpEd Rules V.D., school personnel, in consultation with at least one of the student's teachers, determine the extent to which services are needed, so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's IEP.
5. If the removal is a change of placement, the student's IEP Team determines appropriate services to be provided during the removal.

V.D. CHANGE OF PLACEMENT DUE TO DISCIPLINARY REMOVALS (34 CFR § 300.536)

1. For purposes of removals of a student with a disability from the student's current educational placement, a change of placement occurs if:
 - a. The removal is for more than ten consecutive school days, including shortened school days; or
 - b. The student has been subjected to a series of removals that constitute a pattern, including shortened school days:
 - (1) Because the series of removals total more than ten school days in a school year;
 - (2) Because the student's behavior is substantially similar to the student's behavior in previous incidents that resulted in the series of removals; and
 - (3) Because of such additional factors as the length of each removal, the total amount of time the student has been removed, and the proximity of the removals to one another.
2. As used in these SpEd Rules, shortened school days occur when a student's school day is reduced solely by school personnel in response to the student's behavior for disciplinary purposes, rather than the student's IEP team or placement team for that student to receive a FAPE.
 - a. In general, the use of informal removals to address a student's behavior, if implemented repeatedly throughout the school year, could constitute a disciplinary removal from the current placement. Therefore, the discipline procedures in 34 CFR §§ 300.530 through 300.536 and these SpEd Rules V. would generally apply unless all three of the following factors are met:
 - (1) The student is afforded the opportunity to continue to appropriately participate in the general curriculum;
 - (2) The student continues to receive the services specified on the student's IEP; and
 - (3) The student continues to participate with nondisabled children to the extent they would have in their current placement. 71 Fed. Reg. 46715 (Aug. 14, 2006).

3. The LEA determines on a case-by-case basis whether a pattern of removals constitutes a change of placement. This determination is subject to review through due process and judicial proceedings.

V.E. MANIFESTATION DETERMINATION (34 CFR § 300.530(e-g, i))

1. Within ten school days of any decision to change the placement of a student with a disability because of a violation of a code of student conduct, the LEA, the parent or adult student, and relevant members of the student's IEP Team (as determined by the parent or student who is an adult and the LEA) must review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parent(s) or adult student to determine:
 - a. If the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability; or
 - b. If the conduct in question was the direct result of the LEA's failure to implement the IEP.
2. The conduct must be determined to be a manifestation of the student's disability if the LEA, the parent or student who is an adult, and relevant members of the student's IEP Team determine that:
 - a. The misconduct was caused by or had a direct and substantial relationship to the student's disability; or
 - b. The misconduct was the direct result of the LEA's failure to implement the IEP.
3. If the LEA, the parent or student who is an adult, and relevant members of the student's IEP Team determine that the misconduct was the direct result of the LEA's failure to implement the IEP, the LEA must take immediate steps to remedy those deficiencies.
4. If the LEA, the parent(s) or student who is an adult, and relevant members of the IEP Team make the determination that the conduct was a manifestation of the student's disability, the IEP Team must:
 - a. Either:

- (1) Conduct a functional behavior assessment (FBA), unless the LEA had conducted an FBA before the behavior that resulted in the change of placement occurred, and implement a BIP for the student; or
 - (2) If a BIP has already been developed, review the BIP, and modify it, as necessary, to address the behavior;
- b. And, unless the misconduct falls under the definition of special circumstances in these SpEd Rules V.E.5., return the student to the placement from which the student was removed, unless the parent or adult student and the LEA agree to a change of placement as part of the modification of the BIP.
5. Special circumstances.
- a. School personnel may remove a student to an IAES for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the student's disability, if the student:
 - (1) Carries a weapon to or possesses a weapon at school, on school premises, or to or at a school function under the jurisdiction of the USBE or an LEA;
 - (2) Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of the USBE or an LEA; or
 - (3) Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of the USBE or an LEA.
 - b. Definitions.
 - (1) For purposes of this section, the following definitions apply:
 - (a) *Controlled substance* means a drug or other substance that cannot be distributed without a prescription, identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act (21 USC § 812(c)).
 - (b) *Illegal drug* means a controlled substance but does not include a drug controlled, possessed, or used under the supervision of a

licensed health-care professional or one legally possessed or used under the Controlled Substances Act or under any other provision of Federal law (21 USC § 812).

- (c) *Serious bodily injury* means bodily injury that involves a substantial risk of death, extreme physical pain, protracted and obvious disfigurement, or protracted loss or impairment of the function of a bodily member, organ, or mental faculty (18 USC § 1365). Serious bodily injury does not include a cut, abrasion, bruise, burn, disfigurement, physical pain, illness, or impairment of the function of a bodily member, organ or mental faculty that is temporary (18 USC § 1365).
- (d) *Weapon* means a weapon, device, instrument, material, or substance, animate or inanimate, that is used for or is readily capable of, causing death or serious bodily injury, except that such term does not include a pocket knife with a blade of less than 2.5 inches (18 USC § 930).

V.F. PROCEDURAL SAFEGUARDS NOTICE (34 CFR § 300.530(h))

1. On the date on which the decision is made to make a removal that constitutes a change of placement of a student with a disability because of a violation of a code of student conduct, the LEA must notify the parent(s) or student who is an adult of that decision and provide the parent(s) or student who is an adult the procedural safeguards notice.

V.G. DETERMINATION OF SETTING (34 CFR § 300.531)

1. The student's IEP Team determines the IAES for services if the behavior that gives rise to the removal is not a manifestation of the student's disability, the removal constitutes a change of placement, or the behavior falls under the special circumstances in these SpEd Rules V.E.5.

V.H. APPEALS BY PARENT OR LEA (34 CFR § 300.532)

1. The parent(s) of a student with a disability or student who is an adult who disagrees with any decision regarding placement or the manifestation determination, or an LEA that believes that maintaining the current placement

of the student is substantially likely to result in injury to the student or others, may appeal the decision by filing a due process hearing complaint and requesting a hearing.

2. Authority of hearing officer.
 - a. A due process hearing officer hears and makes a determination regarding an appeal under SpEd Rules V.H.1.
 - b. In making the determination, the hearing officer may:
 - (1) Return the student with a disability to the placement from which the student was removed if the hearing officer determines that the removal was a violation of the discipline procedures under Part B of the IDEA or these SpEd Rules or that the student's behavior was a manifestation of the student's disability; or
 - (2) Order a change of placement of the student with a disability to an appropriate IAES for not more than 45 school days if the hearing officer determines that maintaining the current placement of the student is substantially likely to result in injury to the student or to others.
 - c. The appeal procedures may be repeated if the LEA believes that returning the student to the original placement is substantially likely to result in injury to the student or to others.
3. Expedited due process hearing.
 - a. Whenever a hearing is requested, the parent(s) or student who is an adult or the LEA involved in the dispute must have an opportunity for an impartial due process hearing.
 - b. The LEA is responsible for arranging the expedited due process hearing with the State Director of Special Education, which must occur within 20 school days of the date the complaint requesting the hearing is filed. The hearing officer must make a determination within ten school days after the hearing.
 - c. Unless the parent(s) or student who is an adult and LEA agree in writing to waive the resolution meeting, or agree to use mediation:

- (1) A resolution meeting must occur within seven calendar days of receiving notice of the due process complaint; and
 - (2) The due process hearing may proceed unless the matter has been resolved to the satisfaction of both parties within 15 calendar days of the receipt of the due process complaint.
- d. Parties may not mutually agree to extend the resolution period to resolve an expedited due process complaint. Therefore, when the parties have participated in a resolution meeting or engaged in mediation and the dispute has not been resolved to the satisfaction of both parties within 15 days of the receipt of the due process complaint, the expedited due process hearing may proceed.
 - e. A hearing officer may not extend the timeline for making a determination in an expedited due process hearing.
 - f. The decisions on expedited due process hearings are final, unless meeting the requirements of 34 CFR § 300.514(b) or 34 CFR § 300.516.

V.I. PLACEMENT DURING APPEALS (34 CFR § 300.533)

1. When an appeal through a due process complaint has been made by either the parent or student who is an adult or the LEA, the student must remain in the IAES pending the decision of the hearing officer or until the expiration of the time period specified, whichever occurs first, unless the parent(s) or adult student and the LEA (or USBE if appropriate) agree otherwise.

V.J. PROTECTIONS FOR STUDENTS NOT DETERMINED ELIGIBLE FOR SPECIAL EDUCATION AND RELATED SERVICES (34 CFR § 300.534)

1. A student who has not been determined to be eligible for special education and related services under Part B of the IDEA, and who has engaged in behavior that violated a code of student conduct, may assert any of the protections provided for in this part if the LEA had knowledge that the student was a student with a disability before the behavior that precipitated the disciplinary action occurred.

2. An LEA must be deemed to have knowledge that a student is a student with a disability if, before the behavior that precipitated the disciplinary action occurred:
 - a. The parent(s) of the student or student who is an adult expressed concern in writing to supervisory or administrative personnel of the appropriate LEA, or a teacher of the student, that the student is in need of special education and related services;
 - b. The parent(s) of the student or student who is an adult requested an evaluation of the student pursuant to 34 CFR §§ 300.300 through 300.311; or
 - c. The teacher of the student, or other personnel of the LEA, expressed specific concerns about a pattern of behavior demonstrated by the student directly to the director of special education of the LEA or to other supervisory personnel of the LEA.
3. An LEA would not be deemed to have knowledge that a student is a student with a disability if:
 - a. The parent(s) of the student or the student who is an adult:
 - (1) Has not allowed an evaluation of the student pursuant to 34 CFR §§ 300.300 through 300.311; or
 - (2) Has refused services under this part; or
 - b. The student has been evaluated in accordance with 34 CFR §§ 300.300 through 300.311 and determined to not be a student with a disability under Part B of the IDEA.
4. If an LEA does not have knowledge that a student is a student with a disability prior to taking disciplinary measures against the student, the student may be subjected to the disciplinary measures applied to students without disabilities who engage in comparable behaviors.
 - a. If a request is made for an evaluation of a student during the time period in which the student is subjected to disciplinary measures, the evaluation must be conducted in an expedited manner.

- (1) Until the evaluation is completed, the student remains in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.
- (2) If the student is determined to be a student with a disability, taking into consideration information from the evaluation conducted by the LEA and information provided by the parent(s) or adult student, the LEA must provide special education and related services.

V.K. REFERRAL TO AND ACTION BY LAW ENFORCEMENT AND JUDICIAL AUTHORITIES (34 CFR § 300.535)

1. Nothing in Part B of the IDEA prohibits an LEA from reporting a crime committed by a student with a disability to appropriate authorities or prevents State law enforcement and judicial authorities from exercising their responsibilities with regard to the application of Federal and State law to crimes committed by a student with a disability.
2. Transmittal of records.
 - a. An LEA reporting a crime committed by a student with a disability must ensure that copies of the special education and disciplinary records of the student are transmitted for consideration by the appropriate authorities to whom the LEA reports the crime.
 - b. An LEA reporting a crime under this section may transmit copies of the student's special education and disciplinary records only to the extent that the transmission is permitted by FERPA.

VI. STUDENTS WITH DISABILITIES IN OTHER SETTINGS

VI.A. PRIVATE SCHOOL PLACEMENTS BY LEAs (34 CFR § 300.325)

1. Developing IEPs.
 - a. Before an LEA places a student with a disability in, or refers a student to, a private school or facility, the LEA must initiate and conduct a meeting to develop an IEP for the student in accordance with Part B of the IDEA and these SpEd Rules.
 - b. The LEA must ensure that a representative of the private school or facility attends the meeting. If the representative cannot attend, the LEA must use other methods to ensure participation by the private school or facility, including individual or conference telephone calls or video conferencing
2. Reviewing and revising IEPs.
 - a. After a student with a disability is placed in a private school or facility, any meetings to review and revise the student's IEP may be initiated and conducted by the private school or facility at the discretion of the LEA.
 - b. If the private school or facility initiates and conducts these meetings, the LEA must ensure that the parent(s) or adult student and an LEA representative:
 - (1) Are involved in any decisions about the student's IEP; and
 - (2) Agree to any proposed changes in the IEP before those changes are implemented.
3. Even if a private school or facility implements a student's IEP, responsibility for compliance with this part remains with the LEA and the USBE.
4. Residential placement (34 CFR § 300.104).
 - a. If placement in a public or private residential program is necessary to provide special education and related services to a student with a disability, the program, including non-medical care and room and board, must be at no cost to the parent(s) of the student or student who is an adult.

VI. Students with Disabilities in Other Settings

5. Students with disabilities in private schools placed or referred by public agencies (34 CFR §§ 300.145–147).
 - a. Only for students with disabilities who are or have been placed in or referred to a private school or facility by a public agency as a means of providing special education and related services, the USBE must:
 - (1) Ensure that a student with a disability who is placed in or referred to a private school or facility by a public agency:
 - (a) Is provided special education and related services:
 - (i) In conformance with an IEP that meets the requirements in Rule III.J; and
 - (ii) At no cost to the parent(s) or student who is an adult;
 - (b) Is provided an education that meets the standards that apply to education provided by the USBE and LEAs including the requirements of these SpEd Rules; and
 - (c) Has all the rights of a student with a disability who is served by a public agency.
 - b. Monitor compliance through procedures such as written reports, onsite visits, and parent or student who is an adult questionnaires;
 - c. Disseminate copies of applicable standards to each private school and facility to which a public agency has referred or placed a student with a disability; and
 - d. Provide an opportunity for those private schools and facilities to participate in the development and revision of State standards that apply to them.

VI.B. STUDENTS WITH DISABILITIES ENROLLED BY THEIR PARENT(S) IN PRIVATE SCHOOLS WHEN FAPE IS NOT AT ISSUE (UNILATERAL PLACEMENT) (34 CFR § 300.130).

1. *Parentally placed private school students with disabilities*, including students accessing the Carson Smith Scholarship and Special Needs Opportunity Scholarship Program, means students with disabilities enrolled by their parent(s) or a student who is an adult in private, including religious, schools or

VI. Students with Disabilities in Other Settings

facilities that meet the definition of elementary school or secondary school in Part B of the IDEA.

2. Definitions.
 - a. *Elementary school* means a nonprofit institutional day or residential school, including a public elementary charter school, that provides elementary education, as determined under State law (34 CFR § 300.13).
 - b. *Secondary school* means a nonprofit institutional day or residential school, including a public secondary charter school, that provides secondary education, as determined under State law, except that it does not include any education beyond grade 12 (34 CFR § 300.36). Grades nine and above must be accredited, in accordance with USBE Rule.
3. Child find for parentally placed or student who is an adult private school student with disabilities (34 CFR § 300.131).
 - a. Each school district must locate, identify, and evaluate all students with disabilities who are enrolled by their parent(s), or student who is an adult, in private (either for-profit or nonprofit), including religious, elementary schools and secondary schools located in the area served by the school district.
 - b. The school district child find process must be designed to ensure:
 - (1) The equitable participation of parentally placed or student who is an adult nonprofit private school student; and
 - (2) An accurate count of those students in nonprofit private schools.
 - c. The school district must undertake activities similar to the activities undertaken for the school district's public school students.
 - (1) School districts may not require a private school to implement a response to intervention (RtI). District should consult with officials from private elementary schools or secondary schools on how to best implement evaluation criteria for identifying students with specific learning disabilities enrolled in private schools.
 - d. The cost of carrying out the child find requirements in this section, including individual evaluations, may not be considered in determining if a

VI. Students with Disabilities in Other Settings

school district has met its obligation under spending a proportionate share of funds under Part B of the IDEA to provide services to parentally placed or adult student nonprofit private school students.

- e. The child find process must be completed in a time period comparable to that for students attending public schools in the school district.
 - f. Each school district in which private (for-profit and nonprofit), including religious, elementary schools and secondary schools are located must, in carrying out the child find requirements in this section, include parentally placed or student who is an adult private school students who reside in a state other than the state in which the private schools that they attend are located.
 - g. Each school district, where private elementary schools or secondary schools are located is responsible for conducting reevaluations of student with disabilities enrolled by their parents in the private elementary school and secondary school located in the school district.
4. Basic requirements for provision of services for parentally placed or adult student nonprofit private school students with disabilities (34 CFR § 300.132).
- a. To the extent consistent with the number and location of students with disabilities who are enrolled by their parent(s), or a student who is an adult, in nonprofit private, including religious, elementary schools and secondary schools located in the area served by the school district, provision is made for the participation of those students in the program assisted or carried out under Part B of the IDEA by providing them with special education and related services, including direct services.
 - b. The school district must develop and implement a services plan for each nonprofit private school student with a disability who has been designated by the school district in which the private school is located to receive special education and related services.
 - c. Each school district must maintain in its records, and provide to the USBE staff annually, the following information related to parentally placed or student who is an adult nonprofit private school students, including that required under Rule II.A.(4)(c):

VI. Students with Disabilities in Other Settings

- (1) The number of students evaluated and reevaluated within three years;
 - (2) The number of students determined to be students with disabilities; and
 - (3) The number of students served.
5. Expenditures (34 CFR § 300.133).
- a. The proportionate share calculation must be based on the total number of students with disabilities who are enrolled in private elementary and secondary schools, including religious schools, located in the school district, whether or not the students or their parents reside in the school district. 34 C.F.R. §§ 300.132 and 300.133(a). Each school district must spend the following amounts on providing special education and related services (including direct services) to parentally-placed or student who is an adult private school student with disabilities:
 - (1) For students aged three through 22, an amount that is the same proportion of the school district's total subgrant under Section 611(f) of the IDEA as the number of private school student with disabilities aged three through 22 who are enrolled by their parents or student who is an adult in private, including religious, elementary schools and secondary schools located in the school district, is to the total number of student with disabilities in its jurisdiction aged three through 22.
 - (2) For student aged three through five, an amount that is the same proportion of the school district's total subgrant under Section 619(g) of the IDEA as the number of parentally-placed or student who is an adult private school student with disabilities aged three through five who are enrolled by their parents or student who is an adult in private, including religious, elementary schools located in the school district, is to the total number of student with disabilities in its jurisdiction aged three through five. Appendix B to 34 CFR § 300 provides an example of how to make this calculation.
 - b. All students who have been evaluated and found eligible for special education and related services—not solely those students who receive services through an IEP or services plan—must be included in the count to

VI. Students with Disabilities in Other Settings

calculate the proportionate share. See 34 C.F.R. §§ 300.132(c) and 300.133(c). As described in 34 C.F.R. § 300.133(a), each school district must determine the total number of private school students with disabilities who are enrolled by their parents or students who is an adult in private elementary and secondary schools located in the school district, and the total number of students with disabilities enrolled in public and private elementary and secondary schools located in the school district, in order to calculate the proportionate share of IDEA Part B funds that must be expended on equitable services.

- c. As specified in 34 CFR. § 300.131(a), each school district must locate, identify, and evaluate all students with disabilities who are enrolled by their parents or student who is an adult in private, including religious, elementary schools and secondary schools located in the school district. The number of parentally-placed or student who is an adult private school students with disabilities is used to determine the amount that the school district must spend on providing special education and related services to parentally-placed or student who is an adult private school students with disabilities in the next fiscal year. 34 CFR § 300.133(b) and (c)(2). Under 34 CFR § 300.300(d)(4), if a parent of a home-schooled student, student who is an adult being home-schooled, or parentally placed or student who is an adult private school student declines to consent to the initial evaluation or the reevaluation, the public agency may not use the mediation or due process procedures to seek to conduct the evaluation and, thus, may not include the student in the annual count of the number of parentally-placed or student who is an adult private school student with disabilities. If the school district evaluates a parentally-placed private or student who is an adult school student, subject to the consent of the parent or student who is an adult, and determines that the student qualifies as a student with a disability under the IDEA, but the parent or student who is an adult declines the offer of special education and related services, the school district still must include this student in the annual count of the number of parentally-placed or student who is an adult private school students with disabilities. 34 CFR § 300.133(c); see also 34 CFR § 300.132(c). A school district must include in its proportionate share calculation all eligible students with disabilities enrolled by their parents or student who is an

VI. Students with Disabilities in Other Settings

adult in private, including religious, elementary and secondary schools located in the LEA, and also include those students whose parents or student who is an adult decline all publicly funded services and place their students with disabilities in a private school at their own expense.

- d. Each school district must spend the following on providing special education and related services (including direct services) to parentally placed or student who is an adult nonprofit private school student with disabilities:
 - (1) For students ages 3–21, an amount that is the same proportion of the school district's total subgrant under Section 611(f) of Part B of the IDEA as the number of private school students with disabilities ages 3–21 who are enrolled by their parent(s), or a student who is an adult, in nonprofit private, including religious, elementary schools and secondary schools located in the school district, is to the total number of students with disabilities in its jurisdiction ages 3–21.
 - (2) For students ages 3–5, an amount that is the same proportion of the school district's total subgrant under Section 619(g) of the Part B of the IDEA as the number of parentally placed private school students with disabilities ages 3–5 who are enrolled by their parent(s) in nonprofit private, including religious, elementary schools located in the school district, is to the total number of students with disabilities in its jurisdiction ages 3–5.
 - (a) Students ages 3–5 are considered to be parentally placed private school students with disabilities enrolled by their parent(s) in nonprofit private, including religious, elementary schools, if they are enrolled in a private school that meets the definition of elementary school in Rule VI.B.1.a.
 - (3) If a school district has not expended for equitable services all the required funds by the end of the fiscal year for which Congress appropriated the funds, the school district must obligate the remaining funds for special education and related services (including direct services) to parentally placed or student who is an adult

VI. Students with Disabilities in Other Settings

nonprofit private school students with disabilities during a carryover period of one additional year.

- (a) If a school district has not expended all the required funds by the end of the second fiscal year (carry over period), the school district may reallocate the funds to the general special education program for the remaining three months of the award.
- e. In calculating the proportionate amount of Federal funds to be provided for parentally placed or student who is an adult nonprofit private school student with disabilities, the school district, after timely and meaningful consultation with representatives of private schools, must conduct a thorough and complete child find process to determine the number of parentally placed or student who is an adult, student with disabilities attending nonprofit private schools located in the school district.
- f. Annual count of the number of parentally placed or student who is an adult private school student with disabilities.
 - (1) Each school district must:
 - (a) After timely and meaningful consultation with representatives of parentally placed or student who is an adult private school student with disabilities, determine the number of parentally placed or student who is an adult private school student with disabilities attending nonprofit private schools located in the school district; and
 - (b) Ensure the count is conducted on any date between October 1 and December 1, inclusive, of each year.
 - (2) The count must be used to determine the amount the LEA must spend on providing special education and related services to parentally placed or student who is an adult nonprofit private school student with disabilities in the subsequent fiscal year.
- g. State and local funds may supplement, and in no case supplant, the proportionate amount of Federal funds required to be expended for parentally placed or student who is an adult nonprofit private school student with disabilities.

VI. Students with Disabilities in Other Settings

VI. Students with Disabilities in Other Settings

- (b) How special education and related services will be apportioned if funds are insufficient to serve all parentally placed or student who is an adult private school student; and
 - (c) How and when those decisions will be made;
 - (5) How, if the school district disagrees with the views of the nonprofit private school officials on the provision of services or the types of services (whether provided directly or through a contract), the school district will provide to the nonprofit private school officials a written explanation of the reasons why the school district chose not to provide services directly or through a contract.
7. Written affirmation (34 CFR § 300.135).

VI.I. METHODS AND PAYMENT FOR FAPE IN RESIDENTIAL FACILITIES AND PRIVATE SCHOOLS (34 CFR § 300.103)

1. Each state may use whatever state, local, Federal, and private sources of support are available in the State to meet the requirements of Part B of the IDEA. For example, if it is necessary to place a student with a disability in a residential facility or private school, a State could use joint agreements between the agencies involved for sharing the cost of that placement.
2. Nothing in this part relieves an insurer or similar third party from an otherwise valid obligation to provide or to pay for services provided to a student with a disability.
3. The USBE must ensure there is no delay in implementing a student's IEP, including any case in which the payment source for providing or paying for special education and related services to the student is being determined.
4. The USBE ensures that an interagency agreement is in effect between the noneducational public agency and the USBE, in order to ensure that special education and related services needed for FAPE are provided, including during the pendency of any interagency disputes (34 CFR § 300.154).

VI.J. STUDENTS WITH DISABILITIES CONVICTED AS ADULTS AND INCARCERATED IN ADULT PRISONS (34 CFR § 300.324)

1. The obligation to make FAPE available, including special education and related services under Part B of the IDEA and these SpEd Rules, to all students with disabilities applies to students ages 18–21 who are incarcerated in adult prisons, with the following exceptions:
 - a. The requirements relating to participation of students with disabilities in State- and LEA-wide assessments.
 - b. The requirements in 34 CFR § 300.320(b) relating to postsecondary transition planning and postsecondary transition services with respect to students whose eligibility under Part B of the IDEA will end, because of

VI. Students with Disabilities in Other Settings

their age, before they will be eligible to be released from prison based on consideration of their sentence and eligibility for early release.

2. The IEP Team of a student with a disability who is convicted as an adult under State law and incarcerated in an adult prison may modify the student's IEP or placement if the State has demonstrated a bona fide security or compelling penological interest that cannot otherwise be accommodated. The IEP and LRE requirements do not apply with respect to such modifications.
3. Custodial status alone does not qualify an individual for services under the IDEA (Board Rules R277-709-5(2)).
4. Responsibility for the provision of FAPE resides with the school district in which the prison facility is located.

VI.K. STUDENTS WITH DISABILITIES WHO ARE ALSO IN STATE CUSTODY/CARE (BOARD RULES R277-709 AND UCA 62A-4A-701)

1. The obligation to make FAPE available in the LRE, including special education and related services under Part B of the IDEA and these SpEd Rules, applies to all students with disabilities in state custody/care.
2. All requirements of these SpEd Rules apply to students with disabilities in State custody/care, including child find, LRE, and continuum of alternative placements.
3. Special education programs provided through youth in custody programs shall be monitored, through UPIPS monitoring visits.
4. The USBE will develop and implement a Memorandum of Understanding (MOU) with other State agencies responsible for placing students in State custody/care across LEAs or in private facilities. The MOU will address, at a minimum, payment for education and special education services, timelines for placement, and notification of LEAs of changes in placement, and assign responsibility for FAPE.
5. LEAs must develop and implement a MOU, policies, and procedures to address the process and timelines for interstate and intrastate transfers of students with disabilities in State custody/care, including the transfer of special

VI. Students with Disabilities in Other Settings

education files, including the IEP, and the implementation of the IEP and provision of FAPE in the LRE, even in temporary placements.

- a. The LEA transferring the records must keep a copy of the records for three years after the transfer.

VI.L. STUDENTS WITH DISABILITIES WHO RESIDE IN NURSING HOMES

1. Students with disabilities residing in nursing homes and their parent(s) or students who is an adult have the same rights under IDEA as all other students who are IDEA-eligible students with disabilities.

VII. PRESCHOOL AND POSTSECONDARY TRANSITIONS

VII.A. PRESCHOOL TRANSITION FROM PART C TO PART B OF THE IDEA

1. At the beginning of each school year, each LEA must have an IEP in effect for each student with a disability ages 3–5 within its jurisdiction (34 CFR § 300.323).
2. The USBE and LEA must have in effect policies and procedures to ensure that (34 CFR § 300.124):
 - a. Students participating in early intervention programs assisted under Part C of the IDEA, and who will participate in preschool programs assisted under Part B of the IDEA, experience a smooth and effective transition to those preschool programs;
 - b. By the eligible student’s third birthday, an IEP has been developed and is being implemented for the student;
 - c. If a student’s third birthday occurs after the end of the school year, the student’s IEP Team shall determine the date in the next school year when services under the IEP will begin, except that the IEP Team may determine that extended school year services are needed outside the school year; and
 - d. Each affected LEA will participate in preschool transition planning conferences arranged by the designated lead agency for Part C.
3. In developing the IEP for a student with a disability ages 3–5 or, at the discretion of the LEA, a student who is two-years-old with a disability who will turn age three during the school year, the IEP Team must consider the contents of an IFSP that contains the natural environments statement and an educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills (34 CFR § 300.323).
4. In the case of a student who was previously served under Part C of the IDEA, an invitation to the initial IEP meeting must, at the request of the parent, be sent to the Part C service coordinator or other representatives of the Part C system to assist with the smooth transition of services (34 CFR § 300.321).

VII.B. POSTSECONDARY TRANSITION SERVICES—SCHOOL TO POST-SCHOOL

1. Purpose (34 CFR § 300.1).
 - a. To ensure that all students with disabilities have available to them a FAPE that emphasizes special education and related services designed to meet their unique needs and prepare them for further education, employment, and independent living.
2. Definition (34 CFR § 300.43).
 - a. *Postsecondary Transition services* means a coordinated set of activities for a student with a disability that:
 - (1) Is designed to be within a results-oriented process that is focused on improving the academic and functional achievement of the student with a disability, to facilitate the student's movement from school to post-school activities, including postsecondary education, vocational education, competitive integrated employment (including supported employment), continuing and adult education, adult services, independent living, or full community participation;
 - (2) Is based on the individual student's needs, taking into account the student's strengths, preferences, and interests, and includes:
 - (a) Instruction;
 - (b) Related services;
 - (c) Community experiences;
 - (d) The development of employment and other post-school adult living objectives; and
 - (e) If appropriate, acquisition of daily living skills and provision of a functional vocational evaluation.
 - b. Postsecondary Transition services for students with disabilities may be special education, if provided as specially designed instruction, or a related service, if required to assist a student with a disability to benefit from special education.
3. Parent or student who is an adult participation (34 CFR § 300.322).

VII. Preschool and Postsecondary Transitions

- a. For a student with a disability age 14 and older, or younger if determined appropriate by the IEP Team, the notice of meeting must indicate:
 - (1) That a purpose of the meeting will be the consideration of the postsecondary goals and postsecondary transition services for the student;
 - (2) That the LEA will invite the student; and
 - (3) Identify any other agency that will be invited, with the consent of the parent(s) or student who is an adult, to send a representative.
4. IEP Team (34 CFR § 300.321).
 - a. For an IEP Team meeting that includes as a purpose the development of a postsecondary transition plan:
 - (1) The LEA must invite the student with a disability to attend the student's IEP meeting if a purpose of the meeting will be the consideration of the postsecondary goals for the student and the postsecondary transition services needed to assist the student in reaching those goals.
 - (2) If the student does not attend the IEP meeting, the LEA must take other steps to ensure that the student's preferences and interests are considered.
 - (3) To the extent appropriate, with the consent of the parent(s) or student who is an adult, the LEA must invite a representative of any participating agency that is likely to be responsible for providing or may be paying for postsecondary transition services.
5. Definition of IEP (34 CFR § 300.320(b)).
 - a. For a student with a disability, ages 14 and older, an annual IEP goal related to the student's postsecondary transition service needs.
 - b. Postsecondary transition services. For a student with a disability, ages 14 and older, or younger if determined appropriate by the IEP Team, and updated annually thereafter, the IEP must include:

VII. Preschool and Postsecondary Transitions

- (1) Realistic and reasonable measurable postsecondary goals based upon annual age-appropriate postsecondary transition assessments related to training or education, employment, and, where appropriate, independent living skills;
 - (2) Postsecondary transition services (e.g., activities, experiences, specially designed instruction), that will reasonably enable the student to reach the postsecondary goals identified on the IEP;
 - (3) Multi-year courses of study that will reasonably enable the student to reach the postsecondary goals identified on the IEP;
 - (4) Evidence that the student was invited to the IEP Team meeting where transition services are to be discussed. If the student does not attend the IEP meeting, the IEP Team must take other steps to ensure the student's preferences and interests are considered;
 - (5) If appropriate, evidence that a representative of any participating agency that might be providing or paying for any postsecondary transition services was invited to the IEP Team meeting with written consent of the parent or adult student prior to the meeting; and
 - (6) Any modifications to graduation requirements, as permitted under Board Rules R277-700.
- c. Students with disabilities must have access to all school services related to college and career readiness planning and must be actively invited and included in school activities which address course planning (including online courses), graduation, and postsecondary education and employment (i.e., college week, scholarship opportunities, ACT, and concurrent enrollment) (Board Rules R277-462).
6. Transfer of rights at age of majority (34 CFR §§ 300.320(c), 300.520).
- a. Not later than the student's 17th birthday, the IEP must include a dated statement, signed by the student, parent, and an LEA Representative, that the student and the student's parent(s) have been informed of parent's rights under Part B of the IDEA (i.e., Procedural Safeguards) that will transfer to the student on reaching the age of majority (i.e., age 18), except

VII. Preschool and Postsecondary Transitions

for a student with a disability who has been determined to be incompetent by a court.

- b. All rights accorded to parents under Part B of the IDEA transfer to the student on the student's 18th birthday unless the IEP Team determines that:
 - (1) The parent has obtained legal guardianship, power of attorney, or conservatorship; or
 - (2) The student has married or become emancipated (in which case the rights transfer at that time).
 - c. All rights accorded to parents under Part B of the IDEA transfer to students who are incarcerated in an adult or juvenile State or local correctional institution.
 - d. When a student with a disability reaches the age of majority under State law (i.e., age 18) that applies to all students, except for a student with a disability who has been determined to be incompetent under State law, or the student with a disability marries or becomes emancipated:
 - (1) The LEA must provide any notice required by Part B of the IDEA to both the individual and the parent(s); and
 - (2) All other rights accorded to parents under Part B of the IDEA transfer to the student;
 - (3) All rights accorded to parents under Part B of the IDEA transfer to students who are incarcerated in an adult or juvenile State or local correctional institution; and
 - e. Whenever a state transfers rights, the LEA must notify the individual and the parent(s) of the transfer of rights within a reasonable time frame.
7. Termination of eligibility as a change of placement (34 CFR § 300.305).
- a. An evaluation is not required before the termination of a student's eligibility under this part due to graduation from secondary school with a regular high school diploma, or due to exceeding the age of eligibility for FAPE under Utah law.

VII. Preschool and Postsecondary Transitions

- b. For a student whose eligibility terminates due to graduation from secondary school with a regular diploma, or due to exceeding the age of eligibility for FAPE under Utah law, an LEA must provide the student with a summary of the student's academic achievement and functional performance which shall include a statement of the student's postsecondary goals, recommendations on how to assist the student in meeting the student's postsecondary goals, and a statement of when and how accommodations were used for instruction and assessment.
 - (1) The LEA develops the summary of student's academic achievement and functional performance with the IEP Team and additional individuals as appropriate (e.g., school counselors, CTE teachers, Pre-Employment Transition Service representatives).
 - c. Receipt of a general educational development (GED) credential does not end eligibility for FAPE.
8. Failure to meet postsecondary transition objectives (34 CFR § 300.324)
- a. If a participating agency, other than the LEA, fails to provide the postsecondary transition services described in the IEP, the LEA must reconvene the IEP Team to identify alternative strategies to meet the postsecondary transition objectives for the student set out in the IEP.
 - b. Nothing relieves any participating agency, including a State vocational rehabilitation agency, of the responsibility to provide or pay for any postsecondary transition service that the agency would otherwise provide to students with disabilities who meet the eligibility criteria of that LEA (34 CFR § 300.324).
 - c. If any public agency other than an educational agency is otherwise obligated under Federal or State law, or assigned responsibility under State policy or an interagency agreement, to provide or pay for any services that are also considered special education or related services such as, but not limited to, services relating to assistive technology devices, assistive technology services, related services, supplementary aids and services, and postsecondary transition services, that are necessary for ensuring a FAPE to students with disabilities within the State, the public agency must fulfill that obligation or responsibility, either directly or

VII. Preschool and Postsecondary Transitions

through contract or other arrangement or as provided in an interagency agreement.

9. Students with disabilities in adult prisons (34 CFR § 300.324).
 - a. The requirements relating to postsecondary transition planning and postsecondary transition services do not apply with respect to those students whose eligibility under Part B of the IDEA will end, because of their age, before they will be eligible to be released from prison based on consideration of their sentence and eligibility for early release.
 - b. The obligation to make FAPE available to all students with disabilities does not apply with respect to students ages 18–21 to the extent that State law does not require that special education and related services under Part B of the IDEA be provided to students with disabilities who, in the last educational placement prior to their incarceration in an adult correctional facility (34 CFR § 300.102):
 - (1) Were not actually identified as being a student with a disability; and
 - (2) Did not have an IEP under Part B of the IDEA.
 - c. The exception does not apply to students with disabilities ages 18–21 who:
 - (1) Had been identified as a student with a disability and had received services in accordance with an IEP, but who left school prior to their incarceration; or
 - (2) Did not have an IEP in their last educational setting, but who had actually been identified as a student with a disability.

VII.C. GRADUATION (UCA 53E-7-202; BOARD RULES R277-705)

1. The obligation of the LEA to make FAPE available to all students with disabilities does not apply to students with disabilities who have graduated from high school with a regular high school diploma (34 CFR §300.102(a)(3)(i)).
 - a. The exception in these SpEd Rules VII.C.1 does not apply to students that have graduated from high school but have not been awarded a regular high school diploma (34 CFR § 300.102(a)(3)(ii)).

VII. Preschool and Postsecondary Transitions

- b. The LEA may not withhold a regular high school diploma from a student who has met State or LEA graduation requirements.
 - c. Graduation from high school with a regular high school diploma constitutes a change in placement, requiring prior written notice that must contain all the requirements in these SpEd Rules IV.D, including being given a reasonable time before the LEA proposed to terminate the student's eligibility under the IDEA by issuing the student a diploma (34 CFR § 300.503).
 - d. The term "regular high school diploma" does not include an alternative degree that is not fully aligned with the State's academic standards, such as a certificate or a GED (34 CFR § 300.102(a)(3)(iv)).
2. A student with a disability served by a special education program shall satisfy high school completion or graduation criteria, consistent with State and federal law and the student's IEP. The LEA may modify graduation requirements consistent with the student's IEP (Board Rules R277-700-6(25)). An LEA may award a student a certificate of completion consistent with state and federal law and the student's IEP.
 3. The IEP Team must refer to the USBE Special Education Graduation Guidelines for additional information regarding modifying graduation requirements and IEP substitutions.

VII.D. TERMINATION OF SERVICES UPON REACHING AGE 22 (UCA 53E-7-201; BOARD RULES R277-419-2(23)(B))

1. If a student with a disability turns 22 any time after July 1, LEAs must continue to provide FAPE until the end of that school year.

VII.E. USBE USE OF PART B FUNDS (34 CFR § 300.704)

1. The USBE may use funds from Part B of the IDEA for development and implementation of postsecondary transition programs, including coordination of services with agencies involved in supporting the postsecondary transition of students with disabilities to postsecondary activities.

VIII. RESPONSIBILITIES OF THE UTAH STATE BOARD OF EDUCATION

VIII.A. GENERAL SUPERVISORY AUTHORITY

1. Authority and responsibility to make policy and set standards in the area of education of students with disabilities rests with the USBE by virtue of its constitutional mandate to provide general control and supervision of the public school system (Article X, Section 3) and by specific legislative enactment found in UCA 53E-7-202 through 53E-7-208. The statutes cited indicate an intended partnership arrangement between the USBE and LEAs. The cost of such a program may be paid from fees, contributions, and other funds received by LEA for support of the program but may not be paid from public education funds.
- d. In order to obtain funds under Part B of the IDEA, the USBE must submit to the U.S. Department of Education, on behalf of the State of Utah as a whole, written policies and procedures governing the operation of special education programs and must comply with a series of Federal administrative requirements described in these SpEd Rules. Therefore, all provisions under Part B of the IDEA apply to each political subdivision of the State that is involved in the education of students with disabilities, irrespective of whether the subdivision receives any funds under Part B of the IDEA. This includes State and local juvenile and adult correctional facilities. The requirements of Part B of the IDEA and these SpEd Rules are binding on each LEA and other public agency that has direct or delegated authority to provide special education and related services in the State of Utah.

VIII.B. STATE ELIGIBILITY

 - (2) Are provided with technical assistance and training necessary to assist them in this effort.
6. Procedural safeguards (34 CFR § 300.121).

VIII.C. STATE MONITORING AND ENFORCEMENT (34 CFR § 300.600)

1. The USBE staff must:
 - a. Monitor the implementation of Part B of the IDEA and these SpEd Rules;
 - b. Evaluate the standards and guidelines that establish the identifying criteria for disability classifications to assure strict compliance with those standards by LEAs (UCA 53F-2-307);

VIII. Responsibilities of the Utah State Board of Education

- c. Make determinations annually about the performance of each LEA using the categories in 34 CFR § 300.603(b)(1);
 - d. Enforce implementation of Part B of the IDEA and these SpEd Rules using appropriate enforcement mechanisms, which must include, if applicable, the enforcement mechanisms identified in 34 CFR § 300.604(a)(1) (technical assistance) and (a)(3) (conditions on funding of an LEA), (b)(2)(i) (a corrective action plan or improvement plan) and (b)(2)(v) (withholding funds, in whole or in part, by the USBE), and (c)(2) (withholding funds in whole or in part, by the USBE); and
 - e. Report annually on the performance of the State and of each LEA and USDB under the IDEA (34 CFR §300.602).
 - (1) The USBE will report annually to the public on the performance of each LEA and USDB located in the State on the targets in the State's Performance Plan (SPP) as soon as practicable but no later than 120 days following the State's submission of its Annual Performance Report (APR) to the Secretary.
 - (2) The USBE will make each of the following items available through public means (i.e., SPP, APR, and the State's annual reports on the performance of each LEA located in the State). In doing so, the State must, at a minimum, post the plan and reports on the USBE website, and distribute the plan and reports to the media and through public agencies.
2. In exercising its monitoring responsibilities under these SpEd Rules VIII.C.1, the State must ensure that when it identifies noncompliance with the requirements of this part by LEAs, the noncompliance is corrected as soon as possible, and in no case later than one year after the State's identification of the noncompliance.
3. The primary focus of the State's monitoring activities must be on:
- a. Improving educational results and functional outcomes for all students with disabilities; and
 - b. Ensuring that public agencies meet the program requirements under Part B of the IDEA, with a particular emphasis on those requirements that are

VIII. Responsibilities of the Utah State Board of Education

most closely related to improving educational results for students with disabilities.

4. As a part of its responsibilities, the USBE uses quantifiable indicators and such qualitative indicators as are needed to adequately measure performance in the priority areas, and the indicators established by the Secretary for the SPP. These indicators will be posted on the USBE website for the public and distributed to LEAs and public agencies.
5. As required by this section, the USBE staff monitors the public agencies located in the State, using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in those areas:
 - a. Provision of a FAPE in the least restrictive environment (LRE).
 - b. General supervision, including child find, effective monitoring, the use of resolution meetings, mediation, and a system of preschool and postsecondary transition services.
 - c. Disproportionate representation of racial and ethnic groups in special education and related services, to the extent the representation is the result of inappropriate identification.
6. Monitoring activities for Least Restrictive Environment (LRE) (34 CFR § 300.120).
 - a. The USBE staff must carry out activities to ensure that the LRE requirements are implemented by each LEA.
 - b. If there is evidence that an LEA makes placements that are inconsistent with the LRE requirements, the USBE staff must:
 - (1) Review the LEA's justification for its actions; and
 - (2) Assist in planning and implementing any necessary corrective action.

VIII.D. USBE PROGRAM MONITORING

1. The USBE staff is responsible for the monitoring and evaluation of all public agencies within the State of Utah involved in the education of students with disabilities, ages 3–21. Consistent with Federal efforts to create a monitoring system that focuses on program effectiveness and student results, the USBE

VIII. Responsibilities of the Utah State Board of Education

staff has developed a model that emphasizes a systematic approach to improve and sustain the service delivery system and to positively affect student success. This monitoring system, Utah's Program Improvement Planning System (UPIPS), promotes a partnership between each LEA or other public agency and the USBE. UPIPS involves active strategic planning and continuous improvement within the framework of compliance.

2. All LEAs are involved in the UPIPS monitoring system, as required under Part B of the IDEA, Board Rules R277-709, and Board Rules R277-114-3. The UPIPS system is revised periodically and goes through the process of stakeholder involvement and comment. UPIPS requirements:
 - a. Ensure a meaningful and continuous process that focuses on improving academic and social outcomes for students with disabilities by linking LEA data (including APR and dispute resolution data) to improvement efforts.
 - b. Ensure compliance with IDEA and these SpEd Rules.
 - c. Link program improvement activities with multi-year professional learning planning.
 - d. Support each LEA in the process of self-assessment, evaluation, implementation of corrective actions, if needed, and improvement of program effectiveness.
 - e. LEAs shall complete the required activities according to the timeline provided by the USBE staff.
 - f. All LEAs are provided with professional learning and details of all requirements.
 - g. Additional professional learning, technical assistance, and ongoing support for LEA staff in addressing the responsibilities and requirements is provided throughout the process, as needed. Details of the process and requirements of UPIPS are available on the [USBE website](#)
3. Results of the monitoring process are publicly available, upon request.

VIII.E. STATE PERFORMANCE PLANS AND DATA COLLECTION (34 CFR § 300.601)

1. In conformance with Federal requirements, the USBE has in place a SPP that evaluates the USBE's efforts to implement the requirements and purposes of Part B of the IDEA and describes how the USBE will improve such implementation.

2. The USBE has established performance indicators that the State will use to assess progress toward achieving those goals, including measurable annual objectives for progress by students with disabilities under the Elementary and Secondary Education Act (ESEA) currently titled the Every Student Succeeds Act (ESSA).
3. The USBE reports annually to the Secretary and the public on the progress of the State, and of students with disabilities in the State, toward meeting the goals established under these SpEd Rules VIII.F.1, which include elements of the reports required under Section 1111(h) of the ESEA.

- (iii) For each year of the determination, withholds not less than 20 percent and not more than 50 percent of the USBE's funds under section 611 of the IDEA, until the Secretary determines the USBE has sufficiently addressed the areas in which the State needs intervention.

5. Withholding funds (34 CFR § 300.605).

 - a. If responsibility for ensuring that the requirements of Part B of the IDEA are met with respect to students with disabilities who are convicted as adults under State law and incarcerated in adult prisons is assigned to an LEA rather than the USBE, and if the Secretary finds that the failure to comply substantially with the provisions of Part B of the IDEA are related to a failure by the LEA, the Secretary takes appropriate corrective action to ensure compliance with Part B of the IDEA, except that:
 - (1) Any reduction or withholding of payments to the State must be proportionate to the total funds allotted under section 611 of the IDEA to the State as the number of eligible students with disabilities in adult prisons under the supervision of the other LEA is proportionate to the number of eligible individuals with disabilities in the State under the supervision of the USBE; and
 - (2) Any withholding of funds under must be limited to the specific LEA or other public agency responsible for the failure to comply with Part B of the IDEA.

VIII.H. STATE ENFORCEMENT (34 CFR § 300.608)

2. The Utah Results Driven Accountability (RDA) process includes annual LEA determinations, in alignment with the requirements applied to the annual Utah determination by the Secretary. Revisions to the RDA process, when needed,

VIII. Responsibilities of the Utah State Board of Education

must be made through a public input and comment process, and posted on the USBE website.

 - (1) The Secretary may permit States and the Secretary of the Interior to obtain data in section 618(a) of the IDEA through sampling.
4. Annual report of students served—certification (34 CFR § 300.643).
 - a. The USBE must include in its report a certification signed by an authorized official of the agency that the information provided under 34 CFR § 300.640 is an accurate and unduplicated count of students with disabilities receiving special education and related services on the dates in question.
5. Annual report of students served—criteria for counting students (34 CFR § 300.644).

VIII.L. INTERAGENCY COLLABORATION

1. It is the policy of this State that all agencies that provide services to persons with disabilities coordinate and ensure that services and supports are provided in a cost-effective manner. It is the intent of the legislature that services and supports provided be coordinated to meet the individual needs of persons with disabilities; and, within appropriations authorized by the legislature, the State Director of Special Education, the Director of the Utah State Office of Rehabilitation, the Executive Director of the Department of Human Services,

 - h. A person with a disability, a family member of a person with a disability, or an advocate for persons with disabilities appointed by the members listed above.
3. The CCPD has authority, if local or individual efforts have failed, to coordinate the appropriate transition of persons with disabilities who receive services and support from one State agency to receive services and support from another State agency; coordinate policies governing the provision of services and support for persons with disabilities by State agencies; and consider issues regarding eligibility for services and support and, where possible, develop uniform eligibility standards for State agencies.

VIII. Responsibilities of the Utah State Board of Education

4. Utah's Administrative Procedures Act details the procedures by which issues of program and financial responsibility are determined and conflicts arising from interagency efforts are resolved. The Administrative Procedures Act also identifies procedures under which the LEAs and other public agencies may initiate proceedings in order to secure reimbursement from agencies that are parties to an agreed-upon education and treatment plan, or to otherwise implement the provisions of the agreement. CCPD is the State-level policy body responsible, under guidance of the Administrative Procedures Act and under mandate from the Omnibus Disability Services Act (1991), for:
 - a. Coordinating and ensuring that services and supports are provided in a cost-effective manner. It is the intent of the legislature that services and supports provided under this chapter be coordinated to meet the individual needs of persons with disabilities.
 - b. Whenever possible, regard an individual's personal choices concerning services and supports that are best suited to individual's needs and that promote the individual's independence, productivity, and integration in community life.
5. Methods of ensuring services (34 CFR § 300.154).
 - a. The Chief Executive Officer of a State or designee of that Officer must ensure that an interagency agreement or other mechanism for interagency coordination is in effect between each noneducational public agency and the USBE, in order to ensure that all services that are needed to ensure FAPE are provided, including the provision of these services during the pendency of any dispute. All interagency agreements or mechanisms will include:

 - (2) Identification of or a method for defining the financial responsibilities of each agency for providing services.

VIII. Responsibilities of the Utah State Board of Education

- (a) The financial responsibility of each noneducational public agency obligated under Federal or State law, or assigned responsibility under State policy to provide or pay for any services that are also considered special education or related services, including the State Medicaid agency and other public insurers of students with disabilities, must precede the financial responsibility of the LEA, or the State agency responsible for developing the student's IEP.
 - (3) Procedures for resolving interagency disputes (including procedures under which LEAs may initiate proceedings) under the agreement or other mechanism to secure reimbursement from other agencies or otherwise implement the provisions of the agreement or mechanism (see Utah Administrative Procedures Act).
 - (4) The conditions, terms, and procedures under which an LEA must be reimbursed by other agencies.
 - (5) Procedures under which LEAs may initiate proceedings to secure reimbursement from agencies that are parties to the agreement or otherwise implement the agreement.
 - (6) Procedures for agencies to determine and identify the interagency coordination responsibilities of each agency to promote the coordination and timely and appropriate delivery of services.
6. Obligation of noneducational public agencies (34 CFR § 300.154(b)).
- a. If any public agency other than an educational agency is otherwise obligated under Federal or State law, or assigned responsibility under State policy to provide or pay for any services that are also considered special education or related services as defined in these SpEd Rules (such as, but not limited to, related-services-described assistive technology devices and assistive technology services, supplementary aids and services, and postsecondary transition services) that are necessary for ensuring FAPE to students with disabilities within the State, the public agency must fulfill that obligation or responsibility, either directly or through contract or other arrangement.

VIII. Responsibilities of the Utah State Board of Education

- b. A noneducational public agency described in this section may not disqualify an eligible service for Medicaid reimbursement because that service is provided in a school context.
 - c. If a public agency other than an educational agency fails to provide or pay for the special education and related services described in this section, the LEA (or State agency responsible for developing the student's IEP) must provide or pay for these services to the student in a timely manner. The LEA or State agency is authorized to claim reimbursement for the services from the noneducational public agency that failed to provide or pay for these services and that agency must reimburse the LEA or State agency in accordance with the terms of the interagency agreement or other mechanism described in this section.
7. Students with disabilities who are covered by public benefits or insurance (34 CFR § 300.154(d)).
- a. An LEA may use Medicaid or other public insurance benefits programs in which a student participates to provide or pay for services required under this section, as permitted under the public insurance program, except as provided in these SpEd Rules VIII.L.5.b.
 - b. With regard to services required to provide a FAPE to a student who is eligible as described in this section, the LEA:
 - (1) May not require parent(s) or student who is an adult to sign up for or enroll in public insurance programs in order for their student to receive a FAPE under Part B of the IDEA.
 - (2) May not require parent(s) or student who is an adult to incur an out-of-pocket expense, such as the payment of a deductible or co-pay amount incurred in filing a claim for services provided as described in this section, but may pay the cost that the parent or student who is an adult otherwise would be required to pay (SpEd Rules VIII.L.8).
 - (3) May not use a student's benefits under a public insurance program if that use would:
 - (a) Decrease available lifetime coverage or any other insured benefit;

VIII. Responsibilities of the Utah State Board of Education

- (b) Result in the family paying for services that would otherwise be covered by the public benefits or insurance program and that are required for the student outside of the time the student is in school;
 - (c) Increase premiums or lead to the discontinuation of benefits or insurance; or
 - (d) Risk loss of eligibility for home and community-based waivers, based on aggregate health-related expenditures.
- (4) Must obtain a one-time written consent from the parent or student who is an adult after providing the written notification described below, before accessing the student's or the parent's public benefits or insurance for the first time. This consent must specify the:
- (a) PII that may be disclosed (e.g., records or information about services that may be provided to a particular student);
 - (b) Purpose of the disclosure (e.g., billing for services);
 - (c) Agency to which the disclosure may be made (e.g., Medicaid); and
 - (d) Parent or student who is an adult understands and agrees that the public agency may access the student's or parent's public benefits or insurance to pay for services.
- (5) Must provide written notification to the student's parents or student who is an adult before accessing the student's or the parent's public benefits or insurance for the first time and prior to obtaining the one-time parental or student who is an adult consent and annually thereafter. The written notification must explain all of the protections available to parents or student who is an adult under Part B, to ensure that parents or student who is an adult are fully informed of their rights before a public agency can access their or their student's public benefits or insurance to pay for services under the IDEA. The notice must be written in a language understandable to the general public and in the native language of the parent or student who is an adult or other mode of communication used by the parents or student who is an adult, unless it is clearly not feasible to do so.

VIII. Responsibilities of the Utah State Board of Education

- (6) Notify parent(s) or student who is an adult that the parent's or student who is an adult's refusal to allow access to their public benefits or insurance does not relieve the LEA or other public agency of its responsibility to ensure that all required services are provided at no cost to the parents or student who is an adult.
8. Students with disabilities who are covered by private insurance (34 CFR § 300.154(e)).
 - a. With regard to services required to provide a FAPE to a student eligible as described in these SpEd Rules, an LEA may access a parent's or student's, who is an adult, private insurance proceeds only if the parent or student who is an adult provides consent. Each time the LEA proposes to access the parent's or student's, who is an adult, private insurance proceeds, it must:
 - (1) Obtain parental or student who is an adult consent.
 - (2) Inform the parent(s) or student who is an adult that their refusal to permit the LEA to access their private insurance does not relieve the LEA of its responsibility to ensure that all required services are provided at no cost to the parent(s) or student who is an adult.
9. Use of Part B funds.
 - a. If an LEA is unable to obtain parental or student who is an adult consent to use a parent's or student who is an adult's, private insurance, public benefits, or insurance when the parent or student who is an adult would incur a cost for a specified service required under these SpEd Rules to ensure FAPE, the LEA may use its Part B funds to pay for the service.
 - b. To avoid financial cost to parent(s) or student who is an adult who otherwise would consent to use private insurance, public benefits, or insurance if the parent or student who is an adult would incur a cost, the LEA may use its Part B funds to pay the cost the parent(s) or student who is an adult otherwise would have to pay to use the parent's or student's, who is an adult, benefits or insurance (e.g., the deductible or co-pay amounts).

11. Nothing in this section should be construed to alter the requirements imposed on a State Medicaid agency, or any other agency administering a public benefits or insurance program by Federal statute, regulations, or policy under Title XIX or Title XXI of the Social Security Act, or any other public benefits or insurance program.

2. The USBE complies with the requirement of these SpEd Rules VIII.N.1., by maintaining documentation that, prior to the adoption of policies and procedures, the policies and procedures were subjected to a public review and comment process consistent with these SpEd Rules and in accordance with the Utah Administrative Rulemaking Act, UCA 63G-3-101.

- (3) The USBE requires each LEA to use the Chart of Accounts as specified by the USBE School finance section for the reporting of State and Federal special education funds.
 - c. Funds paid to a state under Part B of the IDEA must be used to supplement the level of Federal, state, and local funds (including funds that are not under the direct control of the USBE or LEAs) expended for special education and related services provided to students with disabilities under Part B of the IDEA, and in no case to supplant those Federal, state, and local funds.
3. Maintenance of State financial support (34 CFR § 300.163).
 - a. A state must not reduce the amount of state financial support for special education and related services for students with disabilities, or otherwise made available because of the excess costs of educating those students, below the amount of that support for the preceding fiscal year.
 - b. The Secretary reduces the allocation of funds under section 611 of the IDEA for any fiscal year following the fiscal year in which the State fails to comply with the maintenance of State financial support (MSFS) requirement by the same amount by which the State fails to meet the requirement.
 - (1) In the occurrence that the State does not meet the MSFS requirement, the State may apply to the Secretary for a waiver.
 - (a) The Secretary may waive the MSFS requirement for a State, for one fiscal year at a time, if the Secretary determines that:

 - (ii) The State meets the standard in 34 CFR § 300.164 for a waiver of the requirement to supplement, and not to supplant, funds received under Part B of the Act.

VIII. Responsibilities of the Utah State Board of Education

4. Rule of construction (34 CFR § 300.166).
 - a. In complying with 34 CFR §§300.162 and §300.163, a State may not use funds paid to it under this part to satisfy State-law mandated funding obligations to LEAs. This means that the State may not use funds received under IDEA Part B to satisfy state financial obligations, including the funding of State initiatives, attendance-based funding, or State funding increases based on inflation.

 - b. Some portion of the reserved funds must be used to carry out the following activities:
 - (1) For monitoring, enforcement, and complaint investigation; and
 - (2) To establish and implement the mediation process required in Part B of the IDEA, including providing for the costs of mediators and support personnel.

 - (11) To provide technical assistance to schools and LEAs, and direct services, including supplemental educational services to students with disabilities, in schools or LEAs identified for improvement on the sole basis of the assessment results of the disaggregated subgroup of students with disabilities, including providing professional learning to special and regular education teachers, who teach students with disabilities, based on scientifically-based research to improve educational instruction, in order to improve academic achievement to meet or exceed the objectives established by the State.
- d. Local education agency high-cost fund (i.e., Intensive Services fund).
- (1) For the purpose of assisting LEAs (including a charter school that is an LEA or a consortium of LEAs) in addressing the needs of students with high-need disabilities, the USBE staff has reserved for each fiscal year up to ten percent of the amount of funds reserved for other State-level activities in the Intensive Services fund:
 - (a) To finance and make disbursements from the high-cost fund (i.e., Intensive Services fund) to LEAs in accordance with these SpEd Rules VIII.P.5.d.(3) during the first and succeeding fiscal years of the high-cost fund; and

 - (a) A state must not use more than five percent of the funds the state reserves for each fiscal year to support innovative and effective ways of cost sharing among consortia of LEAs.
- (3) The USBE has developed and must annually review a State plan for the high-cost fund (i.e., Intensive Services fund, Board Rules R277-752). The plan must:
 - (a) Establish, in consultation and coordination with representatives from LEAs, a definition of a student with a high-need disability that, at a minimum:
 - (i) Addresses the financial impact a student with a high-need disability has on the budget of the student's LEA; and
 - (ii) Ensures that the cost of the student with a high-need disability is greater than three times the average per-pupil expenditure in that State;
 - (b) Establish eligibility criteria for the participation of an LEA that, at a minimum, take into account the number and percentage of students with high-need disabilities served by an LEA;
 - (c) Establish criteria to ensure that placements supported by the fund are consistent with the LRE requirements;
 - (d) Develop a funding mechanism that provides distributions each fiscal year to LEAs that meet the criteria developed by the State;

VIII. Responsibilities of the Utah State Board of Education

- (f) If the State elects to reserve funds for supporting innovative and effective ways of cost sharing, describe how these funds will be used.
 - (g) The State makes its final State plan for the high-cost fund available to the public not less than 30 days before the beginning of each school year (i.e., July 1), including dissemination of such information on the State website.
- (4) The USBE staff makes all annual disbursements from the high-cost fund (i.e., Intensive Services fund) established in accordance with the published State plan.
 - (5) The costs associated with educating a student with a high-need disability are only those costs associated with providing direct special education and related services to the student that are identified in that student's IEP, including the cost of room and board for a residential placement determined necessary to implement a student's IEP.
 - (6) The funds in the high-cost fund (i.e., Intensive Services funds) remain under the control of the State until disbursed to an LEA to support a specific student who qualifies under the State plan for the high-cost funds (i.e., Intensive Services funds) or distributed to LEAs.
 - (7) The disbursements must not be used to support legal fees, court costs, or other costs associated with a cause of action brought on behalf of a student with a disability to ensure a FAPE for such student.
 - (8) Participation in the high-cost fund (i.e., Intensive Services fund) may not be used to:
 - (a) Limit or condition the right of a student with a disability who is assisted under Part B of the IDEA to receive a FAPE in the least restrictive environment; or
 - (b) Authorize the USBE or an LEA to establish a limit on what may be spent on the education of a student with a disability.

VIII. Responsibilities of the Utah State Board of Education

- (9) Disbursements provided under this section must not be used to pay costs that otherwise would be reimbursed as medical assistance for a student with a disability under the State Medicaid program under Title XIX of the Social Security Act.
- e. A state may use funds the state reserves for administration, coordination, and technical assistance under these SpEd Rules VIII.P.1.-2. without regard to:
 - (1) The prohibition on commingling of funds.
 - (2) The prohibition on supplanting other funds.
- 8. Subgrants to LEAs for eligible students ages 3–21 (34 CFR § 300.705).
 - a. Each state that receives a grant under section 611 of the IDEA for any fiscal year must distribute any funds the state does not reserve under 34 CFR § 300.704 to LEAs (including public charter schools that operate as LEAs) in the state that have established their eligibility under section 613 of the IDEA for use in accordance with Part B of the IDEA.
 - b. Effective with funds that become available on July 1, 2009, each state must distribute funds to eligible LEAs including public charter schools that operate as LEAs, even if the LEA is not providing services to any students with disabilities.
 - (1) LEAs not providing services to any students with disabilities receive IDEA funding through the IDEA allocation calculation which considers base, population, and poverty. These funds may be used on child find activities and special education and related services for any enrolled eligible students.
 - c. Allocations to LEAs.
 - (1) For each fiscal year for which funds are allocated to states, each state shall allocate funds as follows:
 - (a) The state first must award each eligible LEA the amount the LEA would have received under section 611 of the IDEA for fiscal year 1999, if the state had distributed 75 percent of its grant for that

VIII. Responsibilities of the Utah State Board of Education

year under Section 611(d) of the IDEA, as that section was then in effect.

- (b) For any fiscal year after 1999:
 - (i) If a new LEA is created, the state must divide the base allocation for the LEAs that would have been responsible for serving students with disabilities now being served by the new LEA, among the new LEA and affected LEAs based on the relative numbers of students with disabilities ages 3–21, currently provided special education by each of the LEAs;
 - (ii) If one or more LEAs are combined into a single new LEA, the state must combine the base allocations of the merged LEAs; and
 - (iii) If, for two or more LEAs, geographic boundaries or administrative responsibility for providing services to students with disabilities ages 3–21 change, the base allocations of affected LEAs must be redistributed among affected LEAs based on the relative numbers of students with disabilities ages 3–21 currently provided special education by each affected LEA.
 - (iv) If an LEA received a base payment of zero in its first year of operation, the USBE staff must adjust the base payment for the first fiscal year after the first annual child count in which the LEA reports that it is serving any students with disabilities. The USBE staff must divide the base allocation for the LEAs that would have been responsible for serving students with disabilities now being served by the LEA, among the LEA and affected LEAs based on the relative numbers of students with disabilities ages 3–21, or ages 6–21 currently provided special education by each of the LEAs. This requirement takes effect with funds that become available on July 1, 2009.
- d. Reallocation of LEA funds (34 CFR § 300.705).

VIII. Responsibilities of the Utah State Board of Education

- (1) If the USBE staff determines that an LEA is adequately providing FAPE to all students with disabilities residing in the areas served by that agency with State and local funds, the USBE staff may reallocate any portion of the funds under this part that are not needed by that LEA to provide FAPE to other LEAs in the State that are not adequately providing special education and related services residing in the areas served by those other LEAs. The USBE staff may also retain those funds for use at the State level to the extent that the State has not reserved the maximum amount of funds it is permitted to reserve for State-level activities pursuant to 34 CFR § 300.704.
 - (2) After the USBE staff distributes funds under this part to an eligible LEA that is not serving any students with disabilities, the USBE staff must determine, within a reasonable period of time prior to the end of the carryover period, whether the LEA has obligated the funds. The USBE staff may reallocate any of those funds not obligated by the LEA to other LEAs in the State that are not adequately providing special education and related services to all students with disabilities residing in the areas served by those other LEAs. The USBE staff may also retain those funds for use at the State level to the extent the State has not reserved the maximum amount of funds it is permitted to reserve for State-level activities pursuant to 34 CFR § 300.705.
 - (3) Allocation of remaining funds. After making allocations and adjustments, the State must:
 - (a) Allocate 85 percent of any remaining funds to eligible LEAs on the basis of the relative numbers of students enrolled in public and private elementary schools and secondary schools within the LEA's jurisdiction; and
 - (b) Allocate 15 percent of those remaining funds to eligible LEAs in accordance with their relative numbers of students living in poverty, as determined by the USBE staff.
9. Annually, the USBE staff shall notify each eligible LEA of the availability of Part B funds (SpEd Rules IX.A).

VIII. Responsibilities of the Utah State Board of Education

- a. Annual requests for Part B funds shall be submitted through the Utah Grants Management System to the Special Education Services Section of the USBE for review and recommendation for approval.
- b. Personnel of the Special Education Services Section shall initially review the request for consistency with Federal requirements and will approve appropriate requests.
- c. An LEA that receives approval for funding shall be notified in writing through the Utah Grants Management System of:
 - (1) The amount of the grant.
 - (2) The period during which the LEA may obligate the funds.
 - (3) The Federal requirements that apply to the grant.
- d. If an LEA makes an amendment to its policies and procedures, the LEA shall use the same steps as those noted in these SpEd Rules IX.A.1.-2. for submitting original policies and procedures. The State's procedures for approving amended policies and procedures are also contained in these SpEd Rules IX.A.

 - a. Each state may reserve not more than the amount described in these SpEd Rules VIII.P.5 for administration and other state-level activities.
 - b. For each fiscal year, the Secretary determines and reports to the USBE an amount that is 25 percent of the amount the State received under Section

VIII. Responsibilities of the Utah State Board of Education

619 of the IDEA for fiscal year 1997, cumulatively adjusted by the Secretary for each succeeding fiscal year by the lesser of:

- (1) The percentage increase, if any, from the preceding fiscal year in the State's allocation under section 619 of the Act; or
 - (2) The rate of inflation, as measured by the percentage increase, if any, from the preceding fiscal year in the Consumer Price Index for All Urban Consumers, published by the Bureau of Labor Statistics of the Department of Labor.
3. State administration of section 619, preschool (34 CFR § 300.813).
 - a. For the purpose of administering section 619 of the IDEA (including the coordination of activities under Part B of the IDEA with, and providing technical assistance to, other programs that provide services to students with disabilities), a state may use not more than 20 percent of the maximum amount the state may reserve under 34 CFR § 300.812 for any fiscal year.
 4. Other State-level activities under section 619 (34 CFR § 300.814).
 - a. Each state must use any funds the state reserves and does not use for administration:
 - (1) For support services (including establishing and implementing the mediation process required by section 615(e) of the IDEA), which may benefit students with disabilities younger than three or older than five as long as those services also benefit students with disabilities ages 3–5;
 - (2) For direct services for students eligible for services under section 619 of the IDEA;
 - (3) For activities at the state and local levels to meet the performance goals established by the state under section 612(a)(15) of the IDEA; or
 - (4) To supplement other funds used to develop and implement a Statewide coordinated services system designed to improve results for students and families, including students with disabilities and their

VIII. Responsibilities of the Utah State Board of Education

families, but not more than one percent of the amount received by the state under Section 619 of the IDEA for a fiscal year.

5. Subgrants to LEAs under section 619 for eligible students ages 3–5 (34 CFR § 300.815).
 - a. Each state that receives a grant under 619 of the IDEA for any fiscal year must distribute all of the grant funds the state does not reserve under 34 CFR § 300.812 to LEAs (including public charter schools that operate as LEAs) in the state that have established their eligibility under section 613 of the IDEA. Effective with funds that become available on July 1, 2009, each state must distribute funds to eligible LEAs that are responsible for providing education to students ages 3–5 years, including public charter schools that operate as LEAs, even if the LEA is not serving any students in preschool with disabilities.
 - b. Allocations to LEAs (34 CFR § 300.816).
 - (1) The State must first award each eligible LEA the amount that agency would have received under section 619 of the IDEA for fiscal year 1997 if the State had distributed 75 percent of its grant for that year under section 619(c)(3), as such section was then in effect.
 - (2) For fiscal year 1998 and beyond:
 - (a) If a new LEA is created, the State must divide the base allocation determined under these SpEd Rules VIII.Q.5.a for the LEAs that would have been responsible for serving students with disabilities now being served by the new LEA, among the new LEA and affected LEAs based on the relative numbers of students with disabilities ages 3–5 currently provided special education by each of the LEAs;
 - (b) If one or more LEAs are combined into a single new LEA, the USBE staff must combine the base allocations of the merged LEAs:
 - (c) If for two or more LEAs, geographic boundaries or administrative responsibility for providing services to students with disabilities ages 3–5 changes, the base allocations of affected must be

VIII. Responsibilities of the Utah State Board of Education

redistributed among affected LEAs based on the relative numbers of students with disabilities ages 3–5 currently provided special education by each LEA; and

- (d) If an LEA received a base payment of zero in its first year of operation, the USBE must adjust the base payment for the first fiscal year after the first annual child count in which the LEA reports that it is serving any students with disabilities aged three through five years. The State must divide the base allocation determined for the LEAs that would have been responsible for serving students with disabilities aged three through five years now being served by the LEA, among the LEA and affected LEAs based on the relative numbers of students with disabilities aged three through five years currently provided special education by each of the LEAs.

(3) After making allocations as described above, the State must:

- (a) Allocate 85 percent of any remaining funds to eligible LEAs on the basis of the relative numbers of students enrolled in public and private elementary schools and secondary schools within the LEA's jurisdiction; and
 - (b) Allocate 15 percent of those remaining funds to eligible LEAs in accordance with their relative numbers of students living in poverty, as determined by the USBE staff.
- c. For the purpose of making grants under this section, States must apply on a uniform basis across all LEAs the best data that are available to them on the numbers of students enrolled in public and private elementary and secondary schools and the numbers of students living in poverty.
6. Reallocation of LEA funds (34 CFR § 300.817).
- a. If the USBE staff determine that an LEA is adequately providing FAPE to all students with disabilities ages 3–5 residing in the area served by the LEA with State and local funds, the USBE staff may reallocate any portion of the funds under section 619 of the IDEA that are not needed by that LEA to provide FAPE to other LEAs in the State that are not adequately providing special education and related to all students with disabilities ages 3–5

VIII. Responsibilities of the Utah State Board of Education

residing in the areas the other LEAs serve. The USBE staff may also retain those funds for use at the State level to the extent the State has not reserved the maximum amount of funds it is permitted to reserve for State-level activities pursuant to 34 CFR § 300.812.

- b. After the USBE staff distributes section 619 funds to an eligible LEA that is not serving any children with disabilities ages 3–5 years, as provided in 34 CFR § 300.815, the USBE staff must determine, within a reasonable period of time prior to the end of the carryover period, whether the LEA has obligated the funds. The USBE staff may reallocate any of those funds not obligated by the LEA to other LEAs in the State that are not adequately providing special education and related services to all students with disabilities aged three through five residing in the areas served by those other LEAs. The USBE staff may also retain those funds for use at the State level to the extent the State has not reserved the maximum amount of funds it is permitted to reserve for State-level activities pursuant to 34 CFR § 300.812.

VIII.R. USBE RESPONSIBILITIES

1. Direct Services by the USBE (34 CFR § 300.227).
 - a. The USBE must use the payments that would otherwise have been available to an LEA or to a State agency to provide special education and related services directly to students with disabilities residing in the area served by that LEA, or for whom that State agency is responsible, if the USBE determines that the LEA or State agency:
 - (1) Has not provided the information needed to establish the eligibility of the LEA under Part B of the IDEA or elected not to apply for its Part B allotment.
 - (2) Is unable to establish and maintain programs of FAPE that meet the requirements of these SpEd Rules.
 - (3) Is unable or unwilling to be consolidated with one or more LEAs in order to establish and maintain the programs.

VIII. Responsibilities of the Utah State Board of Education

- (4) Has one or more students with disabilities who can best be served by a regional or State program or service delivery system designed to meet the needs of these students.
2. The USBE may provide special education and related services under these SpEd Rules VIII.Q.1 in the manner and at the locations as the USBE considers appropriate. The services must be provided in accordance with Part B of the IDEA and these SpEd Rules.
3. If the USBE after reasonable notice and an opportunity for a hearing, finds that an LEA or State agency that has been determined to be eligible under this subpart is failing to comply with any requirement for eligibility (34 CFR §§ 300.201–213, SpEd Rules IX.), the USBE must reduce or must not provide any further payments to the LEA or State agency until the USBE is satisfied that the LEA or State agency is complying with that requirement (34 CFR § 300.222(a)).
 - a. Any LEA in receipt of a notice described in these SpEd Rules VIII.R.3 above, shall, by means of public notice, take the measures necessary to bring the pendency of an action pursuant to this section to the attention of the public within the jurisdiction of the agency (34 CFR § 300.222(b)).
 - b. The USBE must consider any decision resulting from a hearing held under the procedural safeguards in 34 CFR §§ 300.511–300.533 that is adverse to the LEA or State agency involved in the decision (34 CFR § 300.222(c)).
4. If the LEA is found to be in noncompliance with the provisions of the IDEA and the requirement for submission of local policies and procedures, as described in USBE policy, the LEA shall be given reasonable notice and provided an opportunity for a hearing (34 CFR § 300.155).
 - a. If an LEA disagrees with the decision of the USBE staff, it shall request a hearing within 30 days of the action.
 - b. Within 30 days after it receives a request for a hearing, the USBE staff shall hold a hearing on the record and shall review its action.
 - c. No later than ten days after the hearing, the USBE staff shall issue its written ruling, including findings of fact and reasons for the ruling.

VIII. Responsibilities of the Utah State Board of Education

- d. If the USBE staff determines that its action was contrary to State or Federal statutes, regulations, or rules that govern the program, the USBE staff shall rescind its action.
5. If the USBE staff determines that an LEA is unable to establish and maintain programs of sufficient size and scope to effectively meet the educational needs of students with disabilities, a consolidated request for Part B funds shall be required in order to establish joint eligibility (34 CFR § 300.223).
 - a. Annually, the State Director of Special Education shall notify those LEAs within the State that are required to submit a consolidated request.
 - b. A consolidated request shall meet the same minimum requirements of a single district request, including adopting policies and procedures consistent with these SpEd Rules, and must be signed by the superintendent of each participating LEA (34 CFR § 300.224).
 - c. LEAs participating in a consolidated request shall be jointly responsible for implementing a program of FAPE for all their students with disabilities.
 - d. Each LEA participating in a consolidated request shall use an accounting system that permits identification of the costs paid for under its subgrant.
 - e. The State shall not make a subgrant that exceeds the sum of the entitlements of the separate local LEAs.
 - f. The provision of services through the establishment of joint eligibility must be consistent with these SpEd Rules III.P.

VIII.S. RECORDS RETENTION REQUIREMENTS

1. As required by Federal regulations, all records related to Federal grant funds and compliance shall be retained by the USBE staff and the LEA for three years (or longer if under an audit exception) from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report (2 CFR § 200.334).
2. Records related to grant funds shall be kept that fully show:
 - a. The amount of funds under the grant;

VIII. Responsibilities of the Utah State Board of Education

- b. How the funds were used;
 - c. The total cost of the project;
 - d. The share of that cost provided from other sources; and
 - e. Other records to facilitate an effective audit.
3. Records related to program compliance shall include:
- a. Interim and final monitoring reports;

 - d. Documentation supporting the implementation of a hearing officer's final decision in a due process hearing;
 - e. Documentation of LEA submissions to the USBE data systems (e.g.,
 - f. UTREx, the Utah Grants Management System, etc.); and
 - g. Individual student records, including IEPs, evaluation data, and required consent and prior written notice forms.

VIII.T. PRIVATE SCHOOL APPROVAL

1. The USBE shall ensure that a student with a disability who is placed in a private school or facility by an LEA or USDB as a means of providing a FAPE through an IEP has all the rights of a student with a disability who is served by an LEA.
2. Prior to placement of the student, the USBE staff and the LEA or USDB will review the program of the private school, to determine its compliance with State and Federal regulations for serving students with disabilities.

VIII.U. DISSEMINATION OF INFORMATION

1. The USBE staff shall disseminate information throughout the State on program requirements and successful practices in the education of students with disabilities. This shall be ongoing and include activities such as conducting state-wide professional learning, publishing annual committee reports,

VIII. Responsibilities of the Utah State Board of Education

developing technical assistance papers, guidelines, and manuals, and sponsoring state conferences.

VIII.V. FISCAL MONITORING PROCEDURES

1. The USBE shall adopt and implement fiscal monitoring procedures as required by Uniform Administrative Requirements (2 CFR § 200). Annually, the USBE School Finance section shall conduct a review of fiscal records in every LEA in the State. The results of these reviews shall be shared with the Special Education Services section for the primary purposes of:
 - a. Coordinating the training of LEA personnel in fiscal management and
 - b. Incorporating the findings into RDA process in order to reduce duplication of effort.
 - c. If a FAPE is not being provided by an LEA, the USBE staff may determine that a special education fiscal audit is required.

VIII.W. ACCESS TO INSTRUCTIONAL MATERIALS (34 CFR § 300.172 AND UCA 53E-8-409)

1. Utah has adopted the National Instructional Materials Accessibility Standard (NIMAS) and is coordinating with the National Instructional Materials Accessibility Center (NIMAC) for the purpose of providing instructional materials to blind persons or other persons with print disabilities, in accordance with publication of the NIMAS in the Federal Register on July 19, 2006 (71 FR 41084).
2. For all purposes of this section, timely manner is defined as follows: the USBE staff and LEAs must take reasonable steps to provide instructional materials in accessible formats to students with disabilities who need those instructional materials at the same time as other students receive instructional materials.
3. The USBE and LEA staff are responsible for ensuring that students with disabilities who need instructional materials in accessible formats, and who are not included under the definition of blind or other persons with print disabilities in this section or who need materials that cannot be produced from NIMAS files, receive those instructional materials in a timely manner.

VIII. Responsibilities of the Utah State Board of Education

4. USBE staff coordinates with NIMAC by, as part of any print instructional materials adoption process, procurement contract, or other practice or instrument used for purchase of print instructional materials, entering into a written contract with the publisher of the print instructional materials to:
 - a. Require the publisher to prepare and, on or before delivery of the print instructional materials, provide to NIMAC electronic files containing the contents of the print instructional materials using the NIMAS; or
 - b. Purchase instructional materials from the publisher that are produced in, or may be rendered in, specialized formats.
5. The USBE staff, to the maximum extent possible, works collaboratively with the State agency responsible for assistive technology programs.
6. The USBE staff, in coordination with the Utah State Instructional Materials Access Center (USIMAC) and the USDB, ensures accessible materials are available to LEAs for qualifying students, as described in UCA 53E-8-409 and Board Rules R277-800-9.
7. Definitions for this section and these SpEd Rules IX.I:
 - a. *Blind persons or other persons with print disabilities* means students served under Part B of the IDEA who may qualify to receive books and other publications produced in specialized formats in accordance with the Act entitled "An Act to provide books for adult blind," approved March 3, 1931, (2 USC § 135a).
 - b. *National Instructional Materials Access Center* (NIMAC) means the center established pursuant to section 674(e) of the IDEA.
 - c. *National Instructional Materials Accessibility Standard* (NIMAS) has the meaning given the term in section 674(e)(3)(B) of the IDEA.
 - d. *Specialized formats* has the meaning given the term in Appendix C of Part B of the IDEA.
8. The definitions in these SpEd Rules VIII.W.7. apply to each LEA, whether or not the LEA chooses to coordinate with the NIMAC.

VIII.X. PROHIBITION ON MANDATORY MEDICATION (34 CFR § 300.174)

1. The USBE prohibits State and LEA personnel from requiring parents or student who is an adult to obtain a prescription for substances identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act for a student as a condition of attending school, receiving an evaluation, or receiving services under Part B of the IDEA (21 USC § 812(c)).
2. Nothing in these SpEd Rules VIII.X.1. shall be construed to create a Federal prohibition against teachers and other school personnel consulting or sharing classroom-based observations with parent(s) or student who is an adult regarding a student's academic and functional performance, or behavior in the classroom or school, or regarding the need for evaluation for special education or related services related to child find.

VIII.Y. STATE ADMINISTRATION (34 CFR § 300.199).

1. Each State that receives funds under Part B of the IDEA must:
 - a. Ensure that any State rules, regulations, and policies relating to Part B of the IDEA conform to the purposes of this part;
 - b. Identify in writing to LEAs located in the State and the Secretary any such rule, regulation, or policy as a state-imposed requirement that is not required by Part B of the IDEA and Federal regulations; and
 - c. Minimize the number of rules, regulations, and policies to which the LEAs and schools located in the State are subject under Part B of the IDEA.
2. State rules, regulations, and policies under Part B of the IDEA must support and facilitate LEA and school-level system improvement designed to enable students with disabilities to meet the challenging State student academic achievement standards.

VIII.Z. NOTIFICATION OF LEA OR STATE AGENCY IN CASE OF INELIGIBILITY (34 CFR § 300.221).

1. If the USBE determines that an LEA or State agency is not eligible under Part B of the IDEA, then the USBE must notify the LEA or State agency of that

VIII. Responsibilities of the Utah State Board of Education

determination, and provide the LEA or State agency with reasonable notice and an opportunity for a hearing, in compliance with Board Rules R277-114.

IX. LEA ELIGIBILITY AND RESPONSIBILITIES

IX.A. LEA ELIGIBILITY FOR IDEA PART B FUNDS (34 CFR §§ 300.211–212, 220)

1. Federal special education funding is made available through a grant to the state from the OSEP. These funds are restricted and may only be used to provide services and program for students who qualify under Part B of the IDEA. Funds are available for students who are 3–5 (section 619 Preschool) and for students ages 3–21 (section 611 School-Age). Some funds are retained at the state level for administration and for state level activities. The remaining funds are distributed to Utah Local Education Agencies (LEAs) by formula.
2. Annually, the USBE staff shall notify LEAs of the availability of Federal funds under Part B of the IDEA. In order to receive IDEA Part B flow-through funds, each LEA must have in effect a USBE-approved special education program (SpEd Rules X.B.2.), including policies and procedures that are consistent with these SpEd Rules.
3. The LEA must have a USBE-approved special education program (UCA 53F-2-307). The LEA's program is approved by the state board when the LEA's special education policies and procedures are approved by the USBE special education staff and then by the LEA's local board in a public meeting. The LEA must submit documentation of the local board's approval to the USBE special education staff.
 - a. Newly authorized LEAs must submit policies and procedures for approval by USBE by October 1 of the year first year of operation and complete local board approval by December 1 of the first year of operation.
4. The USBE approval of the LEA's policies and procedures includes the approval of any supporting documentation necessary to ensure their implementation. At a minimum, the LEA must address the following components:
 - a. General Information.

6. Policies and procedures submitted by the LEA in accordance with this section, and approved by the USBE staff, remain in effect until any of the following occur (34 CFR § 300.220):
- a. The LEA submits modifications to the USBE staff that the USBE or LEA determines are necessary;

IX. LEA Eligibility and Responsibilities

- c. There is an official finding of noncompliance with Federal or State law or regulations that requires a change in the LEA's policy and procedures.
7. The LEA must have on file with the USBE staff information to demonstrate that it will make available to parents of students with disabilities or student who is an adult and to the general public all documents relating to the eligibility of the LEA under Part B of the IDEA (34 CFR § 300.212).
8. Any State agency that desires to receive a subgrant for any fiscal year must demonstrate to the satisfaction of the USBE that:
 - a. All students with disabilities who are participating in programs and projects funded under Part B of the IDEA receive FAPE, and that those students and their parent(s) are provided all the rights and procedural safeguards described in these SpEd Rules; and
 - b. The agency meets the other conditions of this subpart that apply to LEAs.

IX.B. USE OF PART B FEDERAL FUNDS BY THE LEA (34 CFR §§ 300.200–206, 208)

1. An LEA is eligible for assistance under Part B of the IDEA for a fiscal year if the agency submits a plan that provides assurances to the USBE that the LEA meets each of the conditions in this section (34 CFR § 300.200).
2. The LEA, in providing for the education of students with disabilities within its jurisdiction, must have in effect policies, procedures, and programs that are consistent with the State policies and procedures established in these SpEd Rules (34 CFR § 300.201).
3. Use of amounts (34 CFR § 300.202).
 - a. The LEA must have on file with the USBE staff information to demonstrate that amounts provided to the LEA under Part B of the IDEA:
 - (1) Must be expended in accordance with the applicable provision of these SpEd Rules;
 - (2) Must be used only to pay the excess costs of providing special education and related services to students with disabilities consistent with these SpEd Rules; and

IX. LEA Eligibility and Responsibilities

- (3) Must be used to supplement State, local, and other Federal funds and not to supplant those funds.
4. The excess cost requirement prevents an LEA from using funds provided under Part B of the IDEA to pay for all the costs directly attributable to the education of a student with a disability.
5. An LEA meets the excess cost requirement if it has spent at least a minimum average amount for the education of its students with disabilities before funds under Part B of the IDEA are used.
6. Maintenance of effort (MOE) (34 CFR § 300.203).
 - a. Eligibility standard.
 - (1) For purposes of establishing the LEA's eligibility for an award for a fiscal year, the USBE must determine that the LEA budgets for the education of students with disabilities for at least the same amount, from at least one of the following sources, as the LEA spent for that purpose from the same source for the most recent fiscal year for which information is available:
 - (a) Local funds only;
 - (b) The combination of State and local funds;
 - (c) Local funds only on a per capita basis; or
 - (d) The combination of State and local funds on a per capita basis.
 - (2) When determining the amount of funds that the LEA must budget to meet the requirement in these SpEd Rules IX.B.6.a.(1), the LEA may take into consideration, to the extent the information is available, the exceptions and adjustment provided in 34 CFR §§ 300.204 and 300.205 that the LEA:
 - (a) Took in the intervening year or years between the most recent fiscal year for which information is available and the fiscal year for which the LEA is budgeting; and
 - (b) Reasonably expects to take in the fiscal year for which the LEA is budgeting.

IX. LEA Eligibility and Responsibilities

- (3) Expenditures made from funds provided by the Federal government for which the USBE is required to account to the Federal government or for which the LEA is required to account to the Federal government directly or through the USBE may not be considered in determining whether an LEA meets the standard in these SpEd Rules IX.B.6.a.(1).
- b. Compliance standard.
- (1) Except as provided in 34 CFR §§ 300.204 and 300.205, funds provided to an LEA under Part B of the IDEA must not be used to reduce the level of expenditures for the education of students with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.
 - (a) An LEA may (UCA 53F-2-209):
 - (i) Use up to 35% of the LEA's state restricted funding for each state special education funding program listed in these SpEd Rules X.D–L to flexibly and without restriction respond to changing circumstances and student needs, and
 - (ii) Transfer fund balances between funds as necessary to flexibly expend funds as described in SpEd Rules IX.B.6.b.(a)(i).
 - (iii) An LEA may not:
 - (A) Expend the transferred funds for capital projects or improvements;
 - (B) Violate federal law or federal restrictions on the LEA's funds.
 - (b) An LEA that takes an action that this section authorizes shall ensure that the LEA continues to meet federal maintenance of effort requirements (UCA 53F-2-209).
 - (2) An LEA meets this standard if it does not reduce the level of expenditures for the education of students with disabilities made by the LEA from at least one of the following sources below the level of

IX. LEA Eligibility and Responsibilities

those expenditures from the same source for the preceding fiscal year, except as provided in 34 CFR §§ 300.204 and 300.205:

- (a) Local funds only;
 - (b) The combination of State and local funds;
 - (c) Local funds only on a per capita basis; or
 - (d) The combination of State and local funds on a per capita basis.
- (3) Expenditures made from funds provided by the Federal government for which the USBE is required to account to the Federal government or for which the LEA is required to account to the Federal government directly or through the USBE may not be considered in determining whether an LEA meets the standard of these SpEd Rules IX.B.6.b.(1) and IX.B.6.b.(2).
- c. Subsequent years.
- (1) If, in the fiscal year beginning on July 1, 2013, or July 1, 2014, an LEA fails to meet the requirements of 34 CFR § 300.203 in effect at that time, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required in the absence of that failure, not the LEA's reduced level of expenditures.
 - (2) If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of these SpEd Rules IX.B.6.b.(2)(a) or IX.B.6.b.(2)(c) and the LEA is relying on local funds only, or local funds only on a per capita basis, to meet the requirements of these SpEd Rules IX.B.6.a or IX.B.6.b, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under these SpEd Rules IX.B.6.b.(2)(a) or IX.B.6.b.(2)(c) in the absence of that failure, not the LEA's reduced level of expenditures.
 - (3) If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of these SpEd Rules IX.B.6.b.(2)(b) or IX.B.6.b.(2)(d) and the LEA is relying on the combination of State and local funds, or the combination of State and local funds on a per

IX. LEA Eligibility and Responsibilities

capita basis, to meet the requirements of these SpEd Rules IX.B.6.a or IX.B.6.b, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under these SpEd Rules IX.B.6.b.(2)(b) or IX.B.6.b.(2)(d) in the absence of that failure, not the LEA's reduced level of expenditures.

d. Consequence of failure to maintain effort.

- (1) If an LEA fails to maintain its level of expenditures for the education of students with disabilities in accordance with these SpEd Rules IX.B.6.b, the USBE is liable in a recovery action under section 452 of the GEPA (20 USC § 1234a) to return to the Department, using non-Federal funds, an amount equal to the amount by which the LEA failed to maintain its level of expenditures in accordance with these SpEd Rules IX.B.6.b. in that fiscal year, or the amount of the LEA's Part B subgrant in that fiscal year, whichever is lower.
- (2) If the USBE is required to return funds to the Department because of LEA failure to meet the Maintenance of Effort requirement, the USBE shall reduce the amount provided to the LEA's MSP Basic Program on a 1/12 basis.

7. Exception to maintenance of effort (34 CFR § 300.204).

- a. An LEA may reduce the level of expenditures by the LEA under Part B of the IDEA below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:
 - (1) The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
 - (2) A decrease in the enrollment of students with disabilities.
 - (3) The termination of the obligation of the LEA, consistent with this part, to provide a program of special education to a particular student with a disability that is an exceptionally costly program, as determined by the USBE staff, because the student:
 - (a) Has left the jurisdiction of the LEA;

IX. LEA Eligibility and Responsibilities

- (b) Has reached the age at which the obligation of the LEA to provide a FAPE to the student has terminated; or
 - (c) No longer needs the program of special education.
 - (4) The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
 - (5) The assumption of cost by the high-cost fund (i.e., Intensive Services fund) operated by the USBE staff.
8. Adjustment to local fiscal efforts in certain fiscal years (34 CFR § 300.205).
- a. For any fiscal year for which the allocation received by an LEA under Part B of the IDEA exceeds the amount the LEA received for the previous fiscal year, the LEA may reduce the level of expenditures otherwise required by maintenance of efforts requirements by not more than 50 percent of the amount of that excess.
 - b. Use of amounts to carry out activities under ESEA/ESSA.
 - (1) If an LEA exercises the authority to reduce the level of expenditures due to an increase in Part B funds, the LEA must use an amount of local funds equal to the reduction in expenditures to carry out activities that could be supported with funds under the ESEA/ESSA, regardless of whether the LEA is using funds under the ESEA/ESSA for those activities.
 - c. The USBE staff must prohibit the LEA from reducing the level of expenditures for a fiscal year, if the USBE staff determines that:
 - (1) An LEA is unable to establish and maintain programs of FAPE that meet the requirements of Part B of the IDEA, or
 - (2) The USBE staff has taken action against the LEA under Section 616 of the IDEA and subpart F of the regulations (Monitoring, Technical Assistance, and Enforcement).
 - d. The amount of funds expended by an LEA for mandatory or voluntary Coordinated Early Intervening Services shall count toward the maximum amount of expenditures that the LEA may reduce under the requirements of this section.

IX. LEA Eligibility and Responsibilities

9. If the USBE staff determines that an LEA is not meeting the requirements of these SpEd Rules, the USBE staff may prohibit the LEA from treating funds received under Part B of the IDEA as local funds under this section for any fiscal year, but only if it is authorized to do so by the State constitution or State statute.
10. School-wide programs under Title I of the ESEA/ESSA (34 CFR § 300.206).
 - a. An LEA may use funds received under Part B of the IDEA for any fiscal year to carry out a school-wide program under section 1114 of the ESEA/ESSA, except that the amount used in any school-wide program may not exceed the amount received by the LEA under Part B of the IDEA for that fiscal year:
 - (1) Divided by the number of students with disabilities in the jurisdiction of the LEA; and
 - (2) Multiplied by the number of students with disabilities participating in the school-wide program.
 - b. The funds described in this section must be considered as Federal Part B funds for purposes of the calculations required for excess costs and supplanting.
 - c. The funds may be used without regard to the requirements of 34 CFR § 300.202(a)(1) of the IDEA.
 - d. All other requirements of Part B of the IDEA must be met by an LEA using Part B funds for school-wide programs under section 1114 of the ESEA/ESSA, including ensuring that students with disabilities in school-wide program schools:
 - (1) Receive services in accordance with a properly developed IEP; and
 - (2) Are afforded all of the rights and services guaranteed to students with disabilities under Part B of the IDEA.

IX.C. CHARTER SCHOOLS AND THEIR STUDENTS (34 CFR § 300.209)

1. Students with disabilities ages 3–21 who attend public charter schools and their parent(s) or adult students retain all rights under Part B of the IDEA and these SpEd Rules.
2. If the public charter school is an LEA that receives funding under Part B or State special education funding, that charter school is responsible for ensuring that all of the requirements of Part B of the IDEA and these SpEd Rules are met. Charter schools may not refer potential or enrolled students with disabilities back to their school district of residence due to a disability, child find, or need for special education and related services, including placements.
3. If the public charter school is not an LEA receiving funding under Part B or State special education funding, or a school that is part of an LEA receiving funding under Part B or State special education funding, the USBE is responsible for ensuring that the requirements of Part B and these SpEd Rules are met.
 - a. Nothing in these SpEd Rules prohibit school districts and charter schools from developing a Memorandum of Understanding (MOU) to address student specific needs and/or placements.
4. For charter schools that are public schools of an LEA, in carrying out Part B of the IDEA and these SpEd Rules, the LEA must:
 - a. Serve students with disabilities attending those charter schools in the same manner as the LEA serves students with disabilities in its other schools, including providing supplementary and related services on-site at the charter school to the same extent to which the LEA has a policy or practice of providing such services on the site of its other public schools; and
 - b. Provide funds under Part B of the IDEA and State special education funding to those charter schools:
 - (1) On the same basis as the LEA provides funds to the LEA's other public schools, including proportional distribution based on relative enrollment of students with disabilities; and

IX. LEA Eligibility and Responsibilities

2. The LEA will oversee the caseload of each special educator (including psychologists, social workers, speech language pathologists, occupational therapists, physical therapists, adapted physical education specialists, and any other related servers) to ensure that a FAPE is available to all eligible students with disabilities.

IX.H. ROUTINE CHECKING OF HEARING AIDS AND EXTERNAL COMPONENTS OF SURGICALLY IMPLANTED MEDICAL DEVICES (34 CFR § 300.113)

1. An LEA that chooses to coordinate with the NIMAC, when purchasing print instructional materials, must acquire those instructional materials in the same manner, and subject to the same conditions as the USBE under these SpEd Rules VIII.W.
2. If an LEA chooses not to coordinate with the NIMAC, the LEA must provide an assurance to the USBE that the LEA will provide instructional materials to blind persons or other persons with print disabilities in a timely manner.
3. Nothing in this section relieves an LEA of its responsibility to ensure that students with disabilities who need instructional materials in accessible formats but are not included under the definition of blind or other persons with print disabilities or who need materials that cannot be produced from NIMAS files, receive those instructional materials in a timely manner.
4. For all purposes of this section, the USBE defines timely manner as follows: the USBE and LEAs must take reasonable steps to provide instructional materials in accessible formats to students with disabilities who need those instructional materials at the same time as other students receive instructional materials.

IX.K. SCHOOL DISTRICTS TO PROVIDE USDB CLASS SPACE (UCA 53E-8-410)

1. A school district with students who reside within the school district's boundaries and are served by the USDB shall make a good faith effort to provide the USDB with space required for programs offered by the USDB.

X. SPECIAL EDUCATION FUNDING

1. The USBE has a responsibility under both Federal and State law to monitor implementation of the IDEA by LEAs through a system of general supervision that improves educational results and functional outcomes and ensures that public agencies meet program requirements. The special education program that is funded both from federal and state funds and it is critical to understand the similarities and differences of these funding sources.
2. *Federal special education funds* means funds paid to the State under IDEA Part B for the purposes of special education.
3. *State special education funds* means state funds appropriated to public education for the purposes of special education.
4. Federal special education funds are calculated, allocated, and classified differently than state special education funds. These SpEd Rules outline the regulations, restrictions, and allowable costs and activities applicable to each funding source; some requirements are the same for both funding sources and some provisions apply only to one or the other.

X.A. STATE SPECIAL EDUCATION FUNDS GENERALLY (UCA 53F-2-307)

1. State special education funds may be spent only for direct costs and construction or altering existing facilities, as outlined in these SpEd Rules.
 - a. Direct costs are those elements of cost which can be easily, obviously, and conveniently identified with specific special education activities or programs, as distinguished from those costs incurred for several different activities or programs and whose elements are not readily identifiable with specific special education activities.
 - b. Constructing facilities or altering existing facilities if:
 - (1) The costs are necessary costs and reasonable costs;
 - (2) The costs are not for the general purpose of bringing facilities into compliance with:
 - (a) Section 504 of the Rehabilitation Act of 1973; or

- (b) The Americans with Disabilities Act of 1990, 42 U.S.C. 12101 et seq.;
 - (3) The construction or alteration meets the needs of one or more students with disabilities; and

 - (a) The LEA has not been identified with significant disproportionality;
 - (b) The LEA has no outstanding uncorrected findings of non-compliance;
 - (c) The LEA has no dispute resolution findings related to FAPE in the past year;
 - (d) The LEA has been determined to “meet requirements” based on the USBE’s programmatic Results Driven Accountability/Annual Performance Report (RDA/APR); and
 - (e) No other evidence, e.g., from school accreditation, fiscal audits, etc., indicators that the LEA is not adequately providing FAPE.
2. State special education funds are appropriated to the MSP and provide restricted (categorical) monies that must be spent for the education of students with disabilities. MSP funding is based on a weighted pupil unit. Each year, the Utah State Legislature establishes the total number of weighted pupil units (WPU) assigned for educational programs, including programs for students with disabilities. The Legislature also approves a dollar value for each WPU, which then indicates the amount available in the State for each program. The number of WPU for students with disabilities shall reflect the direct cost of programs for those students and be used to calculate the amount of State special education funds allocated.
3. State special education funds from the MSP are provided for each LEA that provides special education and related services to students with disabilities ages 3–21 (UCA 53F-2-307–308). The USBE receives some State special

education funding for the administration or implementation of special education programs, supports, technical assistance, or service.

4. If State special education funds appropriated under this section for programs for students with disabilities do not meet the costs of LEAs for those programs, each LEA shall first receive the amount generated for each student with a disability under the basic program.

X.B. ALLOCATION OF STATE SPECIAL EDUCATION FUNDS FOR PROGRAMS FOR STUDENTS WITH DISABILITIES (UCA 53F-2-307 AND BOARD RULES R277-479)

1. Each LEA shall receive its allocation of State special education funds appropriated for implementation of the LEA's approved program for students with disabilities as provided in this section.

 - a. The LEA's program is approved by the USBE when the LEA's special education policies and procedures are approved by the USBE special education staff and then by the LEA's local board in a public meeting. The LEA must submit documentation of the local board's approval to the USBE special education staff within 30 days of the local board's approval (SpEd Rules IX.A.2.).
 - b. The LEA must have a state-board approved special education program to be eligible for State special education funds.
3. The LEA must be current with the UPIPS monitoring requirements, including correction of noncompliance within one year of notification, annual Corrective Action Plan (CAP) and PIP reports, and desk audit submissions to be eligible for State special education funds.

X.C. SPECIAL EDUCATION ADD-ON ALLOWABLE USE (FUND 1205) (UCA 53F-2-307(1))

1. Funds must be used in accordance with these SpEd Rules X.B. and to cover the direct costs of providing special education to students with disabilities.

X.D. SPECIAL EDUCATION ADD-ON CALCULATION (UCA 53F-2-307)

1. The USBE shall use an LEA's average number of special education add-on WPU's determined by the prior year's average daily membership plus growth and the preceding four years' average daily membership data as a foundation for the special education add-on appropriation.
2. For new charter schools, the foundation cannot be calculated; the calculation of foundation shall be based on the average special education ADM for the number of years the new charter school has been in operation beyond the first year. In the first operational year, new charter school funding shall be based on estimated enrollment (Board Rules R277-479).
3. An LEA's special education add-on WPU's for the current year may not be less than the foundation special education add-on WPU's.
4. Growth WPU's shall be added to the prior year special education add-on WPU's, and growth WPU's shall be determined as follows:
 - a. The special education student growth factor is the percentage change in total enrollment of students kindergarten through grade 12 on the first school day of October in the current school year as compared to the total enrollment of students kindergarten through grade 12 on the first school day of October in the previous school year.
 - b. When calculating and applying the growth factor, a school district's total special education ADM for a given year is limited to the following percentage of the school district's total student ADM for the same year:
 - (1) For a school district in a county of the first, second, or third class, 14%;
and
 - (2) For a school district in a county of the fourth, fifth, or sixth class, 20%.
 - (3) K-12 (S2) total special education ADM for a given year is limited to 12.18 percent of the school district's S2 total student ADM for the same year.
 - c. Growth ADMs are calculated by applying the growth factor to the total special education average daily membership of one year previous to the current year.

d. Growth ADMs for each LEA are multiplied by the following WPUs and added to the prior year special education add-on WPUs to determine each LEA's total allocation:

- (1) For fiscal year 2023, 1.35 weighted pupil units;
 - (2) For fiscal year 2024, 1.15 weighted pupil units; and
 - (3) Beginning in fiscal year 2025, and every fiscal year thereafter, 1.00 weighted pupil units.
5. The formula is described in UCA 53F-2-307.

X.E. SPECIAL EDUCATION SELF-CONTAINED ALLOWABLE USE (FUND 1210) (UCA 53F-2-307; AND 53F-2-308(3))

1. *Self-contained* means a student in public-school with an IEP or a youth in custody/care (YIC) who receives 180 minutes or more of special education or YIC services during a typical school day per Board Rules R277-419-2(35).
2. Special Education Self-Contained funds must be used only for direct costs attributable to the cost of the special education of students with disabilities whose placement is a special class or self-contained environment.
3. Funds must be used in accordance with these SpEd Rules X.B. and to cover the direct costs of providing special education to SWDs.

X.F. STATE SPECIAL EDUCATION SELF-CONTAINED CALCULATION

1. State special education funds appropriated for self-contained regular special education programs may not be used to supplement other school programs. (UCA 53F-2-308(3)(a)). The WPU calculated is equal to Self-Contained ADM from two years prior. Students who are reported to the Data Clearinghouse as receiving 180 minutes or more of service per day (TIME=C) generate Self-Contained WPU. These students are not included in the calculation of "Regular Basic School Program" WPU. TIME is calculated based on services listed in the IEP, regardless of the location of services. Self-Contained funding has no relationship to placement options such as Separate Class, Special School, Residential, etc.

2. The formula is number of self-contained ADM, pulled from the Self-Contained Resource Attendance Management (SCRAM) in the prior fiscal year, multiplied by the WPU value.

X.G. STATE SPECIAL EDUCATION PRESCHOOL ALLOWABLE USE (FUND 1215) (UCA 53F-2-308(1))

X.H. STATE SPECIAL EDUCATION PRESCHOOL CALCULATION (UCA 53F-2-308)

1. State special education funds appropriated to the State Board of Education for the preschool special education program shall be allocated to districts to provide a FAPE to students in preschool with a disability, ages 3–5.
2. State special education funds shall be distributed on the basis of a district's count of preschool children with a disability for December 1 of the previous year, as mandated by Federal law.
3. The State Board of Education shall compute preschool funding by a factor of 1.47 times the current December 1 child count of eligible preschool aged three-, four-, and five-year-olds times the WPU value, limited to eight percent growth statewide over the prior year December 1 count.
4. The formula is based on the count of students with disabilities ages 3-5 enrolled in preschool and reported by the district in the December 1 UTREx submission.
 - a. The current year (December 1) enrollment is multiplied by a factor of 1.47 to determine the number of WPU for the district.
 - b. If the total WPU allocated for the State is different from the allocation amount, the difference is prorated across all districts.
 - c. The Statewide Child Counts of the previous two years is limited to a growth rate of no greater than 8%. If the State enrollment exceeds 8%, funds will be distributed to each district based on their proportion of the total statewide enrollment of preschoolers ages 3-5, limited to 8%.

X.I. STATE SPECIAL EDUCATION IMPACT AID ALLOWABLE USE (FUND 1225) (UCA 53F-2-307(1))

1. Must be used for direct costs attributable to the cost of administering the special education program as follows:
 - a. Costs for students in state custody (prisons, detention facilities, and the state hospital), and
 - b. Additional costs attributable for services to students with low-incidence disabilities.
2. Funds must be used in accordance with these SpEd Rules X.B. and to cover the direct costs of providing special education to students with disabilities.

X.J. STATE SPECIAL EDUCATION IMPACT AID CALCULATION

1. LEA December 1 count for ages 3–22 divided by Statewide December 1 count for ages 3–22 multiplied by the total impact aid state allocation.
2. The formula is the total allocation minus \$409,409 split between South Sanpete School District (\$188,977) and Salt Lake City School District (\$220,432) for the education of incarcerated students, then the remaining total is allocated based on each LEA's percentage enrollment of students with disabilities from the December 1 UTREx submission.

X.K. STATE SPECIAL EDUCATION EXTENDED SCHOOL YEAR (ESY) ALLOWABLE USE (FUND 1220) (UCA 53F-2-308(2))

1. Must be used for direct costs attributable to the cost of ESY provided to students with disabilities, determined by the student's IEP team to require ESY in order to receive a FAPE and in accordance with Board Rules R277-751.
2. Funds must be used in accordance with these SpEd Rules X.B. and to cover the direct costs of providing special education to students with disabilities in accordance with Board Rules R277-751.

X.L. STATE SPECIAL EDUCATION EXTENDED SCHOOL YEAR (ESY) CALCULATION

1. LEAs end of school year count of number of students eligible for ESY services are pulled from UTREx.

X. Special Education Funding

2. The state allocation is then divided by the total number of students statewide receiving ESY and each LEA is allocated funding per students who are eligible.
3. Funds will be disbursed on the August allotment memo.
4. The formula is calculated using a base plus a distribution by population, from the December 1 UTREx submission.
 - a. The base was established in 2010 and is \$2,259.
 - b. Distribution by population is calculated for those LEAs who reported providing ESY services in the prior school year. The total current year enrollment of students with disabilities ages 3- 21 is multiplied by the total state enrollment of students with disabilities ages 3-21. This percentage is multiplied by the (total allocation minus base allocation) and distributed among participating LEAs.
 - c. If the total WPU for the state is different from the allocation amount determined by formula, the difference is prorated across all LEAs.
 - d. Estimates: Enrollment of students with disabilities for new LEAs is estimated at 10% of projected total enrollment.

X.M. STATE EXTENDED SCHOOL YEAR STIPEND FOR SPECIAL EDUCATORS (EYSE) ALLOWABLE USE (FUND 1278) (UCA 53F-2-310)

1. Must be used for salaries and allowable benefits of Special Education Teachers, or Speech Language Pathologists who provide eligible services under Board Rules R277-525-2.
2. A special educator receiving a stipend shall:
 - a. Work an additional day beyond the number of days contracted with the special educator's school district or school for each daily stipend;
 - b. Schedule the additional days of work before or after the school year; and
 - c. Use the additional days of work to perform duties related to the IEP process, including: administering student assessments, conducting IEP meetings, writing IEP's, conferring with parent(s) or student who is an adult, and preparing and maintaining records.

X.Q. FEDERAL (IDEA) SPECIAL EDUCATION FUNDS GENERALLY

1. Federal special education funds are made available through a grant to the USBE from the OSEP. The OSEP has indicated that the components of the IDEA Part B General Supervision system should include:
 - a. An SPP;
 - b. Policies, procedures, and effective implementation;
 - c. Data on processes and results;

- d. Targeted TA and professional learning;
 - e. Effective dispute resolution;
 - f. Integrated monitoring activities;
 - g. Improvement, correction, incentives, and sanctions; and
 - h. Fiscal management.
2. These Federal special education funds are restricted and may only be used to provide enumerated services and programs for students who qualify under Part B of the IDEA. Funds are available for students ages 3–5 (Section 619 Preschool, 34 CFR § 300.800) and for students ages 3–21 (Section 611 School-Age, 34 CFR § 300.703). Some funds are retained at the State level for administration and for State level activities. The USBE uses a formula to allocate the remaining Federal special education funds to LEAs (i.e., public school districts, public charter schools, and the USDB); these flow-through funds are distributed as subgrants.
 3. The LEA must have a USBE-approved special education program (UCA 53F-2-307).
 - a. The LEA’s program is approved by the USBE when the LEA’s special education policies and procedures are approved by the USBE special education staff and then by the LEA’s local board in a public meeting. The LEA must submit documentation of the local board’s approval to the USBE special education staff within 30 days of the local board’s approval.
 - b. The LEA must have board-approved special education program to be eligible for Federal special education funds.
 4. The LEA must be current with the UPIPS monitoring requirements, including correction of noncompliance within one year of notification, annual CAP and PIP reports, and submissions to be eligible for Federal special education funds.

X.R. ALLOWABLE COSTS FOR FEDERAL (IDEA) SPECIAL EDUCATION FUNDS

1. Funds paid to the State under IDEA Part B for the purposes of special education (“Federal special education funds”) are calculated, allocated, and classified according to 34 CFR §300.705.

2. The Federal government provides Federal special education funds under the IDEA to help states meet the costs associated with providing special education and related services to students who are eligible (34 CFR §300.700).
3. All Federal special education fund requests are directed to USBE by LEAs that are providing FAPE to students with disabilities. Parents of a student with a disability have no individual entitlement to Federal special education funds (34 CFR § 300.200).
4. The costs of providing for specially designed instruction, related services, and supplementary aids and services provided in a regular class or other education-related setting to a student with a disability in accordance with the IEP of the student are allowable.
5. The costs of providing inclusive special education preschool services are an allowable excess cost under IDEA (34 CFR § 300.16).
6. The costs of including peer models in IEP services that require a peer model are allowable.
7. The costs of providing co-teaching, in which both a licensed general educator and licensed special education teacher plan and provide specially designed instruction are allowable.
8. The tables below list allowable costs for Federal special education funds, including both IDEA Part B flow-through and preschool grants. If an item is not listed, it still may be allowed but LEAs must ask USBE staff for approval before expending Federal (IDEA) special education funds. The items that are allowed may not be charged to funds budgeted for CEIS.

X.X. RESPONSIBILITIES OF THE LEA

1. The purpose of the chart below is to help LEAs and other interested parties navigate funding throughout these SpEd Rules. Programming and funding are frequently interconnected in both Federal and State law. This chart sets forth cited parts of these SpEd Rules where programming and funding are discussed together.

X.Y. RECOVERY OF STATE AND FEDERAL SPECIAL EDUCATION FUNDS FOR STUDENTS WHO ARE MISCLASSIFIED

1. These SpEd Rules II.C.-J. describe evaluation procedures for determining eligibility for special education and related services under Part B of the IDEA. An identified student with a disability whose evaluation report does not support or substantiate the classification of a disability condition will be considered a student erroneously classified, not eligible to be counted under the provisions of the State or Federal requirements, or to receive Federal or State special education funds.
2. An independent auditor shall be employed by each LEA to audit its student accounting records annually and report the findings to the local Board of Education and/or Charter Governing Board. Board Rules R277-484 lists the annual reporting requirements and due dates.
3. The USBE staff shall review student membership and fall enrollment audits as they relate to the allocation of state special education funds. These audits will determine whether criteria established by these SpEd Rules have been met by reviewing the required documentation of selected students who are classified. If a student is found to be misclassified, and expenditures of Federal and/or State special education funds have been made for direct or related service to that student, a notification of audit exception will be given to the LEA. Reimbursement for expenditures made on a student erroneously classified as having a disability will be made to the USBE staff within 90 days of notification of audit exception and comply with Board Rules R277-114.
4. If an LEA disagrees with the findings of the independent auditor, an appeal may be requested to the USBE by following the procedure outlined in these VIII.R. and in Board Rules R277-114.
